

scheduling action is not a “rule” as defined by 5 U.S.C. 601(2), and, accordingly, is not subject to the requirements of the Regulatory Flexibility Act (RFA). The requirements for the preparation of an initial regulatory flexibility analysis in 5 U.S.C. 603(a) are not applicable where, as here, the DEA is not required by section 553 of the APA or any other law to publish a general notice of proposed rulemaking.

Additionally, this action is not a significant regulatory action as defined by Executive Order 12866 (Regulatory Planning and Review), section 3(f), and, accordingly, this action has not been reviewed by the Office of Management and Budget (OMB).

This action will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132 (Federalism) it is determined that this action does not have sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Pursuant to section 808(2) of the Congressional Review Act (CRA), “any rule for which an agency for good cause finds * * * that notice and public procedure thereon are impracticable, unnecessary, or contrary to the public interest, shall take effect at such time as the Federal agency promulgating the rule determines.” 5 U.S.C. 808(2). It is in the public interest to maintain the temporary placement of UR-144, XLR11, and AKB48 in schedule I because they pose a public health risk. The temporary scheduling action was taken pursuant to 21 U.S.C. 811(h), which is specifically designed to enable the DEA to act in an expeditious manner to avoid an imminent hazard to the public safety. 21 U.S.C. 811(h) exempted the temporary scheduling order from standard notice and comment rulemaking procedures to ensure that the process moved swiftly, and this extension of the temporary scheduling order continues to serve that purpose. For the same reasons that underlie 21 U.S.C. 811(h), that is, the DEA’s need to place these substances in schedule I because they pose an imminent hazard to public safety, it would be contrary to the public interest to delay implementation of this extension of the temporary scheduling order. Therefore, in accordance with section 808(2) of the CRA, this final order extending the temporary scheduling order shall take effect immediately upon its publication.

Pursuant to the Small Business Regulatory Enforcement Fairness Act of 1996 (Congressional Review Act) (5 U.S.C. 801–808), the DEA has submitted a copy of this final order to both Houses of Congress and to the Comptroller General.

Dated: May 12, 2015.

Michele M. Leonhart,
Administrator.

DEPARTMENT OF STATE

22 CFR Part 51

[Public Notice: 9133]

RIN 1400–AD83

Passports: Official Passports for Officials or Employees of State, Local, Tribal or Territorial Governments Traveling Abroad and Carrying Out Official Duties in Support of the U.S. Government

AGENCY: Department of State.

ACTION: Interim final rule.

SUMMARY: This rule amends the passport rules for the Department of State to authorize issuing an official passport to an official or employee of a state, local, tribal, or territorial government traveling abroad to carry out official duties in support of the U.S. government.

DATES: This rule is effective May 15, 2015.

The Department of State will accept comments until July 14, 2015.

ADDRESSES: You may make comments by any of the following methods, and you must include the RIN in the subject line of your message.

- *Mail (paper, disk, or CD-ROM submissions):* ATTN: RIN 1400–AD83, Alice Kottmyer, Attorney-Adviser, Office of the Legal Adviser (L/M), U.S. Department of State, Room 4325, 2201 C Street NW., Washington, DC 20520.

- *Email:* kottmyeram@state.gov.
- Persons with access to the Internet may view this rule and submit comments by going to www.regulations.gov, and searching for the rule by its RIN, 1400–AD83.

FOR FURTHER INFORMATION CONTACT: Alice Kottmyer, Attorney-Adviser, kottmyeram@state.gov, 202–647–2318.

SUPPLEMENTARY INFORMATION: 22 CFR 51.3(b) provides that an “official passport” may be issued to: An official or employee of the U.S. government traveling abroad to carry out official duties; spouses and family members of such persons; and, when authorized by

the Department of State, U.S. government contractors traveling abroad to carry out official duties on behalf of the U.S. government.

Increasingly, the federal government utilizes officials or employees of state, local, tribal, and territorial governments in support of federal activities, both domestically and overseas, such as the Federal Bureau of Investigation’s Joint Terrorism Task Force. When required to travel internationally in support of such federal activities, these individuals are not currently eligible for official passports. Issuance of an official passport to such individuals signifies to foreign governments that they are carrying out official duties in support of the U.S. government. The activities undertaken by these officials are often of pressing national security, law enforcement, or humanitarian importance and occur with little advance notice. It is in the U.S. government’s interest to provide these individuals the travel documents necessary to allow them to travel in a timely manner.

Under 22 U.S.C. 211a *et seq.*, the Secretary of State has the authority to make rules for the granting and issuance of passports. The Department is amending section 51.3(b) of 22 CFR to authorize issuing official passports to an official or employee of a state, local, tribal, or territorial government traveling abroad to carry out official duties in support of the U.S. government.

