

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.9Y, Airspace Designations and Reporting Points, dated August 6, 2014, effective September 15, 2014, is amended as follows:

Paragraph 5000 Class D Airspace.

* * * * *

ASO MD D Baltimore, MD [Amended]

Martin State Airport, MD

(Lat. 39°19'32" N., long. 76°24'50" W.)

Baltimore VORTAC

(Lat. 39°10'16" N., long. 76°39'41" W.)

That airspace extending upward from the surface to and including 2,500 feet MSL within a 5.2-mile radius of Martin State Airport and within 4.4 miles each side of a 14.7-mile radius arc of the Baltimore VORTAC extending clockwise from the Baltimore VORTAC 030° radial to the VORTAC 046° radial, excluding that airspace within the Washington Tri-Area Class B airspace area and Restricted Areas R-4001A and R-4001B when they are in effect, and Restricted Area R-4001C, which is continuously active up to 10,000 feet AGL. This Class D airspace area is effective during the specific dates and times established in advance by a Notice to Airmen. The effective date and time will thereafter be continuously published in the Airport/Facility Directory.

Issued in College Park, Georgia, on April 21, 2015.

Gerald E. Lynch,

Acting Manager, Operations Support Group, Eastern Service Center, Air Traffic Organization.

BILLING CODE 4910-13-P

DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration****14 CFR Part 71**

[Docket No. FAA-2015-0518; Airspace Docket No. 15-ANM-2]

Amendment of Class E Airspace; Livingston, MT

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule, technical amendment.

SUMMARY: This action amends the legal description of the Class E airspace area at Livingston, MT. The geographic coordinates of the airport are updated to coincide with the FAA's aeronautical database as well as correcting a longitudinal point of the airspace boundary. This does not affect the charted boundaries or operating requirements of the airspace.

DATES: Effective 0901 UTC, June 25, 2015. The Director of the Federal Register approves this incorporation by reference action under title 1, Code of Federal Regulations, part 51, subject to the annual revision of FAA Order 7400.9 and publication of conforming amendments.

ADDRESSES: FAA Order 7400.9Y, Airspace Designations and Reporting Points and subsequent amendments can be viewed online at <http://www.faa.gov/airtraffic/publications/>. The order is also available for inspection at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, call 202-741-6030, or go to http://www.archives.gov/federal_register/code_of_federal_regulations/ibr_locations.html.

FAA Order 7400.9, Airspace Designations and Reporting Points, is published yearly and effective on September 15. For further information, you can contact the Airspace Policy and ATC Regulations Group, Federal Aviation Administration, 800 Independence Avenue SW., Washington DC 29591; telephone: 202-267-8783.

FOR FURTHER INFORMATION CONTACT:

Steve Haga, Federal Aviation Administration, Operations Support Group, Western Service Center, 1601 Lind Avenue SW., Renton, WA 98057; telephone (425) 203-4563.

SUPPLEMENTARY INFORMATION:**History**

The Aeronautical Information Services branch identified an error in a longitudinal coordinate in the legal description extending upward from 1,200 feet above the surface, and the airport reference point (ARP) was not coincidental with the FAA's aeronautical database. This action makes these corrections.

Class E airspace designations are published in paragraph 6005 of FAA Order 7400.9Y dated August 6, 2014, and effective September 15, 2014, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order.

Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order 7400.9Y, Airspace Designations and Reporting Points, dated August 6, 2014, and effective September 15, 2014. FAA Order 7400.9Y is publicly available as listed in the **ADDRESSES** section of this final rule. FAA Order 7400.9Y lists Class A, B, C, D, and E airspace areas,

air traffic service routes, and reporting points.

The Rule

This amendment to Title 14, Code of Federal Regulations (14 CFR) part 71 amends the legal description of the Class E airspace area extending upward from 700 feet above the surface at Livingston, MT. The geographic coordinates of the airport are updated to coincide with the FAA's aeronautical database, and a longitudinal point of the airspace boundary extending from 1,200 feet above the surface is corrected from "long. 112°29'00"W., to "long. 110°29'00"W.". This does not affect the boundaries or operating requirements of the airspace.

This is an administrative change and does not affect the boundaries, altitudes, or operating requirements of the airspace, therefore, notice and public procedure under 5 U.S.C. 553(b) is unnecessary.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it amends Class E airspace at Mission Field Airport, Livingston, MT.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1E, "Environmental Impacts: Policies and Procedures," paragraph 311a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

Lists of Subjects in 14 CFR Part 71:

Airspace, Incorporation by reference, Navigation (air).

