BILLING CODE 4410-FY-P

DEPARTMENT OF LABOR

Office of the Secretary

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Evaluation of Round 4 of the Trade Adjustment Assistance Community College Career Training (TAACCCT) Grants Program

AGENCY: Office of the Assistant Secretary for Policy, Chief Evaluation Office, Department of Labor.

ACTION: Notice.

SUMMARY: The Department of Labor (DOL), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that required data can be provided in the desired format, reporting burden (time and

financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

A copy of the proposed Information Collection Request can be obtained by contacting the office listed below in the addressee section of this notice.

DATES: Written comments must be submitted to the office listed in the **ADDRESSEE** section below on or before April 27, 2015.

ADDRESSES: You may submit comments by either one of the following methods: *Email: ChiefEvaluationOffice@dol.gov; Mail or Courier:* Molly Irwin, Chief Evaluation Office, U.S. Department of Labor, Room S-2312, 200 Constitution Avenue NW., Washington, DC 20210.

Instructions: Please submit one copy of your comments by only one method. All submissions received must include the agency name and OMB Control Number identified above for this information collection. Because we continue to experience delays in receiving mail in the Washington, DC area, commenters are strongly encouraged to transmit their comments electronically via email or to submit them by mail early. Comments, including any personal information provided, become a matter of public record. They will also be summarized and/or included in the request for OMB approval of the information collection request.

FOR FURTHER INFORMATION CONTACT: Contact Molly Irwin by email at *ChiefEvaluationOffice@dol.gov*.

SUPPLEMENTARY INFORMATION:

I. *Background:* The fourth round of the Trade Adjustment Assistance Community College Career Training (TAACCCT) grants program continues to provide community colleges and other eligible institutions of higher education with funds to expand and improve their ability to deliver education and career training programs that can be completed in two years or less and are suited for workers who are eligible for training under the Trade Adjustment Assistance for Workers program.

The evaluation of Round 4 funded by the Department of Labor will include an

impact study involving random assignment and an implementation analysis. This package requests clearance for (1) collecting baseline information on participants of interventions in the Round 4 grantees selected for the impact study and (2) semi-structured fieldwork in the form of site visits to up to nine Round 4 grantees to learn from college administrators, program coordinators, faculty and instructional staff, industry and community partners, and employers.

II. *Desired Focus of Comments:*

Currently, the Department of Labor is soliciting comments concerning the above data collection for the national evaluation of the TAACCCT grants program. Comments are requested to:

- * Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

- * evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

- * enhance the quality, utility, and clarity of the information to be collected; and

- * minimize the burden of the information collection on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* At this time, the Department of Labor is requesting clearance for data collection for the evaluation of Round 4 of the TAACCCT grants program via collection of baseline data elements and fieldwork efforts.

Type of review: New information collection request.

OMB Control Number: 1205-0NEW.

Affected Public: Students enrolled in selected TAACCCT grant programs and control group members; staff and partners associated with implementing TAACCCT grant programs.

ESTIMATED BURDEN HOURS

Form/activity	Estimated total respondents	Frequency	Total responses	Average time per response (hours)	Estimated total burden hours
Participant Baseline Data Collection	5,000	Once	5,000	.5	2,500
Structured Fieldwork	270	Once	270	1.25	338
Totals	5,270	5,270	2,838

Comments submitted in response to this request will be summarized and/or included in the request for Office of Management and Budget approval; they will also become a matter of public record.

Signed: at Washington, DC, this 13th day of February, 2015.

MaryBeth Maxwell,

Principal Deputy Assistant Secretary for Policy, U.S. Department of Labor.

FOR FURTHER INFORMATION CONTACT:

Contact Michel Smyth by telephone at 202-693-4129, TTY 202-693-8064, (these are not toll-free numbers) or by email at DOL_PRA_PUBLIC@dol.gov.

Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks to extend PRA authority for the Coke Oven Emissions information collection. The purpose of Coke Oven Emissions Standard and its information collection requirements, codified at 29 CFR 1910.1029, are to provide protection for workers from the adverse health effects associated with occupational exposure to coke oven emissions. Employers must monitor worker exposure, reduce worker exposure to within permissible exposure limits, and provide workers with medical examinations and training. Occupational Safety and Health of 1970 sections 2(b)(9), 6, and 8(c) authorize this information collection. See 29 U.S.C. 651(b)(9), 655, and 657.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1218-0128.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on February 28, 2015. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on September 9, 2014 (79 FR 53450).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1218-0128. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
