

§ 999.500 Safeguard procedures for walnuts, dates, pistachios, and raisins exempt from grade, size, quality, and maturity requirements.

(a) Each person who imports or receives any of the commodities listed in paragraphs (a)(1) through (4) of this section shall file (electronically or paper) an “Importer’s Exempt Commodity Form” (FV–6) with the Marketing Order and Agreement Division, Fruit and Vegetable Program, AMS, USDA. A “person who imports” may include a customs broker, acting as an importer’s representative (hereinafter referred to as “importer”). A copy of the form (electronic or paper) shall be provided to the U.S. Customs and Border Protection. If a paper form is used, a copy of the form shall accompany the lot to the exempt outlet specified on the form. Any lot of any commodity offered for inspection or aflatoxin testing and, all or a portion thereof, subsequently imported as exempt under this provision shall also be reported on an FV–6. Such form (electronic or paper) shall be provided to the Marketing Order and Agreement Division in accordance with paragraph (d) of this section. The applicable commodities are:

(1) Dates which are donated to needy persons, prisoners or Native Americans on reservations; dates for processing; dates prepared or preserved; or dates for packaging or dates in retail packages that fail to meet grade, size, quality, and maturity requirements and are reclassified as dates for processing;

(2) Walnuts which are: Green walnuts (so immature that they cannot be used for drying and sale as dried walnuts); walnuts used in non-competitive outlets such as use by charitable institutions, relief agencies, governmental agencies for school lunch programs, and diversion to animal feed or oil manufacture;

(3) Substandard pistachios which are for non-human consumption purposes; or

(4) Raisins which do not meet grade and size requirements and are used in the production of alcohol, or syrup for industrial use, or which do not meet grade requirements with respect to mechanical damage or sugaring and are used in the production of raisin paste.

(b) *Certification of exempt use.* (1) Each importer of an exempt commodity as specified in paragraph (a) of this section shall certify on the FV–6 form (electronic or paper) as to the intended exempt outlet (*e.g.*, processing, charity, livestock feed). If certification is made using a paper FV–6 form, the importer shall provide a handwritten signature on the form.

(2) Each receiver of an exempt commodity as specified in paragraph (a) of this section shall also receive a copy of the associated FV–6 form (electronic or paper) filed by the importer. Within two days of receipt of the exempt lot, the receiver shall certify on the form (electronic or paper) that such lot has been received and will be utilized in the exempt outlet as certified by the importer. If certification is made using a paper FV–6 form, the receiver shall provide a handwritten signature on the form.

(c) It is the responsibility of the importer to notify the Marketing Order and Agreement Division of any lot of exempt commodity rejected by a receiver, shipped to an alternative exempt receiver, exported, or otherwise disposed of. In such cases, a second FV–6 form must be filed by the importer, providing sufficient information to determine ultimate disposition of the exempt lot, and such disposition shall be so certified by the final receiver.

(d) All FV–6 forms and other correspondence regarding entry of exempt commodities must be submitted electronically, by mail, or by fax to the Marketing Order and Agreement Division, Fruit and Vegetable Program, AMS, USDA, 1400 Independence Avenue SW, STOP 0237, Washington, DC 20250–0237; telephone (202) 720–2491; email ComplianceInfo@ams.usda.gov; or fax (202) 720–5698.

FARM CREDIT ADMINISTRATION

12 CFR Part 600

RIN 3052-AD05

Organization and Functions; Field Office Locations

AGENCY: Farm Credit Administration.

ACTION: Final rule.

SUMMARY: The Farm Credit Administration (FCA, we, our or Agency) issues a final rule amending our regulation in order to change the addresses for two field offices as a result of recent office relocations.

DATES: The regulation shall become effective upon the expiration of 30 days after publication in the **Federal Register** during which either or both Houses of Congress are in session. We will publish notice of the effective date in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Michael T. Wilson, Policy Analyst, Office of Regulatory Policy, Farm Credit Administration, McLean, VA 22102-5090, (703) 883-4124, TTY (703) 883-4056,

Or

Jane Virga, Senior Counsel, Office of General Counsel, Farm Credit Administration, McLean, VA 22102-5090, (703) 883-4071, TTY (703) 883-4056.

SUPPLEMENTARY INFORMATION:

I. Objective

The objective of this final rule is to reflect the change of address for two FCA field office locations. The Freedom of Information Act, 5 U.S.C. 552, requires, in part, that each Federal agency publish in the *Federal Register* for the guidance of the public a description and the location of its central and field organizations. As two of FCA's field offices recently changed locations, this final rule amends our regulation to include the new addresses, in accordance with the Freedom of Information Act.

II. Certain Finding

We have determined that the amendment involves Agency management and personnel. Therefore, this amendment does not constitute a

rulemaking under the Administrative Procedure Act (APA), 5 U.S.C. 551, 553(a)(2). Under this statute of the APA, the public may participate in the promulgation of rules that have a substantial impact on the public. This amendment to our regulation relates to Agency management and personnel only and has no direct impact on the public and, therefore, does not require public participation.

Even if this amendment was a rulemaking under 5 U.S.C. 551, 553(a)(2) of the APA, we have determined that notice and public comment are unnecessary and contrary to the public interest. Under 5 U.S.C. 553(b)(A) and (B) of the APA, an agency may publish regulations in final form when they involve matters of agency organization or where the agency for good cause finds that notice and public comment are impracticable, unnecessary, or contrary to the public interest. As discussed above, this amendment results from recent address changes due to the relocation of two field offices. Because the amendments will provide accurate and current information on field office addresses to the public, it would be contrary to the public interest to delay amending the regulation.

III. Regulatory Flexibility Act

Pursuant to section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the FCA hereby certifies that the final rule will not have a significant economic impact on a substantial number of small entities. Each of the banks in the Farm Credit System (System), considered together with its affiliated associations, has assets and annual income in excess of the amounts that would qualify them as small entities. Therefore, System institutions are not "small entities" as defined in the Regulatory Flexibility Act.
