SUPPLEMENTARY INFORMATION:

A. Purpose

The General Services Administration will be requesting the Office of Management and Budget to extend information collection 3090–0007, concerning GSA Form 527, Contractor’s Qualifications and Financial Information. This form is used to determine the financial capability of prospective contractors as to whether they meet the financial responsibility standards in accordance with the Federal Acquisition Regulation 9.103(a) and 9.104–1 and also the General Services Administration Acquisition Manual 509.105–1.

B. Annual Reporting Burden

Respondents: 2,940.

Responses per Respondent: 1.2.

Total Responses: 3,528.

Hours per Response: 1.5.

Total Burden Hours: 5,292.

The estimated annual burden has decreased since GSA’s 2012 submission from 8,820 burden hours to 5,292 burden hours to reflect the widespread use of the option for potential contractors to submit financial statements and balance sheets in lieu of completing the applicable fields on GSA Form 527. The alternate submission of financial statements and balance sheets significantly reduces the burden on prospective contractors, as these documents are generally readily available. As such, the average estimated hours to complete a response has been reduced from 2.5 hours per response to 1.5 hours.

Obtaining Copies of Proposals: Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat Division (MVCB), 1800 F Street NW., Washington, DC 20405, telephone 202–501–4755.
