

*Executive Order 12866 as
Supplemented by Executive Order
13563*

We consulted with the Office of Management and Budget (OMB) and determined that this final rule does not meet the criteria for a significant regulatory action under Executive Order 12866, as supplemented by Executive Order 13563.

Regulatory Flexibility Act

We certify that this final rule will not have a significant economic impact on a substantial number of small entities because it affects individuals only. Therefore, the Regulatory Flexibility Act, as amended, does not require us to prepare a regulatory flexibility analysis.

Paperwork Reduction Act

This final rule does not create any new or affect any existing collections and, therefore, does not require OMB approval under the Paperwork Reduction Act.

Various National Indian Gaming Commission Regulations

AGENCY: National Indian Gaming Commission, Interior.

ACTION: Correcting amendments.

SUMMARY: The National Indian Gaming Commission (NIGC or Commission) makes corrections to various regulations previously issued. The Commission recently moved its headquarters resulting in the need to update the

Commission's mailing address. Additionally, the current regulations contain outdated references to previous regulations that no longer exist. The amendments also correct various minor grammatical errors.

DATES: Effective June 22, 2015.

FOR FURTHER INFORMATION CONTACT: NIGC Attn: Maria Getoff, Senior Attorney, C/O Department of the Interior, 1849 C Street NW., Mail Stop #1621, Washington, DC 20240, or by telephone at 202–632–7003.

SUPPLEMENTARY INFORMATION:

I. Background

The Indian Gaming Regulatory Act (IGRA or the Act), Public Law 100–497, 25 U.S.C. 2701 *et seq.*, was signed into law on October 17, 1988. The Act established the Commission and set out a comprehensive framework for the regulation of gaming on Indian lands. The purposes of the Act include: Providing a statutory basis for the operation of gaming by Indian tribes as a means of promoting tribal economic development, self-sufficiency, and strong tribal governments; ensuring that the Indian tribe is the primary beneficiary of the gaming operation; and declaring that the establishment of independent federal regulatory authority for gaming on Indian lands, the establishment of federal standards for gaming on Indian lands, and the establishment of a National Indian Gaming Commission are necessary to meet congressional concerns regarding gaming and to protect such gaming as a means of generating tribal revenue. 25 U.S.C. 2702.

II. Previous Rulemaking Activity

On August 9, 2012, the Commission published a final rule amending 25 CFR part 573 (Compliance and Enforcement) to include a graduated pre-enforcement process through which a tribe may come into voluntary compliance. 77 FR 47517, Aug. 9, 2012. This document updates references in 25 CFR part 514 that are no longer accurate due to those amendments.

On September 25, 2012, the Commission published a final rule consolidating all appeal proceedings before the Commission into a (then) new subchapter H (Appeal Proceedings Before the Commission), thereby removing former parts 524, 539, and 577. 77 FR 58941, Sept. 25, 2012. This document updates 25 CFR parts 513, 514, 522, 533, 535, 571, 573, and 575 to remove references to those parts no longer in existence.

On January 25, 2013, the Commission published a final rule amending 25 CFR

parts 556 and 558 (Background investigations and Gaming Licenses for Key Employees and Primary Management Officials) to streamline certain submissions to the Commission and to ensure that certain tribal notifications comply with the Act. 78 FR 5276, Jan 25, 2013. This document updates 25 CFR part 573 to reflect the amendments to those parts.

In June of 2014, the Commission relocated its headquarters. This document updates the mailing address contained within 25 CFR parts 514 and 516. The Commission also identified minor grammatical errors in certain other regulations and now corrects those errors.

III. Corrections

25 CFR Part 502—Definitions of This Chapter

This document revises the definition of “Chairman” in 25 CFR 502.1 to include the word “Chair.” This reflects the gender-neutral term that occurs elsewhere in the Commission’s regulations. No substantive change is intended with this correction.

25 CFR Part 513—Debt Collection

This document revises 25 CFR 513.4(b) and 513.32(a) to remove references to the appeal procedures formerly found at 25 CFR part 577 (which no longer exists). It now references the appeal procedure at 25 CFR parts 580–585. This document also corrects a grammatical error in § 513.32(a): In the third sentence, the first “matters” is corrected to the singular “matter,” while the second “matters” remains plural.

25 CFR Part 514—Fees

This document revises 25 CFR 514.8 and 514.17(c) to reflect the Commission’s new mailing address. This document also amends 25 CFR 514.10 to revise paragraphs (a) and (b) to correct a reference from “25 CFR 573.6(a)(2)” to “25 CFR 573.4(a)(2).”

25 CFR Part 516—Testimony of Current and Former Commissioners and NIGC Employees; Response to Subpoenas

The document revises 25 CFR 516.4(b) to reflect the Commission’s new mailing address.

25 CFR Part 522—Submission of Gaming Ordinance or Resolution

This document revises 25 CFR 522.5 and 522.7(a), (b) to remove references to 25 CFR part 524 (which no longer exists) and replaces them with references to 25 CFR part 582. This document also revises 25 CFR 522.10(c) and (f) to make minor grammatical

changes. In paragraph (c), “Tribe” is changed to “tribe”; in paragraph (f), a comma is placed after “limits.”

25 CFR Part 531—Content of Management Contracts

This document amends 25 CFR 531.1 to revise paragraphs (b)(4), (b)(6), and (b)(16) by making minor grammatical changes and by clarifying certain requirements. In paragraph (b)(4), a comma is placed after “training”; in paragraph (b)(6), the word “gaming” is added before “operation’s”; and in paragraph (b)(16), the phrase “National Indian Gaming Commission” is replaced with the word “Commission.” No substantive change is intended by these corrections.

