The FHWA recognizes that others interested in commenting may have similar concerns and agrees that the comment period should be extended. To allow time for this organization and others to submit comprehensive comments, the closing date is changed from April 21, 2015, to May 29, 2015.

2. On the same page, in the third column, in the thirty-eighth line, at the end of the final line of the paragraph, add, "Further, HUD seeks comment on whether alternative thresholds (*e.g.*, a threshold that applies Section 3 to all construction related projects if a grantee receives a certain amount of HUD funding, or a threshold that would only apply Section 3 to projects or activities that are receiving some minimum amount of housing and community

development financial assistance) are more appropriate."

3. On the same page, in the first table, in the first column, in rows 1, 3 and 5, the word "agencies" should read "recipients."
