Abstract of proposed collection: This collection will implement the *Agreement Between the Government of the United States of America and the Government of France to Address Claims Related to Deportation During the Holocaust*, signed on December 8, 2014. Upon final approval by the French government, the agreement will provide for the transfer of \$60 million from France to the United States, to compensate eligible claimants for harms suffered as the result of deportation from France during the Holocaust by SNCF, the French national rail carrier. In exchange for a lump sum, which the

United States would use to compensate eligible claimants, the United States would undertake a commitment to prevent the prosecution of deportation-related claims in U.S. courts by recognizing and protecting France's and SNCF's sovereign immunity for such claims.

The 60-day **Federal Register** notice was published on April 22, 2015 (80 FR 22604). One individual submitted a comment, suggesting that the Department actively solicit responses through the U.S. Holocaust Memorial Museum email system. The Department believes that this is a good suggestion and will explore using that avenue to publicize this program.

Methodology: The information will be collected on a form, the DS-7713, Statement of Claim, which can be submitted by mail or fax.

Dated: June 25, 2015.