Adoption of the Amendment

In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for Part 71 continues to read as follows:

Authority: 49 U.S.C. 106(f), 106(g), 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.9Y, Airspace Designations and Reporting Points, dated August 6, 2014, effective September 15, 2014, is amended as follows:

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 feet or More Above the Surface of the Earth.

* * * * *

ANM MT E5 Livingston, MT [Modified]

Livingston, Mission Field Airport, MT (Lat. 45°41'58" N., long. 110°26'53" W.)

That airspace extending upward from 700 feet above the surface within a 4.2-mile radius of Mission Field Airport, and that airspace bounded by a line beginning at lat. 45°40'30" N., long. 110°15'20" W.; to lat. 45°47'30" N., long. 110°15'30" W.; to lat. 45°47'30" N., long. 110°23'00" W.; to lat. 46°02'20" N., long. 110°31'00" W.; to lat. 45°58'00" N., long. 110°47'15" W.; to lat. 45°38'45" N., long. 110°37'00" W.; thence to point of beginning, and that airspace extending upward from 1,200 feet above the surface within an area bounded by a line beginning at lat. 46°16'00" N., long. 112°00'00" W.; to lat. 46°37'00" N., long. 111°30'00" W.; to lat. 46°37'00" N., long. 110°43'00" W.; to lat. 46°00'00" N., long. 110°29'00" W.; to lat. 46°00'00" N., long. 109°30'00" W.; to lat. 45°30'00" N., long. 109°30'00" W.; to lat. 45°30'00" N., long. 112°00'00" W.; thence to point of beginning; excluding that airspace within Federal

airways, the Helena, MT, and the Billings, MT, Class E airspace areas.

Issued in Seattle, Washington, on April 21, 2015.

Christopher Ramirez,

Acting Manager, Operations Support Group Western Service Center, A/JV-W2.

BILLING CODE 4910–14–P

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 165

[Docket Number USCG–2015–0117]

RIN 1625–AA00

Safety Zone, Southern Branch Elizabeth River; Chesapeake, VA

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone on the navigable waters of the Southern Branch of the Elizabeth River in support of the Elizabeth River Park Grand Re-opening fireworks event. This safety zone will restrict vessel movement in the specified area during the fireworks display. This action is necessary to provide for the safety of life and property on the surrounding navigable waters during the fireworks display.

DATES: This rule is effective from April 29, 2015 through May 30, 2015 and enforced from 8:30 p.m. to 9 p.m. on May 30, 2015.

ADDRESSES: Documents mentioned in this preamble are part of docket [USCG–2015–0117]. To view documents mentioned in this preamble as being available in the docket, go to <http://www.regulations.gov>, type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this rulemaking. You may also visit the Docket Management Facility in Room W12–140 on the ground floor of the Department of Transportation West Building, 1200 New Jersey Avenue SE., Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

FOR FURTHER INFORMATION CONTACT: If you have questions on this rule, call or email LCDR Gregory Knoll, Waterways Management Division Chief, Sector Hampton Roads, Coast Guard; telephone (757) 668–5580, email HamptonRoadsWaterway@uscg.mil. If you have questions on viewing or

submitting material to the docket, call Cheryl Collins, Program Manager, Docket Operations, telephone (202) 366–9826.

SUPPLEMENTARY INFORMATION:

Table of Acronyms

DHS Department of Homeland Security
FR Federal Register
NPRM Notice of Proposed Rulemaking

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior written notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule due to the short time period between event planners notifying the Coast Guard of details concerning the event, on March 24, 2015, and publication of this safety zone. As such, it is impracticable for the Coast Guard to provide a full comment period due to lack of time. Furthermore, delaying the effective date of this safety zone would be contrary to the public interest as immediate action is needed to ensure the safety of the event participants, patrol vessels, spectator craft and other vessels transiting the event area. The Coast Guard will provide advance notifications to users of the affected waterway via marine information broadcasts, local notice to mariners.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Due to the need for immediate action, the restriction on vessel traffic is necessary to protect life, property and the environment; therefore, a 30-day notice is impracticable. Delaying the effective date would be contrary to the safety zone's intended objectives of protecting persons and vessels, and enhancing public and maritime safety.

B. Basis and Purpose

The legal basis and authorities for this rule are found in 33 U.S.C. 1231; 33 CFR 1.05–1, 6.04–1, 160.5; Department of Homeland Security Delegation No. 0170–1, which collectively authorize the Coast Guard to propose, establish, and define regulatory safety zones.
