DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act, Clean Water Act, and Emergency Planning and Community Right to Know Act

On May 11, 2015, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Western District of New York in the lawsuit entitled *United States and State of New York v. Tonawanda Coke Corporation*, Civil Action No. 1:15-cv-00420-WMS.

The Consent Decree resolves the claims of the United States and the State of New York set forth in the complaint against Tonawanda Coke Corporation for violations of the Clean Air Act, the Clean Water Act, and the Emergency Planning and Community Right to Know Act, in connection with its facility located in Tonawanda, New York. Under the Consent Decree, Tonawanda Coke Corporation has agreed to pay a civil penalty of \$2,750,000. Of that penalty, \$1,750,000 will be paid to the United States and \$1,000,000 will be paid to the State of New York. Tonawanda Coke Corporation will also perform a wetlands preservation supplemental environmental project valued at \$357,143 and fund a \$1,000,000 state-led environmental benefit project fund. In addition, Tonawanda Coke Corporation will perform the injunctive relief required under the Consent Decree.

The publication of this notice opens a period for public comment on the Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division and should refer to *United States and State of New York v.*

DEPARTMENT OF LABOR

Bureau of Labor Statistics

Proposed Collection, Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be

properly assessed. The Bureau of Labor Statistics (BLS) is soliciting comments concerning the proposed extension of the International Price Program U.S. Import and Export Price Indexes. A copy of the proposed information collection request (ICR) can be obtained by contacting the individual listed below in the Addresses section of this notice.

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section of this notice on or before July 14, 2015.

ADDRESSES: Send comments to Nora Kincaid, BLS Clearance Officer, Division of Management Systems, Bureau of Labor Statistics, Room 4080, 2 Massachusetts Avenue NE., Washington, DC 20212. Written comments also may be transmitted by fax to 202-691-5111 (this is not a toll free number).

FOR FURTHER INFORMATION CONTACT: Nora Kincaid, BLS Clearance Officer, 202-691-7628 (this is not a toll free number). (See **ADDRESSES** section.)

SUPPLEMENTARY INFORMATION

I. Background

The U.S. Import and Export Price Indexes, produced by the Bureau of Labor Statistics' International Price Program (IPP), measure price change over time for all categories of imported and exported products, as well as selected services. The IPP has produced the U.S. Import Price Indexes continuously since 1973 and the U.S. Export Price Indexes continuously since 1971. The Office of Management and Budget has listed the Import and Export Price Indexes as a Principal Federal Economic Indicator since 1982. The indexes are widely used in both the public and private sectors. The primary public sector use is the deflation of the U.S. monthly Trade Statistics and the quarterly estimates of U.S. Gross Domestic Product; the indexes also are used in formulating U.S. trade policy and in trade negotiations with other countries. In the private sector, uses of the Import Price Indexes include market analysis, inflation forecasting, contract escalation, and replacement cost accounting.

The IPP indexes are closely followed statistics, and are viewed as a key indicator of the economic environment. The U.S. Department of Commerce uses the monthly statistics to produce monthly and quarterly estimates of inflation-adjusted trade flows. Without continuation of data collection, it would be extremely difficult to construct accurate estimates of the U.S. Gross Domestic Product. In fact, DOL—BLS'
