Submission for OMB Review; Comment Request

Title: Grant Reviewer Recruitment Form.

OMB No.: NEW.

Description: The Administration for Children and Families’ Children’s Bureau (CB) is responsible for administering the review of eligible grant applications submitted in response to funding opportunity announcements issued by CB. CB ensures that the objective review process is independent, efficient, effective, economical, and complies with the applicable statutes, regulations,

and policies. Applications are reviewed by subject experts knowledgeable in child welfare and related fields. Review findings are advisory to CB; CB is responsible for making award decisions.

CB will use a web-based data collection form and database to gather critical reviewer information in drop down menu format for data such as: degree, occupation, affiliations with organizations and institutions that serve special populations, and demographic information that may be voluntarily provided by a potential reviewer.

These data elements will help CB find and select expert grant reviewers for objective review committees. The web-based system will permit reviewers to access and update their information at will and as needed. The RRM will be accessible by the general public via <https://rrm.grantsolutions.gov/AgencyPortal/cb.aspx>.

Respondents: Generally, our reviewers are current or retired professionals with backgrounds in child welfare and related fields and in some instances current or former foster care parents or clients.

Proposed Projects

Title: ORR–2 Quarterly Report on Expenditures and Obligations.

OMB No.: 0970–0407.

Description: The Office of Refugee Resettlement (ORR) reimburses, to the extent of available appropriations, certain non-federal costs for the provision of cash and medical assistance to refugees, along with allowable expenses for the administration of the refugee resettlement program at the State level. States (and Wilson/Fish projects; *i.e.*, alternative projects for the administration of the refugee resettlement program) currently submit the ORR–2 Quarterly Report on Expenditures and Obligations, which provides aggregate expenditure and obligation data. This proposed data collection collects expenditures and obligations data separately for each of the four CMA program components: Refugee cash assistance, refugee medical assistance, cash and medical assistance administration, and services for unaccompanied minors. This breakdown of financial status data allows ORR to track program