25 CFR Part 533—Approval of Management Contracts

This document revises 25 CFR 533.2 to remove a reference to 25 CFR part 539 (which no longer exists) and replaces it with a reference to 25 CFR part 583. The document also amends 25 CFR 533.3, revising paragraphs (a)(1) and (a)(2) to make minor grammatical changes. In paragraph (a)(1), the word “and” is added to the end of the sentence; and in paragraph (a)(2), the word “and” is removed and replaced with a period. The document also revises 25 CFR 533.6(b)(3) to make a minor grammatical change, replacing “this” with “the.”

25 CFR Part 535—Post-Approval Procedures

This document revises 25 CFR 535.1(d)(2) to make a minor grammatical change. In paragraph (d)(2), a semicolon at the end of the paragraph is replaced with a period. This document also revises 25 CFR 535.1(d)(3) by removing references to “part 539” (which no longer exists) and replacing it with references to “part 583.” This document also revises 25 CFR 535.3 to remove a reference to “part 577” and to replace it with a reference to “parts 584 or 585.” A minor grammatical change is also made to the second sentence of § 535.3, replacing the word “void” with “voiding.” No substantive change is intended by this correction.

25 CFR Part 556—Background Investigations of Primary Management Officials and Key Employees

This document revises 25 CFR 556.2(a) to make a minor grammatical change by adding a comma after the word “criminal.” This document also revises 25 CFR 556.5(a)(3) by adding a comma after the word “habits.” Finally, this document revises 25 CFR 556.8 by removing the word “the” before

“February” and adding a comma after “2013.”

25 CFR Part 559—Facility License Notification and Submissions

This document revises 25 CFR 559.1(a) by changing “obtain” to “obtains.” This document also revises 25 CFR 559.4 by adding a comma after the word “standards.” Finally, to mirror the language in the regulation, this document revises 25 CFR 559.5 by changing the section title from “Does a tribe need to” to “Must a tribe.”

25 CFR Part 571—Monitoring and Investigations

This document revises the second sentence of 25 CFR 571.3 by replacing the language “under part 577 of this chapter is addressed in § 577.8” with “is addressed in § 584.9.” This change is required because part 577 no longer exists and was replaced by the language found in 25 CFR part 584. The document revises 25 CFR 571.4 by replacing “NIGC” with “the Commission.” This change is intended to create uniformity in the agency’s regulations. Additionally, 25 CFR 571.4 is revised to add “or resolution” after the word “ordinance.” Finally, this document revises 25 CFR 571.11 by removing a reference to a nonexistent “part 577” and replacing it with “part 584.”

25 CFR Part 573—Compliance and Enforcement

This document revises 25 CFR 573.1 by making a minor grammatical change. Specifically, “notice” is now changed to “notices.” Section 573.2(a) is revised by removing the word “respondent” from the regulation because the regulation does not involve official agency action, and therefore no “respondent” exists. No substantive change occurs as a result of this revision. In addition, 25 CFR 573.4 is amended to revise paragraphs (a)(1)(ii), (a)(5), (a)(10), and (c)(3). Paragraph (a)(1)(ii) is revised by replacing “provides” with “is served with.” A minor grammatical change is made to paragraph (a)(5), removing the phrase “having been,” as this change helps make the regulation easier to read. A minor grammatical change is also made to paragraph (a)(10), replacing “Indian Gaming Regulatory Act” with “the Act.” Paragraph (a)(10) is also revised to replace references to “§ 558.2” with “§ 556.5,” and “§ 558.5” with “§ 558.4.” Finally, paragraph (c)(3) is revised to replace a reference to “subchapter H,” with a reference to “parts 584 or 585” for clarity.

25 CFR Part 575—Civil Fines

This document amends 25 CFR 575.6 to revise paragraphs (a)(1) and (b) to replace references to “part 577” (which no longer exists) with references to “parts 584 or 585.” This document also revises 25 CFR 575.9 to replace references to “part 577” (which no longer exists) with references to “parts 584 or 585.” Section 575.9 is also revised by renumbering it to “575.7” due to a previous numbering error in the regulations.

25 CFR Part 580—Rules of General Application in Appeal Proceedings Before the Commission

This document revises 25 CFR 580.6 by making a minor grammatical change, replacing “in” with “from.” This document also revises 25 CFR 580.12 by replacing “NIGC” with “Commission” to create uniformity in the agency’s regulations.

IV. Certain Findings

Under the Administrative Procedure Act, a notice of proposed rulemaking is not required when an agency, for good cause, finds that notice and public comments are impractical, unnecessary, or contrary to the public interest. Because the revisions here are technical in nature and intended solely to update the Commission’s current mailing address, to correct outdated references, and to correct minor grammatical errors, the Commission is publishing a technical amendment.

V. Regulatory Matters*Regulatory Flexibility Act*

This rule will not have a significant economic effect on a substantial number of small entities as defined by the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.* Indian tribes are not considered to be small entities for purposes of the Regulatory Flexibility Act.

This rule is not a major rule under 5 U.S.C. 804(2), the Small Business Regulatory Enforcement Fairness Act. This rule does not have an annual effect on the economy of \$100 million or more. The Commission, as an independent regulatory agency, is exempt from compliance with the Unfunded Mandates Reform Act, 2 U.S.C. 1502(1); 2 U.S.C. 658(1).

In accordance with Executive Order 12630, the Commission determined this proposed rule does not have significant takings implications. A takings implication assessment is not required.
