SUPPLEMENTARY INFORMATION: On March 6, 2015, the Coast Guard published two notices of Federal Advisory Committee Act meetings in the *Federal Register*. 80 FR 12187. These notices announced the meeting dates and information for the Merchant Marine Personnel Advisory Committee and Merchant Mariner Medical Advisory Committee, respectively. This update to those notices does not change any meeting dates or information provided in the original notices, which can be found at 80 FR 12187.

General Services Administration rules, Title 41, Code of Federal Regulations, § 102-365(b) requires meeting notices to be published at least 15 calendar days prior to an advisory committee meeting. In exceptional circumstances, the agency may provide notice in less than 15 calendar days but the agency must provide a reason as to why the notice is being published in less than 15 calendar days. This notice serves to provide the reasoning required by regulation as to why the Merchant Marine Personnel Advisory Committee and Merchant Mariner Medical Advisory Committee meeting notices were published in less than 15 calendar days prior to their respective meetings.

In the weeks leading up to the meetings, the Department of Homeland Security dedicated many of its resources to potential lapse in appropriation issues. Because of the redirection of resources to support the potential shutdown, the publication of the meeting notices for the Merchant Marine Personnel Advisory Committee and Merchant Mariner Medical Advisory Committee were delayed.

Dated: March 13, 2015.

J.C. Burton,

Captain, U.S. Coast Guard, Director of Inspections and Compliance.
