

Single Family Premium Collection Subsystem-Periodic (SFPCS-P) allows the lenders to remit the Periodic Mortgage Insurance using funds obtained from the mortgagor during the collection of the monthly mortgage payment. The SFPCS-P strengthens HUD's ability to manage and process periodic single-family mortgage insurance premium collections and corrections to submitted data. It also improves date integrity for the Single Family Mortgage Insurance Program. Therefore, the FHA approved lenders use the automated Clearing House (ACH) application for all transmissions with SFPCS-P. The authority for this collection of information is specified in 24 CFR 203.264 AND 24 CFR 203.269. In general, the lenders use the ACH application to remit the periodic premium payments through SFPCS-P for the required FHA insured cases and to comply with the Credit Reform Act.

A. Overview of Information Collection

Title of Information Collection: Single Family Mortgage Insurance on Hawaiian Homelands.

OMB Approval Number: 2502-0358.

Type of Request: Extension without change of a currently approved collection.

Form Numbers: None.

Description of the need for the information and proposed use: FHA

insures mortgages on single-family dwellings under provisions of the National Housing Act (12 U.S.C. 1709). The Housing and Urban Rural Recovery Act (HURRA), P.L. 98-181, amended the National Housing Act to add Section 247 (12 U.S.C. 1715z-12) to permit FHA to insure mortgages for properties located on Hawaiian Homelands. Under this program, the mortgagor must be a native Hawaiian. Section 247 requires that the Department of Hawaiian Homelands (DHHL) of the State of Hawaii (a) will be a co-mortgagor; (b) guarantees or reimburses the Secretary for any mortgage insurance claim paid in connection with a property on Hawaiian homelands; or (c) offers other security acceptable to the Secretary.

In accordance with 24 CFR 203.43i, the collection of information is verification that a loan applicant is a native Hawaiian and that the applicant holds a lease on land in a Hawaiian Homelands area. A borrower must obtain verification of eligibility from DHHL and submit it to the lender. A borrower cannot obtain a loan under these provisions without proof of status as a native Hawaiian. United States citizens living in Hawaii are not eligible for this leasehold program unless they are native Hawaiians. The eligibility document is required to obtain benefits.

In accordance with 24 CFR 203.439(c), lenders must report monthly to HUD and the DHHL on delinquent borrowers and provide documentation to HUD to support that the loss mitigation requirements of 24 CFR 203.604 have been met. To assist the DHHL in identifying delinquent loans, lenders report monthly. A delinquent mortgage that is reported timely would allow DHHL to intervene and prevent foreclosure.

Respondents: Individual or household.

Estimated Number of Respondents: 160.

Estimated Number of Responses: 315.

Frequency of Response: On occasion.

Average Hours per Response: .26.

Total Estimated Burdens: 59.
