**SUPPLEMENTARY INFORMATION:**

*Title; Associated Form; and OMB Number:* U.S. Army Corps of Engineers, Civil Works Program Evaluation; 0702-XXXX.

*Needs and Uses:* We in the U.S. Army Corps of Engineers are sincerely interested in meeting the expectations of our customers and stakeholders. To determine how we are doing, we conduct our annual Civil Works Program Evaluation. The purpose of this survey is to assess the quality of

products and services we deliver during the previous calendar year. The information collected will help determine which areas of services need improvement and where we are doing well.

*Affected Public:* Civil Works Program customers and stakeholders.

*Annual Burden Hours:* 250.

*Number of Respondents:* 1500.

*Responses per Respondent:* 1.

*Average Burden per Response:* 10 minutes.

*Frequency:* Annually.

Respondents include all organizational representatives who participated in the planning or execution of a Civil Works (CW) project within the targeted calendar year. These are external agents with whom Corps staff has had significant interaction who can potentially impact or influence the successful execution of a Corps CW project. This includes 'traditional customers' *i.e.*, representatives of agencies that are direct recipients of Corps services who directly or indirectly provide a source of income for the District. In addition to traditional customers as defined below, the CECW Survey population includes stakeholder agencies. Stakeholder agencies are not direct recipients of Corps services but participate in the project execution process. Their staff interacts with Corps staff and participates in a significant degree in project planning, oversight and/or execution.
