

permits, which are approved under OMB Control No. 0648–0205), HMS Charter/Headboat, HMS Angling, Swordfish General Commercial, Smoothhound Shark, and Atlantic HMS Vessel Chartering permits. Dealer permits include the Atlantic Tunas Dealer permit and the HMS ITP.

The primary reason for the revision of this information collection is to reflect that Incidental HMS Squid Trawl permits have been removed from this collection. Instead, those permits were combined with the information collection for the Greater Atlantic Region Federal Fisheries Initial Permit Application form, which is covered under OMB Control No. 0648–0202. Thus, the burden and costs associated with renewal and issuance of an initial HMS Squid Trawl permit are no longer applicable to this collection of information. In addition, an International Maritime Organization (IMO) number must now be applied for by those not already in possession of one.

*Affected Public:* Business or other for-profit organizations.

*Frequency:* Annually and on occasion.

*Respondent's Obligation:* Mandatory.

This information collection request may be viewed at [reginfo.gov](http://reginfo.gov). Follow the instructions to view Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to *OIRA\_Submission@omb.eop.gov* or fax to (202) 395–5806.

Dated: June 4, 2015.

#### Marine Mammals; File No. 19108; Correction

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice; receipt of application; correction.

**SUMMARY:** On May 27 2015, a notice was published in the **Federal Register** announcing that Daniel P. Costa, Ph.D.,

University of California at Santa Cruz, Long Marine Laboratory, 100 Shaffer Road, Santa Cruz, CA 95064, had applied in due form for a permit to conduct research on northern elephant seals (*Mirounga angustirostris*) throughout their range. That notice contained an error.

**FOR FURTHER INFORMATION CONTACT:** Amy Sloan or Brendan Hurley, (301) 427–8401.

**SUPPLEMENTARY INFORMATION:** The notice for File No. 19108 on May 27, 2015 (80 FR 30212) indicated that incidental harassment of northern fur seals (*Callorhinus ursinus*) is requested. This was an error; the notice should indicate incidental harassment of harbor seals (*Phoca vitulina*) is requested, not northern fur seals. All other information in the notice is unchanged.

Dated: June 4, 2015.

#### Schedules for Atlantic Shark Identification Workshops and Protected Species Safe Handling, Release, and Identification Workshops

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice of public workshops.

**SUMMARY:** Free Atlantic Shark Identification Workshops and Protected Species Safe Handling, Release, and Identification Workshops will be held in July, August, and September of 2015. Certain fishermen and shark dealers are required to attend a workshop to meet regulatory requirements and to maintain valid permits. Specifically, the Atlantic Shark Identification Workshop is mandatory for all federally permitted Atlantic shark dealers. The Protected Species Safe Handling, Release, and Identification Workshop is mandatory for vessel owners and operators who use bottom longline, pelagic longline, or gillnet gear, and who have also been issued shark or swordfish limited access permits. Additional free workshops will be conducted during 2015 and will be announced in a future notice.

**DATES:** The Atlantic Shark Identification Workshops will be held on July 23, August 13, and September 10, 2015.

The Protected Species Safe Handling, Release, and Identification Workshops will be held on July 9, July 16, August 6, August 11, September 3, and September 24, 2015.

See **SUPPLEMENTARY INFORMATION** for further details.

**ADDRESSES:** The Atlantic Shark Identification Workshops will be held in Panama City Beach, FL; Fort Lauderdale, FL; and Rosenberg, TX.

The Protected Species Safe Handling, Release, and Identification Workshops will be held in Kitty Hawk, NC; Ronkonkoma, NY; Gulfport, MS, Key Largo, FL; Corpus Christi, TX; and Manahawkin, NJ.

See **SUPPLEMENTARY INFORMATION** for further details on workshop locations.

**FOR FURTHER INFORMATION CONTACT:** Rick Pearson by phone: (727) 824–5399, or by fax: (727) 824–5398.

**SUPPLEMENTARY INFORMATION:** The workshop schedules, registration information, and a list of frequently asked questions regarding these workshops are posted on the Internet at: <http://www.nmfs.noaa.gov/sfa/hms/workshops/>.

#### Atlantic Shark Identification Workshops

Since January 1, 2008, Atlantic shark dealers have been prohibited from receiving, purchasing, trading, or bartering for Atlantic sharks unless a valid Atlantic Shark Identification Workshop certificate is on the premises of each business listed under the shark dealer permit that first receives Atlantic sharks (71 FR 58057; October 2, 2006). Dealers who attend and successfully complete a workshop are issued a certificate for each place of business that is permitted to receive sharks. These certificate(s) are valid for 3 years. Approximately 110 free Atlantic Shark Identification Workshops have been conducted since January 2007.

Currently, permitted dealers may send a proxy to an Atlantic Shark Identification Workshop. However, if a dealer opts to send a proxy, the dealer must designate a proxy for each place of business covered by the dealer's permit which first receives Atlantic sharks. Only one certificate will be issued to each proxy. A proxy must be a person who is currently employed by a place of business covered by the dealer's permit; is a primary participant in the identification, weighing, and/or first receipt of fish as they are offloaded from a vessel; and who fills out dealer reports. Atlantic shark dealers are