Regulatory Findings

Administrative Procedure Act

The Department is publishing this rule as an interim final rule, effective on the date of publication, pursuant to the “good cause” exemption of the Administrative Procedure Act (APA), 5 U.S.C. 553(b)(3)(B). The Department finds that delaying the effect of this rule until after notice and comment would be impractical, unnecessary, and contrary to public interest. The Department finds that providing the necessary travel documents to these individuals to allow them to travel in support of U.S. government interests provides a compelling justification for immediate approval of this rule. Therefore, this rule is effective on the date of publication. See 5 U.S.C. 553(d). However, the Department solicits—and welcomes—comments on this rulemaking, and will address relevant comments in a final rule.

Regulatory Flexibility Act

The Department, in accordance with the Regulatory Flexibility Act, 5 U.S.C. 605(b), has reviewed this rule and, by

approving it, certifies that the rule will not have a significant economic impact on a substantial number of small entities as defined in 5 U.S.C. 601(6).

Unfunded Mandates Act of 1995

This rule will not result in the expenditure by state, local, tribal, or territorial governments, in the aggregate, or by the private sector, of \$100 million or more in any year and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995, 2 U.S.C. 1501 *et seq.*

Small Business Regulatory Enforcement Fairness Act of 1996

This rule is not a major rule as defined by section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996, since it will not result in an annual effect on the economy of \$100 million or more. See 5 U.S.C. 804(2).

Executive Orders 12866 and 13563

This rule is not economically significant under Executive Order 12866, section 3(f)(1), because it will not have an annual effect on the economy of \$100 million or more. The Department expects the rule's impact on the public to be minimal. The Department has reviewed this rule to ensure its consistency with the regulatory philosophy and principles set forth in the Executive Orders.

Executive Order 13132

This rule will not have substantial direct effects on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with section 6 of Executive Order 13132, the Department has determined that this rule does not have sufficient federalism implications to require consultations or warrant the preparation of a federalism summary impact statement.

Executive Order 13175—Effect on Tribes

The Department of State has determined that this rulemaking will not have tribal implications, will not impose substantial direct compliance costs on Indian tribal governments, and will not preempt tribal law. Accordingly, Executive Order 13175 does not apply to this rulemaking.

Paperwork Reduction Act

This rule does not impose or alter any reporting or record-keeping

requirements under the Paperwork Reduction Act.

Benefits Payable in Terminated Single-Employer Plans; Interest Assumptions for Paying Benefits

AGENCY: Pension Benefit Guaranty Corporation.

ACTION: Final rule.

SUMMARY: This final rule amends the Pension Benefit Guaranty Corporation's regulation on Benefits Payable in Terminated Single-Employer Plans to prescribe interest assumptions under the regulation for valuation dates in June 2015. The interest assumptions are used for paying benefits under terminating single-employer plans covered by the pension insurance system administered by PBGC.

DATES: Effective June 1, 2015.

(TTY/TDD users may call the Federal relay service toll-free at 1–800–877–8339 and ask to be connected to 202–326–4024.)

SUPPLEMENTARY INFORMATION: PBGC's regulation on Benefits Payable in Terminated Single-Employer Plans (29 CFR part 4022) prescribes actuarial assumptions—including interest assumptions—for paying plan benefits under terminating single-employer plans covered by title IV of the Employee Retirement Income Security Act of 1974. The interest assumptions in the regulation are also published on PBGC's Web site (<http://www.pbgc.gov>).

PBGC uses the interest assumptions in Appendix B to Part 4022 to determine whether a benefit is payable as a lump sum and to determine the amount to pay. Appendix C to Part 4022 contains interest assumptions for private-sector pension practitioners to refer to if they wish to use lump-sum interest rates determined using PBGC's historical methodology. Currently, the rates in Appendices B and C of the benefit payment regulation are the same.

The interest assumptions are intended to reflect current conditions in the financial and annuity markets. Assumptions under the benefit payments regulation are updated monthly. This final rule updates the benefit payments interest assumptions for June 2015.¹

The June 2015 interest assumptions under the benefit payments regulation will be 0.75 percent for the period during which a benefit is in pay status and 4.00 percent during any years preceding the benefit's placement in pay status. In comparison with the interest

¹ Appendix B to PBGC's regulation on Allocation of Assets in Single-Employer Plans (29 CFR part 4044) prescribes interest assumptions for valuing benefits under terminating covered single-employer plans for purposes of allocation of assets under ERISA section 4044. Those assumptions are updated quarterly.
