#### *No Taking Implications*

The Agency has analyzed the proposed directive in accordance with the principles and criteria contained in E.O. 12630. The Agency has determined that the proposed directive would not pose the risk of a taking of private property.

#### *Civil Justice Reform*

The proposed directive has been reviewed under E.O. 12988, titled "Civil Justice Reform." Upon adoption of the proposed directive, (1) all State and local laws and regulations that conflict with the proposed directive or that impede its full implementation would be preempted; (2) no retroactive effect would be given to the proposed directive; and (3) administrative proceedings would not be required before parties could file suit in court to challenge its provisions.

#### *Unfunded Mandates*

Pursuant to Title II of the Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538), the Agency has assessed the effects of this proposed directive on State, local, and Tribal governments and the private sector. The proposed directive would not compel the expenditure of \$100 million or more by any State, local, or Tribal government or anyone in the private sector. Therefore, a statement under section 202 of the act is not required.

#### *Energy Effects*

The Agency has reviewed the directive under E.O. 13211, titled "Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use." The Agency has determined that the proposed directive would not constitute a significant energy action as defined in the Executive Order.

#### *Controlling Paperwork Burdens on the Public*

This proposed directive does not contain any additional recordkeeping or reporting requirements or other information collection requirements as defined in 5 CFR part 1320 that are not already required by law or not already approved for use and therefore imposes no additional paperwork burden on the public. Accordingly, the review provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) and its implementing regulations at 5 CFR part 1320 do not apply.
