### Animal and Plant Health Inspection Service

*Title:* Importation of Peppers from Certain Central American Countries.

*OMB Control Number:* 0579–0274.

*Summary of Collection:* Under the Plant Protection Act (PPA) (7 U.S.C. 7701–7772), the Secretary of Agriculture is authorized to carry out operations or measures to detect, eradicate, suppress, control, prevent, or retard the spread of plant pests new to the United States or not known to be widely distributed throughout the United States. Regulations authorized by the PPA concerning the importation of fruits and vegetables into the United States from certain parts of the world are contained in “Subpart Fruits and Vegetables” (7 CFR 319.56–1 through 319.56–72). The fruits and vegetables regulations allow certain type of peppers grown in approved registered production sites in Costa Rica, El Salvador, Guatemala, Honduras, Nicaragua and Panama to be imported, under certain conditions, into the United States without treatment while continuing to provide protection against the introduction of quarantine pests into the United States.

*Need and Use of the Information:* The regulations require the use of information collection activities including inspections by Central American national plant protection organization officials, phytosanitary certificate, labeling of boxes, monitor traps, trapping records, bilateral workplan, production site registrations,
