

Request for Information

To ensure that a 5-year review is complete and based on the best available scientific and commercial information, we request new information from all sources. See What Information Do We Consider in Our Review? for specific criteria. If you submit information, please support it with documentation such as maps, bibliographic references, methods used to gather and analyze the data, and/or copies of any pertinent publications, reports, or letters by knowledgeable sources.

How do I ask questions or provide information?

If you wish to provide information for any species listed above, please submit your comments and materials to the appropriate contact in the table above. You may also direct questions to those contacts. Individuals who are hearing impaired or speech impaired may call the Federal Relay Service at 800-877-8339 for TTY assistance.

Public Availability of Comments

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Comments and materials received will be available for public inspection, by appointment, during normal business hours at the offices where the comments are submitted.

Completed and Active Reviews

A list of all completed and currently active 5-year reviews addressing species for which the Southwest Region of the Service has lead responsibility is available at http://www.fws.gov/southwest/es/ElectronicLibrary_Main.cfm (under “Select a Document Category,” select “5-Year Review”).

Authority

This document is published under the authority of the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*).

Dated: March 19, 2015.

Joy E. Nicholopoulos,

Regional Director, Southwest Region, U.S. Fish and Wildlife Service.

Announcement of USGS National Geospatial Program (NGP) 3D Elevation Program (3DEP) FY15 Public Meetings in Preparation for the Upcoming Release of the USGS Broad Agency Announcement for 3D Elevation

ACTION: Notice of Meeting(s).

SUMMARY: The 3D Elevation Program (3DEP) initiative is being developed to respond to needs for high-quality topographic data and for a wide range of other three-dimensional representations of the Nation’s natural and constructed features. The primary goal of 3DEP is to systematically collect enhanced elevation data in the form of high-quality light detection and ranging (lidar) data over the conterminous United States, Hawaii, and the U.S. territories, as well as interferometric synthetic aperture radar (ifsar) data over Alaska. The 3DEP initiative is based on the results of the National Enhanced Elevation Assessment (NEEA), which indicated an optimal benefit to cost ratio for Quality Level 2 (QL2) data collected over 8-years to complete national coverage. The implementation model for 3DEP is based on multi-agency partnership funding for acquisition, with the USGS acting in a lead program management role to facilitate planning and acquisition for the broader community, through the use of government contracts and partnership agreements. The annual Broad Agency Announcement (BAA) is a competitive solicitation issued to facilitate the collection of lidar and derived elevation data for the 3D Elevation Program (3DEP). Federal agencies, state and local governments, tribes, academic institutions and the private sector are eligible to submit proposals. The 3DEP public meetings will introduce this opportunity to the broadest stakeholder community possible and provide a forum for interested parties to discuss elevation data collection needs of mutual interest that could be addressed by a coordinated investment.

Advanced Registration is required for meeting attendance. National Webinars will be recorded and made available for viewing.

DATES: USGS Broad Agency Announcement (BAA) for 3D Elevation Program (3DEP) FY15 National Webinars—Notice of Proposed Public Acquisition Opportunity: April 24th 12:00–1:00 ET, April 29th 2:00–3:00 ET. Virtual meeting information posted on

<https://www.geoplatform.gov/elevation/3DEP>.

3DEP Public Workshops in support of upcoming BAA: To be held throughout the US between May 4th and June 26th. Locations, Dates, Times and Registration Information posted on: <https://www.geoplatform.gov/elevation/3DEP>. Registration available beginning May 1st.

USGS Broad Agency Announcement for 3D Elevation Program FY15 National Webinars—Instructions for proposal submissions: July 23rd 12:00–1:00 ET, July 28th 2:00–3:00 ET. Virtual meeting information posted on <https://www.geoplatform.gov/elevation/3DEP>.

FOR FURTHER INFORMATION CONTACT: 3D Elevation Program, gs_baa@usgs.gov.

SUPPLEMENTARY INFORMATION: The BAA is issued under the provisions of FAR Part 35. Proposals selected for eventual award are considered to be the result of full and open competition and in full compliance with the provision of Public Law 98–369, “The Competition in Contracting Act of 1984” and subsequent amendments. For additional information on the 3DEP program <http://nationalmap.gov/3DEP/index.html>.

Dated: April 10, 2014.

Julia Fields,

Deputy Director, National Geospatial Program.

Notice To Reopen the Public Comment Period and Notice of Additional Public Meetings for the Kachess Drought Relief Pumping Plant and Keechelus Reservoir-to-Kachess Reservoir Conveyance Draft Environmental Impact Statement, Kittitas and Yakima Counties, Washington

AGENCY: Bureau of Reclamation, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Reclamation is reopening the public comment period for the Kachess Drought Relief Pumping Plant and Keechelus Reservoir-to-Kachess Reservoir Conveyance Draft Environmental Impact Statement (EIS) for another 60 days to allow the public more time to comment. We are also announcing four additional public meetings to be held in May 2015.
