antidumping duty order is brass sheet
and strip, other than leaded brass and
tin brass sheet and strip, from Italy,
which is currently classified under
subheading 7409.21.00.50,

7409.21.00.75, 7409.21.00.90,
7409.29.00.50, 7409.29.00.75, and

Schedule of the United States (HTSUS).
The HTSUS numbers are provided for
convenience and customs purposes. A
full description of the scope of the order
is contained in the Preliminary Decision
Memorandum.² The written description
is dispositive.

Final Results of Review

As a result of our review, we
determine that the following dumping
margin on BSS from Italy exists for the
period March 1, 2013, through February
28, 2014:

Exporter/manufacturer	Dumping margin (percent)
KME Italy SpA	22.00

Assessment Rates

Pursuant to section 751(a)(2)(C) of the
Act and 19 CFR 351.212(b)(1), the
Department determined, and CBP shall
assess, antidumping duties on all
appropriate entries of subject
merchandise, in accordance with the
final results of this review. The
Department intends to issue assessment
instructions to CBP 15 days after the
date of publication of these final results
of review.

Cash Deposit Requirements

The following deposit requirements
will be effective upon publication of the
notice of final results of administrative
review for all shipments of BSS from
Italy entered, or withdrawn from
warehouse, for consumption on or after
the date of publication, as provided by
section 751(a)(2) of the Act: (1) The cash
deposit rate for KME Italy SpA will be
equal to the dumping margin
established in the final results of this
review; (2) for merchandise exported by
manufacturers or exporters not covered
in this review but covered in a prior
segment of the proceeding, the cash
deposit rate will continue to be the
company-specific rate published for the
most recently completed segment of this
proceeding; (3) if the exporter is not a
firm covered in this review, a prior
review, or the less-than-fair-value
(LTFV) investigation but the
manufacturer is, the cash deposit rate
will be the rate established for the most
recently completed segment of this
proceeding for the manufacturer of the
merchandise; and (4) if neither the
exporter nor the manufacturer has its

own rate, the cash deposit rate will
continue to be 5.44 percent, the all-
others rate determined in the LTFV
investigation. These deposit
requirements, when imposed, shall
remain in effect until further notice.

Notifications to Importers

This notice serves as a final reminder
to importers of their responsibility
under 19 CFR 351.402(f)(2) to file a
certificate regarding the reimbursement
of antidumping duties prior to
liquidation of the relevant entries
during this review period. Failure to
comply with this requirement could
result in the Secretary's presumption
that reimbursement of antidumping
duties occurred and the subsequent
assessment of doubled antidumping
duties.

Notification to Interested Parties

This notice also serves as a reminder
to parties subject to administrative
protective orders (APO) of their
responsibility concerning the return or
destruction of proprietary information
disclosed under APO in accordance
with 19 CFR 351.305(a)(3), which
continues to govern business
proprietary information in this segment
of the proceeding. Timely written
notification of the return/destruction of
APO materials, or conversion to judicial
protective order, is hereby requested.
Failure to comply with the regulations
and the terms of an APO is a
sanctionable violation.

We are issuing and publishing these
results in accordance with sections
751(a)(1) and 777(i)(1) of the Act.

Dated: June 26, 2015.

*Assistant Secretary for Enforcement and
Compliance.*
