Forest Service

Title: Good Neighbor Agreements with State Cooperators.

OMB Control Number: 0596—NEW.

Summary of Collection: The Forest Service (FS) is authorized under the Agricultural Act of 2014, Public Law 113-79 section 8206 and the amendment to the original Colorado version of the Good Neighbor Authority in the Omnibus Appropriations Act of 2014, Public Law 113-76 section 417 to perform specific activities in cooperation with State partners. These authorities encourage the FS to enter into Good Neighbor Agreements with the States, the Commonwealth of Puerto Rico, and State Forestry Agencies to carry out authorized forest, rangeland, and watershed restoration and protective services when similar and complementary projects are being performed on adjacent State or private lands, and on and off National Forest System (NFS) lands. <http://www.fs.fed.us/farmland/gna.shtml>. The FS will maintain its land management responsibilities for all projects that take place on NFS lands.

Need and Use of the Information: Good Neighbor Agreements are considered cooperative agreements which permit the FS to work collaboratively with willing State agencies. FS will use a combination of agreement templates and federal financial assistance forms. Required information will be collected in the agreements, project type, project scope, financial plan, statement of work,

standard supporting documentation for the activity, and cooperator's business information. Without the collected information the FS would not be able to create, develop, and administer the Good Neighbor Agreements. The Agency would be unable to develop or monitor projects, make payments, or identify financial and accounting errors.

Description of Respondents: States and Commonwealth of Puerto Rico.

Number of Respondents: 51.

Frequency of Responses: One time.

Total Burden Hours: 200.
