SUPPLEMENTARY INFORMATION: On February 3, 2015, we published in the **Federal Register** (80 FR 5729-5731, Docket No. APHIS-2013-0047) a notice¹ to announce that the U.S. Department of Agriculture was holding a workshop on agricultural coexistence, the objective of which was to advance an understanding of agricultural coexistence and discuss how to make coexistence achievable for all stakeholders. The 2-day workshop, which was held on March 12-13, 2015, also provided an opportunity to learn from stakeholders representing a wide range of interests with respect to agricultural coexistence.

In that notice, we stated that public comments on issues and proposals discussed during the workshop would be accepted from March 13, 2015, through March 27, 2015. On March 30, 2015, we published another notice in the **Federal Register** (80 FR 16621) to extend the comment period on Docket No. APHIS-2013-0047 for an additional 14 days to April 10, 2015.

We are reopening the comment period on Docket No. APHIS-2013-0047 from the date of this notice through May 11, 2015. This action will allow interested persons additional time to prepare and submit comments. We will also consider all comments that were received between April 11, 2015, and the date of this notice.

Done in Washington, DC, this 22nd day of April 2015.
