I. Abstract

This request is for extension of a currently approved information collection.

The Services take these efforts into account when making decisions on whether to list a species as threatened or endangered under the Endangered Species Act. The efforts usually involve the development of a conservation plan or agreement, procedures for monitoring the effectiveness of the plan or agreement, and an annual report.

II. Method of Collection

NMFS does not require, but will accept, plans and reports electronically. NMFS has not developed a form to be used for submission of plans or reports. In the past, NMFS has made plans and annual reports from states available through the Internet and plans to continue this practice.

The review covers 211 producers and/or exporters of the subject merchandise. The Department selected two mandatory respondents for individual examination, Devi Fisheries Limited (Devi Fisheries)¹ and Falcon Marine Exports Limited and its affiliate K.R. Enterprises (collectively, Falcon). The period of review (POR) is February 1, 2013, through January 31, 2014. We preliminarily determine that sales to the United States have been made below normal value and, therefore, are subject

Preliminary Results of the Review

As a result of this review, we preliminarily determine that weighted-average dumping margins exist for the respondents for the period February 1, 2013, through January 31, 2014, as follows:

The Final Rule changing the references in the Department's regulations can be found at 79 FR 69046 (November 20, 2014).

⁴ In the *Initiation Notice*, Satya Seafoods Private Limited (Satya) and Usha Seafoods (Usha) were inadvertently listed both as part of Devi Fisheries Limited and as separate companies. The Department collapsed Devi Fisheries, Satya, and Usha during the 2011–2012 administrative review. See *Certain Frozen Warmwater Shrimp from India*;

Preliminary Results of Antidumping Duty Administrative Review; 2011–2012, 78 FR 15691 (March 12, 2013), unchanged in *Certain Frozen Warmwater Shrimp from India: Final Results of Antidumping Duty Administrative Review and Final No Shipment Determination; 2011–2012*, 78 FR 42492 (July 16, 2013). See also *Certain Frozen Warmwater Shrimp from India and Thailand: Notice of Initiation of Antidumping Duty Administrative Reviews*, 79 FR 18510 (April 2, 2014) (*Initiation Notice*). We hereby clarify that we are reviewing these companies as part of the Devi Fisheries Group, and we hereinafter refer to the Devi Fisheries Group as Devi Fisheries.

⁵ This rate is based on the simple average of the margins calculated for those companies selected for individual review. Because we cannot apply our

normal methodology of calculating a weighted-average margin due to requests to protect business proprietary information, we find this rate to be the best proxy of the actual weighted-average margin determined for the mandatory respondents. See *Ball Bearings and Parts Thereof From France, et al.: Final Results of Antidumping Duty Administrative Reviews, Final Results of Changed-Circumstances Review, and Revocation of an Order in Part*, 75 FR 53661, 53663 (September 1, 2010); see also the memorandum from Blaine Wiltse, Senior International Trade Compliance Analyst, to the file, entitled, "Calculation of the Review-Specific Average Rate in the 2013–2014 Administrative Review of Certain Frozen Warmwater Shrimp from India" (dated concurrently with these results).

Disclosure and Public Comment

The Department intends to disclose to interested parties the calculations performed in connection with these preliminary results within five days of the date of publication of this notice.⁹ Pursuant to 19 CFR 351.309(c), interested parties may submit case briefs not later than 30 days after the date of publication of this notice. Rebuttal

⁶ On December 2, 2014, Premier Marine Products Private Limited was found to be the successor-in-interest to Premier Marine Products. See *Notice of Final Results of Antidumping Duty Changed Circumstances Review: Certain Frozen Warmwater Shrimp from India*, 79 FR 71384 (December 2, 2014).

⁷ Shrimp produced and exported by Devi Sea Foods (Devi) was excluded from this order effective February 1, 2009. See *Certain Frozen Warmwater Shrimp From India: Final Results of Antidumping Duty Administrative Review, Partial Rescission of Review, and Notice of Revocation of Order in Part*, 75 FR 41813, 41814 (July 19, 2010). However, shrimp produced by other Indian producers and exported by Devi remain subject to the order. Thus, this administrative review with respect to Devi covers only shrimp which was produced in India by other companies and exported by Devi.

⁸ In the *Initiation Notice*, we inadvertently omitted one company, Munnangi Sea Foods (Pvt) Ltd., for which a timely review request was received with respect to the current review. Accordingly, as a correction to the *Initiation Notice*, this company was included in the *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part*, 79 FR 24398 (April 30, 2014).

Issues raised in the hearing will be limited to those raised in the respective case briefs. The Department will issue the

final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

Assessment Rates

Upon completion of the administrative review, the Department shall determine, and CBP shall assess, antidumping duties on all appropriate entries, in accordance with 19 CFR 351.212(b)(1).

Pursuant to 19 CFR 351.212(b)(1), because Devi Fisheries and Falcon reported the entered value for all of their U.S. sales, we have calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the sales for which entered value was reported. To determine whether the duty assessment rates are *de minimis*, in accordance with the requirement set forth in 19 CFR 351.106(c)(2), we have calculated importer-specific *ad valorem* ratios based on the entered value.

For the companies which were not selected for individual review, we will calculate an assessment rate based on

the average¹⁴ of the cash deposit rates calculated for the companies selected for mandatory review (*i.e.*, Devi Fisheries and Falcon) excluding any which are *de minimis* or determined entirely on adverse facts available.

The Department clarified its "automatic assessment" regulation on May 6, 2003. This clarification will apply to entries of subject merchandise during the POR produced by Devi Fisheries or Falcon for which these companies did not know that the merchandise was destined for the United States. In such instances, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. For a full discussion of this clarification, see *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously reviewed or investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, or the original less-than-fair-value (LTFV) investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 10.17 percent, the all-others rate made effective by the LTFV investigation.¹⁵ These deposit requirements, when

imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: March 2, 2015.

Paul Piquado,

Assistant Secretary for Enforcement and Compliance.
