

The Commission believes that extending the 2014 Pilot Program will ensure that these risks remain subject to more stringent controls and that this, in turn, will help promote the prompt and accurate clearance and settlement of securities transactions. The Commission further believes that, by requiring tri-party repos to remain collateralized for a longer period each day, the 2014 Pilot Program helps to assure the safety of the securities and funds within FICC's control, or for which it is responsible.²⁰

III. Conclusion

On the basis of the foregoing, the Commission finds that the proposed rule change is consistent with the requirements of the Act, particularly those set forth in section 17A,²¹ and the rules and regulations thereunder.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,²² that the proposed rule change (SR-FICC-2015-002) be, and hereby is, approved.²³

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.²⁴

Robert W. Errett,
Deputy Secretary.

[Docket ID No: SBA-2015-0010]

Small Business Investment Company (SBIC) Program: SBA Model Form of Agreement of Limited Partnership for an SBIC Issuing Debentures

AGENCY: Small Business Administration.

ACTION: Notice; request for comments on Revised SBA Model Form of Agreement of Limited Partnership for an SBIC Issuing Debentures Only.

SUPPLEMENTARY INFORMATION: The SBIC Program was established under the Small Business Investment Act of 1958. SBICs are privately owned and managed investment funds, licensed and regulated by SBA, that use privately-raised capital plus funds borrowed with an SBA guarantee to make equity and debt investments in qualifying small businesses. The SBIC license application (SBA Form 2183) requires an applicant to submit, among other things, its organizational documents. The majority of applicants to the SBIC program are formed as limited partnerships, and these applicants must submit their limited partnership agreement as part of their application. The original version of the Model was developed in 2000 to assist applicants in producing a limited partnership agreement suitable for an SBIC and to facilitate this process by including provisions required by the regulations governing the SBIC Program (13 CFR part 107) and other SBA policy requirements designed to minimize the risk of loss to SBA in providing financial assistance to SBICs. The Model was updated in 2004, with additional limited updates since that time. The Model is available at <https://www.sba.gov/content/model-partnership-agreement-0>.

Since the last comprehensive update to the Model, changes have occurred both in the structure and operation of limited partnerships and in the venture capital industry. As part of its process of updating the Model, SBA published a notice in the **Federal Register** soliciting comments and recommendations from the public on April 22, 2014, 79 FR 22568. Those comments were posted and are available at Docket ID No: SBA-2014-0004, at www.regulations.gov. SBA carefully considered the comments received and incorporated those that the Agency believed were appropriate into the Model. The updated form of the Model is available at Docket ID No. SBA-2015-
