

accordance with the framework rule's § 600.1013(b). Section 600.1013(b) directs NMFS to recalculate the fee to a rate that will be reasonably necessary to ensure reduction loan repayment within the specified 40-year term.

The initial fee applicable to the Southeast Alaska purse seine salmon program's reduction fishery was 3.0% of landed value and any subsequent bonus payments, which was decreased in June 2013 to 1.5%. NMFS has determined this fee rate is more than is needed to service the loan. Therefore, NMFS is decreasing the fee rate to 1.0% of landed value and any subsequent bonus payments which NMFS has determined is sufficient to ensure timely loan repayment. Fish buyers may continue to use *Pay.gov* to disburse collected fee deposits at: <http://www.pay.gov/paygov/>. Please visit the NMFS Web site for additional information at: http://www.nmfs.noaa.gov/mb/financial_services/buyback.htm.

III. Notice

The new fee rate for the Southeast Alaska purse seine salmon fishery is effective June 1, 2015.

Fish sellers and fish buyers must pay and collect the fee in the manner set out in 50 CFR 600.1107 and the framework rule. Consequently, all harvesters and fish buyers should read subpart L to 50 CFR 600.1013 to understand how fish harvesters must pay and fish buyers must collect the fee.

Dated: May 14, 2015.

Basil Brown,

Acting Director, Office of Management and Budget, National Marine Fisheries Service.
