DEPARTMENT OF COMMERCE**Submission for OMB Review; Comment Request**

The Department of Commerce will submit to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: U.S. Census Bureau.

Title: Current Population Survey,

Basic Demographic Items.

OMB Control Number: 0607-0049.

Form Number(s): There are no forms. We conduct all interviews on computers.

Type of Request: Regular.

Number of Respondents: 708,000.

Average Hours Per Response: 0.0273.
Burden Hours: 19,347.

Needs and Uses: The Census Bureau plans to request clearance from the Office of Management and Budget (OMB) for the collection of same sex marriage data as part of the basic demographic information on the Current Population Survey (CPS) beginning in June 2015. The current clearance expires July 31, 2017. The CPS has been the source of official government statistics on employment and unemployment for over 50 years. The Bureau of Labor Statistics (BLS) and the Census Bureau jointly sponsor the basic monthly survey. The Census Bureau also prepares and conducts all the field work. At the OMB's request, the Census Bureau and the BLS divide the clearance request in order to reflect the joint sponsorship and funding of the CPS program. The BLS submits a separate clearance request for the portion of the CPS that collects labor force information for the civilian noninstitutional population. Some of the information within that portion includes employment status, number of hours worked, job search activities, earnings, duration of unemployment, and the industry and occupation classification of the job held the previous week.

The justification that follows is in support of the demographic data. The demographic information collected in the CPS provides a unique set of data on selected characteristics for the civilian noninstitutional population. Some of the demographic information we collect are age, marital status, gender, Armed Forces status, education, race, origin, and family income. We use these data in conjunction with other data, particularly the monthly labor force data, as well as periodic supplement data. We also use these data independently for internal analytic research and for evaluation of other surveys. In addition, we use these data as a control to produce accurate estimates of other personal characteristics.

Affected Public: Individuals or Households.

Frequency: Monthly.

Respondent's Obligation: Voluntary.

Legal Authority: Title 13, United States Code, Section 182; and Title 29, United States Code, Sections 1-9.

This information collection request may be viewed at www.reginfo.gov. Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent

within 30 days of publication of this notice to *OIRA_Submission@omb.eop.gov* or fax to (202)395-5806.

Dated: May 13, 2015.

Glenna Mickelson,

Management Analyst, Office of the Chief Information Officer.

Wooden Bedroom Furniture From the People's Republic of China: Notice of Court Decision Not in Harmony With Final Results of Administrative Review and Notice of Second Amended Final Results of Administrative Review Pursuant to Court Decision

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On April 21, 2015, the United States Court of International Trade ("CIT") issued its final judgment in *Home Meridian Int'l, Inc. v. United States*, Consol. Court No. 11-00325,¹ and sustained the Department of Commerce's ("the Department") third remand redetermination.² Consistent with the decision of the United States Court of Appeals for the Federal Circuit ("CAFC") in *Timken Co. v. Cir. 2010) ("*Diamond Sawblades*"), the Department is notifying the public that the final judgment in this case is not in harmony with the Department's *Amended Final Results*.³ The Department is amending its *Amended Final Results* with regard to the calculation of the weighted average dumping margin applied to the mandatory respondent, Dalian Huafeng Furniture Group Co., Ltd. ("Huafeng"), and the two separate rate respondents included in this decision: Nanhai Baiyi

SUPPLEMENTARY INFORMATION:

Background

In the *Final Results*, the Department valued certain wood inputs used by the respondent, Huafeng, with surrogate values and used Insular Rattan and Native Products Corporation's ("Insular Rattan") 2009 financial statements, among others, to calculate surrogate financial ratios.⁴ The CIT twice remanded issues involving the *Final Results* to the Department, and, in its second redetermination, the Department valued certain wood inputs used by Huafeng with market economy purchase prices and revised the calculation of the surrogate financial ratios by excluding Insular Rattan's financial statements from the calculation.⁵ On November 14, 2013, the CIT sustained the final results of the Department's second redetermination and, in accordance with *Timken*, the Department published a notice of *Amended Final Results*.⁶ The American Furniture Manufacturers Committee for Legal Trade and Vaughan-Bassett Furniture Company, Inc. appealed the valuation of wood inputs, but not the issue of excluding Insular Rattan's financial statements, to the CAFC. On December 1, 2014, the CAFC reversed the CIT's decision and vacated the Department's redetermination results in which it used market economy purchase prices, rather than surrogate values, to value certain of Huafeng's wood inputs. The CAFC directed the CIT to reinstate the Department's wood valuation in the first redetermination (using surrogate values for Huafeng's wood inputs). On January 28, 2015, the CIT ordered the Department to file a redetermination with the Court in which it continued to exclude Insular Rattan's financial statements from its calculations and

reinstated the wood valuation from the first redetermination. Pursuant to the CIT's order, the Department filed the final results of its third redetermination with the CIT on March 27, 2015 in which it valued Huafeng's wood inputs using surrogate values and continued to exclude Insular Rattan's financial statements from its calculations.⁷ On April 21, 2015, the CIT sustained the Department's *Remand Redetermination III*.⁸

Timken Notice

In its decision in *Timken*, 893 F.2d at 341, as clarified by *Diamond Sawblades*, the CAFC held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended ("the Act"), the Department must publish a notice of a court decision that is not "in harmony" with a Department determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's April 21, 2015, judgment sustaining the Department's *Remand Redetermination III* in which it valued certain wood inputs using surrogate values, rather than market economy purchase prices, constitutes a final decision of that court that is not in harmony with the Department's *Amended Final Results*. This notice is published in fulfillment of the publication requirements of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the subject merchandise pending the expiration of the period of appeal, or if appealed, pending a final and conclusive court decision.

Amended Final Results

Because there is now a final court decision with respect to this case, the Department is amending its *Amended Final Results* with respect to Huafeng's weighted-average dumping margin for the period January 1, 2009 through December 31, 2009. In addition, the Department has amended the *Amended Final Results* for Nanhai and Dongguan, the separate rate respondents included in this final court decision. The remaining weighted-average dumping margins from the *Final Results*, as subsequently amended,⁹ remain unchanged.
