- Does not have Federalism implications as specified in Executive Order 13132 (64 FR 43255, August 10, 1999);
 - Is not an economically significant regulatory action based on health or safety risks subject to Executive Order 13045 (62 FR 19885, April 23, 1997);
 - Is not a significant regulatory action subject to Executive Order 13211 (66 FR 28355, May 22, 2001);
 - Is not subject to requirements of Section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 272 note) because application of those requirements would be inconsistent with the Clean Air Act; and
 - Does not provide EPA with the discretionary authority to address, as appropriate, disproportionate human health or environmental effects, using practicable and legally permissible methods, under Executive Order 12898 (59 FR 7629, February 16, 1994).
- In addition, the SIP is not approved to apply on any Indian reservation land or in any other area where EPA or an Indian tribe has demonstrated that a tribe has jurisdiction. In those areas of Indian country, the rule does not have tribal implications and will not impose substantial direct costs on tribal governments or preempt tribal law as specified by Executive Order 13175 (65 FR 67249, November 9, 2000).

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement

Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this action and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. A major rule cannot take effect until 60 days after it is published in the **Federal Register**. This action is not a “major rule” as defined by 5 U.S.C. 804(2).

Under section 307(b)(1) of the Clean Air Act, petitions for judicial review of this action must be filed in the United States Court of Appeals for the appropriate circuit by May 11, 2015. Filing a petition for reconsideration by the Administrator of this final rule does not affect the finality of this action for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. Parties with objections to this direct final rule are encouraged to file a comment in response to the parallel notice of proposed rulemaking for this action published in the proposed rules section of today’s **Federal Register**, rather than file an immediate petition for judicial review of this direct final rule, so that EPA can withdraw this direct final rule and address the comment in the proposed rulemaking. This action may

not be challenged later in proceedings to enforce its requirements. (See section 307(b)(2).)

DEPARTMENT OF VETERANS AFFAIRS

48 CFR Part 819

RIN 2900-AM92

Department of Veterans Affairs Acquisition Regulation: Service-Disabled Veteran-Owned and Veteran-Owned Small Business Status Protests

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This document adopts as a final rule, without change, the interim final rule published in the **Federal Register** on September 30, 2013. This document implements a portion of the Veterans Benefits, Health Care, and Information Technology Act of 2006, which requires the Department of Veterans Affairs (VA) to verify ownership and control of Veteran-owned small businesses (VOSBs), including service-disabled Veteran-owned small businesses (SDVOSBs), in order for these firms to participate in

VA acquisitions set asides for SDVOSB/VOSBs. Specifically, VA amends its adjudication procedures for SDVOSB and VOSB status protests, to provide that VA's Director, Center for Verification and Evaluation (CVE), shall initially adjudicate SDVOSB and VOSB status protests, and to provide that protested businesses, if they are denied status, may appeal to VA's Executive Director, Office of Small and Disadvantaged Business Utilization (OSDBU). SDVOSB/VOSB status protests occur when during a particular SDVOSB/VOSB set aside acquisition, a competing vendor in acquisition challenges the status of the putative awardee as an actual SDVOSB or VOSB, as applicable. Additionally, VA amends the title of CVE from the Center for Veterans Enterprise to the Center for Verification and Evaluation, to more appropriately represent the function of this office.

DATES: *Effective Date:* This final rule is effective March 10, 2015.

FOR FURTHER INFORMATION CONTACT: Cheryl Duckett-Moody, Senior Procurement Analysis (003A2A), Department of Veterans Affairs, 425 I ST. NW., Washington, DC 20001, (202) 632-5319. (This is not a toll free number.)

