

12. Interest. Major factors that may influence a person's decision to compete in the prize competition described in this information request.

13. Use. Identification of who is likely to purchase and/or use the type of *in vitro* diagnostic tests being targeted by this prize competition and how or where such a purchaser or user is most likely to use the *in vitro* diagnostic test. Examples may be provided (e.g., patient/self-diagnosis, guiding prescriptive decisions, etc.).

14. Barriers. Major barriers that may impede development of the proposed *in vitro* diagnostic test (e.g., technical or research driven; financial or regulatory; infrastructure or resource based). Comments may reflect considerations about what potential solutions, if any, may be available to overcome such barriers and the level of difficulty associated with implementing any such solution in the U.S. and/or globally.
