Abstract: VETS and the Department of Veterans Affairs Vocational Rehabilitation and Employment (VA VR&E) share a mutual responsibility for the successful readjustment of disabled veterans into the civilian workforce. Since August, 1995, the two Federal Agencies have worked together under a Memorandum of Understanding to cooperate and coordinate services provided to veterans and transitioning service members referred to or completing a program of vocational rehabilitation authorized under title 31, United States Code (hereinafter referred to as the Chapter 31 program).

To help Congress understand the extent to which federal agencies coordinate programs and the performance of this coordination, the Government Accountability Office (GAO) conducted a study and released Report Number GAO-13-29: Veterans' Employment and Training—Better

Targeting, Coordinating, and Reporting Needed to Enhance Program Effectives. One of the findings encouraged the two agencies “to determine the extent to which veterans’ employment outcomes result from program participation. . .”

As a result of the GAO recommendations, a Joint Work Group was directed to establish and standardize processes to ensure disabled veterans participating in the Chapter 31 program achieve the ultimate goal of successful career transition and suitable employment after the provision of Labor Market Information and employment services from the Jobs for Veterans State Grant recipients. The Joint Work Group refined processes and strengthened the team approach to serving these disabled veterans.

The Vocational Rehabilitation & Employment (Chapter 31) Tracking Report (VETS 201) is designed to respond to the GAO finding by compiling information on disabled veterans jointly served by the VA, VETS and Jobs for Veterans State Grant recipients. All partners agree to share information exclusively to facilitate job development and placement services for participating veterans. The information is collected only with documented consent from veterans in accordance with the Privacy Act of 1974 and other applicable regulations and each agency will provide practical and appropriate safeguards to protect Personally Identifiable Information in accordance with applicable regulations and laws, including the Americans with Disabilities Act of 1990, the Rehabilitation Act of 1973 and reauthorizations, and title VII of the Civil Rights Act of 1964.

The information is collected by the Jobs for Veterans State grant recipient and submitted to the state Director for Veterans’ Employment and Training (DVET) once per Federal fiscal quarter. The results are shared between VETS and VA VR&E.

Estimated Annual Burden: VETS 201: 456 Hours.

Estimated Average Burden Per Respondent: VETS 201 (Proposed): 2 Hours, Range 1–3 Hours.

Frequency of Response: Quarterly.
Estimated Number of Respondents: VETS 201: 57.

Total Annualized Capital/startup costs: \$0.

Total Initial Annual Costs: \$0.

Comments submitted in response to this notice will be summarized and included in the agency’s request for OMB approval of the information collection request. Comments will become a matter of public record.

Dated in Washington, DC, this 23rd day of February 2015.

Ralph Charlip,

Deputy Assistant Secretary.
