

notify the contact person and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation on or before April 27, 2015. Time allotted for each presentation may be limited. If the number of registrants requesting to speak is greater than can be reasonably accommodated during the scheduled open public hearing session, FDA may conduct a lottery to determine the speakers for the scheduled open public hearing session. The contact person will notify interested persons regarding their request to speak by April 28, 2015.

Persons attending FDA’s advisory committee meetings are advised that the Agency is not responsible for providing access to electrical outlets.

FDA welcomes the attendance of the public at its advisory committee meetings and will make every effort to accommodate persons with physical disabilities or special needs. If you require special accommodations due to a disability, please contact Sujata Vijh (see *Contact Person*) at least 7 days in advance of the meeting.

FDA is committed to the orderly conduct of its advisory committee meetings. Please visit our Web site at <http://www.fda.gov/AdvisoryCommittees/AboutAdvisoryCommittees/ucm111462.htm> for procedures on public conduct during advisory committee meetings.

Notice of this meeting is given under the Federal Advisory Committee Act (5 U.S.C. app. 2).

Dated: March 13, 2015.

Leslie Kux,

Associate Commissioner for Policy.

BILLING CODE 4164-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more information on the proposed project or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Comments are invited on: (a) Whether the proposed collection of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project Behavioral Health Information Technologies Survey—NEW

The Substance Abuse and Mental Health Services Administration (SAMHSA) Center for Substance Abuse Treatment (CSAT) and Center for Behavioral Health Statistics and Quality (CBHSQ) are proposing a survey to assess health information technology (HIT) adoption among SAMHSA grantees. As part of its Strategic Initiative to advance the use of health information technologies to support integrated behavioral health care, SAMHSA has been working to develop a survey instrument that will examine

the status of and plans for HIT adoption by behavioral health service providers who are implementing SAMHSA grant programs. The selected programs are funded by the by the Center for Mental Health Services (CMHS), the Center for Substance Abuse Prevention (CSAP), and (CSAT).

This project seeks to acquire baseline data necessary to inform the Agency’s strategic initiative that focuses on fostering the adoption of HIT in community behavioral health services. The survey of SAMHSA grantees regarding their access to and use of health information technology will provide valuable information that will inform the behavioral HIT literature.

Approval of this data collection by the Office of Management and Budget (OMB) will allow SAMHSA to identify the current status of HIT adoption and use among a diverse group of grantees. Data from the survey will allow SAMHSA to enhance the HIT-related programmatic activities among its grantees by providing data on how HIT facilitates the implementation of different types of SAMHSA grants, thereby fostering the appropriate adoption of HIT within SAMSHA-funded programs.

The survey will collect data once, providing a snapshot view of the current state of HIT adoption. The proposed participant pool is comprised of SAMHSA grantee program leadership who are willing to provide the assistance needed to ensure a high rate of response. Awardees from nine different SAMHSA programs drawn from CMHS, CSAT, and CSAP comprise the pool of survey participants.

The survey mode for data collection will be web-based with embedded skip logic for respondents to avoid questions that are not applicable to them. The minimum amount of time for a respondent to complete the survey is 20 minutes, with respondents who do not skip items taking a maximum of 30 minutes for completion. The total estimated respondent burden is 149.6 hours.

The following table summarizes the estimated response burden.

Type of grantee or respondent	Number of respondents	Number of responses annually per respondent	Total responses	Average hours per response	Total burden hours
Screening, Brief Intervention, and Referral to Treatment (SBIRT)	18	1	18	.4	7.2
Targeted Capacity Expansion-Targeted Assisted Care	17	1	17	.4	6.8
Offender Re-entry Program	13	1	13	.4	5.2
Primary Behavioral Health Care Integration (PBHCI)	89	1	89	.4	35.6
National Child Traumatic Stress Initiative (NCTSI)	56	1	56	.4	22.4
Suicide Lifeline Crisis Center Follow-up	12	1	12	.4	4.8

Type of grantee or respondent	Number of respondents	Number of responses annually per respondent	Total responses	Average hours per response	Total burden hours
Garret Lee Smith Youth Suicide Prevention Program	56	1	56	.4	22.4
Minority AIDS Initiative	113	1	113	.4	45.2
Total	374	374	149.6

Send comments to Summer King, SAMHSA Reports Clearance Officer, Room 2–1057, One Choke Cherry Road, Rockville, MD 20857 or email her a copy at summer.king@samhsa.hhs.gov. Written comments should be received by May 18, 2015.

Summer King,
Statistician.

BILLING CODE 4162–20–P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Disease Control and Prevention

[60Day–15–0222; Docket No. CDC–2015–0007]

Proposed Data Collection Submitted for Public Comment and Recommendations

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice with comment period.

SUMMARY: The Centers for Disease Control and Prevention (CDC), as part of its continuing efforts to reduce public burden and maximize the utility of government information, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995. This notice invites comment on the Questionnaire Design Research Laboratory (QDRL) generic clearance request, which encompasses general questionnaire development and pre-testing activities to be carried out in 2014–2017.

DATES: Written comments must be received on or before May 18, 2015.

ADDRESSES: You may submit comments, identified by Docket No. CDC–2015–0007 by any of the following methods:

- **Federal eRulemaking Portal:** [Regulation.gov](http://www.regulation.gov). Follow the instructions for submitting comments.
- **Mail:** Leroy A. Richardson, Information Collection Review Office, Centers for Disease Control and

Prevention, 1600 Clifton Road NE., MS–D74, Atlanta, Georgia 30329.

Instructions: All submissions received must include the agency name and Docket Number. All relevant comments received will be posted without change to [Regulations.gov](http://www.Regulations.gov), including any personal information provided. For access to the docket to read background documents or comments received, go to [Regulations.gov](http://www.Regulations.gov).

Please note: All public comment should be submitted through the Federal eRulemaking portal ([Regulations.gov](http://www.Regulations.gov)) or by U.S. mail to the address listed above.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the information collection plan and instruments, contact the Information Collection Review Office, Centers for Disease Control and Prevention, 1600 Clifton Road NE., MS–D74, Atlanta, Georgia 30329; phone: 404–639–7570; Email: omb@cdc.gov.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3501–3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. In addition, the PRA also requires Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each new proposed collection, each proposed extension of existing collection of information, and each reinstatement of previously approved information collection before submitting the collection to OMB for approval. To comply with this requirement, we are publishing this notice of a proposed data collection as described below.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the

use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information.

Proposed Project

Questionnaire Design Research Laboratory (QDRL) (OMB No. 0920–0222, expires 6/30/2015)—Revision—National Center for Health Statistics (NCHS), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

Section 306 of the Public Health Service (PHS) Act (42 U.S.C. 242k), as amended, authorizes that the Secretary of Health and Human Services (DHHS), acting through NCHS, shall undertake and support (by grant or contract) research, demonstrations, and evaluations respecting new or improved methods for obtaining current data to support statistical and epidemiological activities for the purpose of improving the effectiveness, efficiency, and quality of health services in the United States.

The Questionnaire Design Research Laboratory (QDRL) is the focal point within NCHS for questionnaire development, pre-testing, and evaluation activities for CDC surveys (such as the NCHS National Health Interview Survey, OMB No. 0920–0214) and other federally sponsored surveys; however, question development and evaluation activities are conducted throughout NCHS. NCHS is requesting 3