SUPPLEMENTARY INFORMATION: On September 30, 2013, VA published in the **Federal Register** (78 FR 59861) an interim final rule that revised the interim adjudication procedures for SDVOSB and VOSB status protests to provide that VA's Director of CVE shall initially adjudicate SDVOSB and VOSB status protests and to provide that either the protesting party or the protested business may appeal the Director of CVE's decision to the Executive Director of OSDBU. In addition, the interim final rule described procedures used by both VA's Director of CVE and the Executive Director of OSDBU to use in status protest and appeals of status protests. As noted in the preamble to the interim final rule, VA has concluded that it will not utilize the U.S. Small Business Administration (SBA) to consider and decide VA SDVOSB and VOSB status protests on behalf of VA because this program is founded in Title 38 of the U.S. Code, solely applicable to VA acquisitions, and VA has developed appropriate internal expertise in adjudicating SDVOSB/VOSB status protests.

We provided a 60-day comment period that ended on November 29, 2013. We received one comment. The commenter discussed the SBA's view expressed in the Government Accountability Office (GAO) bid protest

case *Latvian Connection LLC*, (GAO Case Number B-408633) that under 15 U.S.C. 644(j)(1) and 13 CFR 125.2(f)(1) there is an automatic small business set-aside requirement imposed even where the competition takes place outside of the United States. This comment addressed an issue that is beyond the scope of the request for comments. Therefore, we make no changes based on this comment. Based on the rationale set forth in the interim final rule, we adopt the interim final rule as a final rule without change.

Administrative Procedure Act

This document affirms the amendments in the interim final rule that is already in effect. In accordance with 5 U.S.C. 553(b)(B) and (d)(3), the Secretary of VA concluded that there was good cause to dispense with advance public notice and the opportunity to comment on this rule, and also good cause to publish this rule with an immediate effective date. VA provided that the Executive Director, OSDBU, shall consider and decide SDVOSB and VOSB status protests until VA and SBA executed an interagency agreement for SBA to consider and decide SDVOSB and VOSB status protests. For the reasons stated in 78 FR 59861, that VA has developed the necessary expertise to administer a SDVOSB/VOSB set aside program, including associated status protests, enacted in statute solely applicable to VA, we have determined that adjudication of SDVOSB and VOSB status protests shall remain within VA. Therefore, we are adopting as final the interim provision to provide that the Director, CVE, shall initially adjudicate SDVOSB and VOSB status protests and to provide that either the protester or the protested business may appeal the Director, CVE, decision to the Executive Director, OSDBU. Thus, the final rule continues to authorize an administrative appeal at the agency level, where the lack thereof had been criticized in *Miles Construction, LLC v. United States*, 108 Fed. Cl. 792 (2013), as not providing a party adequate due process and the opportunity to be heard at a meaningful time in a meaningful manner.

Regulatory Flexibility Act

The Secretary hereby certifies that this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. The final arbiter of VA SDVOSB and VOSB status protests remains the Executive Director, OSDBU, as previously promulgated. The main change is that the Secretary has

determined that SBA should not be involved in VA SDVOSB or VOSB status protests because these status protests are solely associated with title 38 SDVOSB and VOSB set-aside acquisitions where SDVOSB or VOSB status is to be determined by the Secretary pursuant to 38 U.S.C. 8127(f). On this basis, the Secretary certifies that the adoption of this final rule will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. Therefore, under 5 U.S.C. 605(b), this rulemaking is exempt from the initial and final regulatory flexibility analysis requirements of sections 603 and 604.

Unfunded Mandates

The Unfunded Mandates Reform Act of 1995, at 2 U.S.C. 1532, requires that agencies prepare an assessment of anticipated costs and benefits before issuing any rule that may result in an expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more (adjusted annually for inflation) in any one year. This final rule will have no such effect on State, local, and tribal governments, or on the private sector.

Paperwork Reduction Act

This final rule contains no collections of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3521).

