Abstract of Proposed Collection

The purpose of the information collection is to determine whether a U.S. citizen/national parent has met the statutory physical presence or residence requirements to transmit U.S. citizenship to his or her child born abroad or in the United States for U.S. noncitizen nationality; to establish parentage of the child; and to fulfill the requirements of 8 U.S.C. 1409(a), which permits acknowledgment of paternity under oath and requires the U.S. citizen father's written agreement to provide financial support for his child born abroad out of wedlock. The affidavit may also be submitted by the U.S. citizen parent(s) to explain why a local birth certificate is unavailable and to state the facts that are relevant to the birth abroad.

Methodology

The information is collected in person or by mail. The Bureau of Consular Affairs is currently exploring options to make this information collection available electronically.
