ACTION: Announcement of advisory committee public meeting.

SUMMARY: FMCSA announces a meeting of its Medical Review Board (MRB) on Tuesday and Wednesday, July 21–22, 2015. The MRB will identify factors the Agency should consider with regard to regulatory actions concerning Type I diabetes and vision standards for interstate commercial motor vehicle (CMV) drivers. This follows the Agency’s issuance of a Notice of Proposed Rulemaking (NPRM) on May 4, 2015, that would permit drivers with stable, well-controlled insulin-treated diabetes mellitus (ITDM) to be qualified to operate CMVs in interstate commerce. The MRB discussions would precede the Agency’s consideration of a rulemaking concerning the vision standard. Meetings are open to the public for their entirety, and the public will be allowed to comment during the proceedings.

DATES: The meeting will be held on Tuesday and Wednesday, July 21–22, 2015, from 9 a.m. to 4:30 p.m., Eastern Daylight Time (E.T.), at the FMCSA National Training Center, 1310 N. BILLING CODE 4910–EX–P**DEPARTMENT OF TRANSPORTATION****Federal Transit Administration****Request for Transit Advisory Committee for Safety (TRACS) Nominations**

AGENCY: Federal Transit Administration, DOT.

ACTION: Notice to solicit TRACS nominees.

SUMMARY: The Federal Transit Administration (FTA) is seeking nominations for individuals to serve as members for two-year terms on the Transit Advisory Committee for Safety (TRACS). The TRACS provides information, advice, and recommendations to the Secretary of

Transportation (Secretary) and the FTA Administrator in response to tasks assigned to the committee. The TRACS does not exercise program management responsibilities and makes no decisions directly affecting the programs on which it provides advice. The Secretary may accept or reject a recommendation made by TRACS and is not bound to pursue any recommendation from TRACS.

FOR FURTHER INFORMATION CONTACT: Bridget Zamperini, Office of Transit Safety and Oversight (TSO), Federal Transit Administration, 1200 New Jersey Avenue SE., Washington, DC 20590-0001 (telephone: 202-366-0306; or email: Bridget.Zamperini@dot.gov).

SUPPLEMENTARY INFORMATION:

I. Background

On December 8, 2009, TRACS was originally chartered by the Secretary for the purpose of providing a forum for the development, consideration, and communication of information from knowledgeable and independent perspectives regarding modes of public transit safety. The TRACS consists of members representing key constituencies affected by transit safety requirements, including transit rail and bus safety experts, research institutions, industry associations, labor unions, transit agencies, and State Safety Oversight Agencies.

With passage of the Moving Ahead for Progress in the 21st Century Act (MAP-21), Public Law 112-141 (2012), FTA's safety oversight authority is expanded to include all modes of public transportation. Therefore, TRACS membership is configured to reflect a broad range of safety constituents representative of the public transportation industry and include key constituencies affected by safety requirements for transit rail and/or transit bus. Individuals representing labor unions, rail and bus transit agencies, paratransit service providers (both general public and Americans with Disabilities Act complementary service), State Safety Oversight Agencies, State Departments of Transportation, transit safety research organizations and the rail and bus transit safety industry are invited to apply for membership.

The TRACS meets approximately twice a year, usually in Washington, DC, but may meet more frequently or via conference call as needed. Members serve at their own expense and receive no salary from the Federal Government. The FTA retains authority to review the participation of any TRACS member and to recommend changes at any time. The TRACS meetings will be open to

the public and one need not be a member of TRACS to attend. Interested parties may view the information about the committee at: <http://www.fta.dot.gov/about/13099.html>.

II. Nominations

Qualified individuals interested in serving on this committee are invited to apply to FTA for appointment. The FTA Administrator will recommend nominees for appointment by the Secretary. Appointments are for two-year terms; however, the Secretary may reappoint a member to serve additional terms. Nominees should be knowledgeable of trends or issues related to rail transit and bus transit safety. Along with their experience in the bus transit or rail transit industry, nominees will also be evaluated on factors including leadership and organizational skills, region of the country represented, diversity characteristics, and the overall balance of industry representation.

Each nomination should include the nominee's name and organizational affiliation, a cover letter describing the nominee's qualifications and interest in serving on the committee, a curriculum vitae or resume of the nominee's qualifications, and contact information including the nominee's name, address, phone number, fax number, and email address. Self-nominations are acceptable. The FTA prefers electronic submissions for all applications to TRACS@dot.gov. Applications will also be accepted via U.S. mail at the address identified in the **FOR FURTHER INFORMATION CONTACT** section of this notice.

In the near-term, FTA expects to nominate up to eight representatives from the public transportation safety community for immediate TRACS membership. In order to be considered for this round of appointments, applications should be submitted by August 31, 2015. The Secretary, in consultation with the FTA Administrator, will make the final decision regarding committee membership selections.

Therese W. McMillan,

Acting Administrator.