Executive Orders 12866 and 13563

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, when regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, and other advantages; distributive impacts; and equity). Executive Order 13563 (Improving Regulation and Regulatory Review) emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. Executive Order 12866 (Regulatory Planning and Review) defines a "significant regulatory action" requiring review by the Office of Management and Budget (OMB), unless OMB waives such review, as "any regulatory action that is likely to result in a rule that may: (1) Have an annual effect on the economy of \$100 million or more or adversely affect in a material way the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local,

or tribal governments or communities; (2) Create a serious inconsistency or otherwise interfere with an action taken or planned by another agency; (3) Materially alter the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or (4) Raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in this Executive Order."

The economic, interagency, budgetary, legal, and policy implications of this regulatory action have been examined, and it has been determined not to be a significant regulatory action under Executive Order 12866. VA's impact analysis can be found as a supporting document at <http://www.regulations.gov>, usually within 48 hours after the rulemaking document is published. Additionally, a copy of the rulemaking and its impact analysis are available on VA's Web site at <http://www.va.gov/orpm/>, by following the link for VA Regulations Published from FY 2004 to FYTD.

RIN 1018-BA73

Endangered and Threatened Wildlife and Plants; Taxonomy of the Hawaiian Monk Seal

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Final rule.

SUMMARY: We, the U.S. Fish and Wildlife Service (Service), are amending the List of Endangered and Threatened Wildlife to reflect the scientifically accepted taxonomy and nomenclature of the Hawaiian monk seal (*Neomonachus schauinslandi* (= *Monachus schauinslandi*)). This amendment is based on a previously published determination by the National Marine Fisheries Service (NMFS) of the National Oceanic and Atmospheric Administration, Department of Commerce, which has jurisdiction for this species.

DATES: This rule is effective March 10, 2015.

FOR FURTHER INFORMATION CONTACT: Jean Higgins, NMFS, Pacific Islands Regional Office, (808) 725-5151; or Marta Nammack, NMFS, Office of Protected Resources, (301) 427-8469.

SUPPLEMENTARY INFORMATION: In accordance with the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*), and Reorganization Plan No. 4 of 1970 (35 FR 15627; October 6, 1970), NMFS has jurisdiction over the Hawaiian monk seal.

On November 17, 2014, NMFS published a direct final rule (79 FR 68371) to announce the revised taxonomy of the Hawaiian monk seal. Because NMFS did not receive any adverse comments during the first 30 days of the direct final rule's comment period, that direct final rule's effective date is January 16, 2015. Please refer to that rule for information on the taxonomy of the Hawaiian monk seal.

While NMFS has jurisdiction over the Hawaiian monk seal, we are responsible for updating the List of Endangered and Threatened Wildlife (List) in title 50 of the Code of Federal Regulations (CFR) at 50 CFR 17.11(h). This final rule is an administrative action to adopt the change already published by NMFS. This action ensures that the List shows the Hawaiian monk seal's most recently accepted scientific name in accordance with 50 CFR 17.11(b).

Administrative Procedure Act

Because NMFS provided a public comment period on the direct final rule to update the taxonomy and nomenclature of the Hawaiian monk seal, and because this action of the Service to amend the List in accordance with the determination by NMFS is nondiscretionary, the Service finds good cause that the notice and public comment procedures of 5 U.S.C. 553(b) are unnecessary for this action. We also find good cause under 5 U.S.C. 553(d)(3) to make this rule effective immediately. This rule is an administrative action to reflect the scientifically accepted taxonomy and nomenclature of the Hawaiian monk seal in the List of Endangered and Threatened Wildlife at 50 CFR 17.11(h). The public would not be served by delaying the effective date of this rulemaking action.

List of Subjects in 50 CFR Part 17

Regulation Promulgation

Accordingly, we amend part 17, subchapter B of chapter I, title 50 of the Code of Federal Regulations, as set forth below:

PART 17—[AMENDED]

■ 1. The authority citation for part 17 continues to read as follows:

■ 2. Amend § 17.11(h) by revising the entry for "Seal, Hawaiian monk" under MAMMALS in the List of Endangered and Threatened Wildlife to read as follows:
