Title: FNS Generic Clearance for Pre-Testing, Pilot, and Field Testing Studies.

OMB Control Number: 0584-NEW.

Summary of Collection: The Food and Nutrition Service (FNS) is requesting approval from the Office of Management and Budget (OMB) to conduct pre-testing of surveys using a generic clearance that will allow FNS to conduct a variety of data-gathering activities aimed at improving the quality and usability of information collection instruments associated with research and analysis activities. The procedures utilized to this effect include but are not limited to experiments with levels of incentives for study participants, tests of various types of survey operations, focus groups, pilot testing, exploratory interviews, experiments with questionnaire design, and usability testing of electronic data collection instruments. The authorizing statutes for data collections submitted under this generic clearance are: The Healthy, Hunger-Free Kids Act of 2010 (Pub. L. 111-296, Sec 305), and Section 17 (7 U.S.C. 2026) (a)(1) of the Food and Nutrition Act of 2008.

Need and Use of the Information: The information collected will be used to pre-test, evaluate and improve the quality of surveys instruments and provide reassessments before they are conducted. This generic testing clearance is a helpful vehicle for evaluating questionnaires/assessments and various data collection procedures. It will allow FNS to take advantage of a variety of methods to identify questionnaire/assessment and procedural problems, suggest solutions, and measure the relative effectiveness of alternative solutions. The quality and timeliness of data collections will be improved by conducting pre-testing in advance of full surveys.
