

comply with nationally recognized codes to the extent required under 40 U.S.C. 3312(b). The permittee shall cooperate with state and local officials to the extent required under 40 U.S.C. 3312(d).

Article 3. In the event that the Calexico West Land Port of Entry is permanently closed and is no longer used as an international crossing, this permit shall terminate and the permittee may manage, utilize, or dispose of the facilities in accordance with its statutory authorities.

Article 4. The permittee is a federal agency that is responsible for managing and operating the Calexico West Land Port of Entry, as authorized by applicable federal laws and regulations. This permit shall continue in full force and effect for only so long as the permittee shall continue the operations hereby authorized.

Article 5. The permittee shall immediately notify the United States Department of State of any decision to transfer custody and control of the facilities or any part thereof to any other any agency or department of the United States Government. Said notice shall identify the transferee agency or department and seek the approval of the United States Department of State for the transfer of the permit. In the event of approval by the Department of State of such transfer of custody and control to another agency or department of the United States Government, the permit shall remain in force and effect, and the facilities shall be subject to all the conditions, permissions and requirements of this permit and any amendments thereof. The permittee may transfer ownership or control of the facilities to a non-federal entity or individual only upon the prior express approval of such transfer by the United States Department of State, which approval may include such conditions, permissions and requirements that the Department of State, in its discretion, determines are appropriate and necessary for inclusion in the permit, to be effective on the date of transfer.

Article 6. (1) The permittee or its agent shall acquire and maintain such right-of-way grants or easements and permits as may become necessary and appropriate.

(2) The permittee shall maintain the facilities and every part thereof in a condition of good repair for their safe operation, and in compliance with prevailing environmental standards and regulations.

Article 7. (1) The permittee shall take or cause to be taken all appropriate measures to prevent or mitigate adverse impacts on, or disruption of, the human

environment in connection with the construction, operation and maintenance of the facilities, including avoidance, minimization and mitigation measures and the mitigation monitoring and enforcement program adopted by the permittee in the Record of Decision issued in connection with the Final Environmental Impact Statement.

(2) Before issuing the notice to proceed for construction, the permittee shall obtain the concurrence of the U.S. Section of the International Boundary and Water Commission.

Article 8. The permittee shall file any applicable statements and reports that might be required by applicable federal law in connection with this project.

Article 9. The permittee shall not issue a notice to proceed for construction work until the Department of State has provided notification to the permittee that the Department has completed its exchange of diplomatic notes with the Government of Mexico regarding authorization of construction. The permittee shall provide written notice to the Department of State at such time as the construction authorized by this permit is begun, and again at such time as construction is completed, interrupted for more than ninety days or discontinued.

Article 10. This permit is not intended to, and does not, create any right, benefit, or trust responsibility, substantive or procedural, enforceable at law or in equity, by any party against the United States, its departments, agencies, instrumentalities or entities, its officers or employees, in their individual or official capacities, or any other person.

In witness whereof, I, Catherine A. Novelli, Under Secretary for Economic Growth, Energy, and the Environment of the United States, have hereunto set my hand this 9th day of June, 2015, in the City of Washington, District of Columbia.

Catherine A. Novelli,

Under Secretary of State, United States Department of State.

Rachel M. Poynter,

Acting Director, Office of Mexican Affairs, Bureau of Western Hemisphere Affairs, U.S. Department of State.

Federal Transit Administration

[Docket No. FTA-2015-0020]

Buy America Handbook; Conducting Pre-Award and Post-Delivery Audits for Rolling Stock Procurements

AGENCY: Federal Transit Administration, DOT.

ACTION: Notice of Availability of Proposed Handbook and Request for Comments.

SUMMARY: The Federal Transit Administration (FTA) has placed in the docket and on its Web site proposed guidance, in the form of a handbook, on complying with FTA's Buy America pre-award and post-delivery audit requirements for rolling stock procurements, from the solicitation phase through final acceptance of the rolling stock. This proposed guidance explains and illustrates how to calculate domestic content of rolling stock, and it is intended for use by recipients of Federal funding, auditors, manufacturers, and suppliers (including subcontractors).

This proposed guidance explains to recipients how to verify and document their compliance with FTA's Buy America pre-award and post-delivery audit requirements. In addition, this proposed guidance encourages recipients, manufacturers, and suppliers to adopt certain best practices to ensure compliance with the pre-award and post-delivery audit requirements. By this notice, FTA invites public comment on this proposed guidance.

DATES: Comments must be submitted by August 17, 2015. Late-filed comments will be considered to the extent practicable.

ADDRESSES: Please submit your comments by only one of the following methods, identifying your submission by DOT Docket Number FTA-2015-0020. All electronic submissions must be made to the U.S. Government

electronic site at <http://www.regulations.gov>.

I. Overview

The FTA's objective in implementing 49 CFR part 661 (Buy America Requirements) and 49 CFR part 663 (Pre-Award and Post-Delivery Audits of Rolling Stock Purchases) is to support and promote the United States (U.S.) manufacturing industry and U.S. jobs. As guidance on the pre-award and post-delivery audit requirements for rolling stock procurements, FTA published two separate Buy America handbooks in May 1995—*i.e.*, one for rail vehicle procurements and one for bus procurements.

Over the past three years, FTA has conducted Buy America Compliance Reviews, where they observed and monitored the pre-award and post-delivery audit processes for fourteen capital grants. One primary finding was that FTA should provide more guidance and clarity on conducting pre-award and post-delivery Buy America audits required in FTA's Buy America regulations (49 CFR parts 661 and 663).

The FTA is proposing to publish a new Buy America handbook, entitled *Conducting Pre-Award and Post-Delivery Audits for Rolling Stock Procurements* (Handbook), which would replace FTA's two Buy America handbooks on this subject from 1995. The proposed Handbook would apply comprehensively to rolling stock procurements that are subject to the pre-award and post-delivery audit requirements set forth in 49 CFR part 663.

This notice provides a section-by-section summary of the proposed Handbook. The proposed Handbook itself is not included in this notice; instead, an electronic version may be found on FTA's Web site, at www.fta.dot.gov, and in the docket, at www.regulations.gov. Paper copies of the proposed Handbook may be obtained by contacting FTA's Administrative Services Help Desk at (202) 366-4865. The FTA seeks comment on the proposed Handbook.

II. Section-by-Section Summary

A. Section 1—Introduction

Section 1 of the proposed Handbook is an introductory chapter that provides a brief overview of the pre-award and post-delivery audit requirements set forth in 49 CFR parts 661 and 663, summarizes the contents of each subsequent section, and includes lists of relevant legal references, definitions, and acronyms.

This section states that the purpose of the proposed Handbook is to assist
