Complementary Positioning, Navigation, and Timing Capability; Notice; Request for Public Comments

AGENCY: Office of the Assistant Secretary for Research and Technology, Department of Transportation.

ACTION: Notice; request for public comments.

SUMMARY: The purpose of this notice is to seek comment from the public and industry regarding potential plans by the United States Government to implement an enhanced Long Range Navigation (eLoran) system as a complementary positioning, navigation, and timing (PNT) capability to the Global Positioning System (GPS). The positioning, navigation, and timing performance of eLoran will vary widely depending on the number of transmitters and monitor sites for corrections that are implemented.

The Department of Transportation seeks input on: (a) A brief description of your application(s) of positioning, navigation, and timing services; (b) the positioning, navigation, and/or timing performance required for a complementary PNT capability to
