information collections, as well as one collection in use without an OMB number. SSA is soliciting comments on the accuracy of the agency’s burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, email, or fax your comments and recommendations on the information collection(s) to the OMB Desk Officer and SSA Reports Clearance Officer at the following addresses or fax numbers.

(OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202–395–6974, Email address: OIRA_Submission@omb.eop.gov.

(SSA), Social Security Administration, OLCA, Attn: Reports Clearance Director, 3100 West High Rise, 6401 Security Blvd., Baltimore, MD 21235, Fax: 410–966–2830, Email address: OR.Reports.Clearance@ssa.gov.

Your comments regarding the information collection would be most useful if OMB and SSA receive them 30 days from the date of this publication. To be sure we consider your comments, we must receive them no later than August 6, 2015. Individuals can obtain copies of the OMB clearance package by writing to OR.Reports.Clearance@ssa.gov.

1. Authorization for the Social Security Administration to Obtain Personal Information—20 CFR 404.704; 404.820—404.823; 404.1926; 416.203; and 418.3001—0960—NEW. SSA requests respondents fill out Form SSA–8510, allowing SSA to contact a public or private custodian of records on behalf of an applicant or recipient of an SSA program to request evidence information, which may support a benefit application or payment continuation. We ask for evidence information such as the following:

- Age requirements (e.g. birth certificate, court documents)
- Insured status (e.g. earnings, employer verification)
- Marriage or divorce information
- Pension offsets
- Wages verification
- Annuities
- Property information
- Benefit verification from a State agency or third party
- Immigration status (rare instances)
- Income verification from public agencies or private individuals
- Unemployment benefits
- Insurance policies

If the custodian requires a signed authorization from the individual(s) whose information SSA requests, SSA may provide the custodian with a copy of the SSA–8510. Once the respondent completes the SSA–8510, either using the paper form, or using the Modernized Supplemental Security Income Claims System (MSSICS) version, SSA uses the form as the authorization to obtain personal information regarding the respondent from third parties until the authorizing person (respondent) revokes the permission of its usage. The collection is voluntary; however, failure to verify the individuals’ eligibility can prevent SSA from making an accurate and timely decision for their benefits. The respondents are individuals who may file for, or currently receive, Social Security benefits, SSI payments, or Medicare part D subsidies.

unmarried children under age 21, and parents. Eligible nationalities are determined on an annual basis following careful review of several factors, including the United Nations High Commissioner for Refugees’ annual assessment of refugees in need of resettlement, prospective or ongoing repatriation efforts, and U.S. foreign policy interests. The P–3 category, along with the other categories of cases that have access to USRAP, is outlined in the annual Proposed Refugee Admissions—Report to Congress, which is submitted on behalf of the President in fulfillment of the requirements of section 207(d) of the Immigration and Nationality Act (8 U.S.C. 1157), and authorized by the annual Presidential Determination for Refugee Admissions. Having an AOR filed on a potential applicant’s behalf by an eligible anchor relative will be one of the criteria for access to this program. The AOR also informs the anchor relative that DNA evidence of all claimed parent-child relationships between the anchor relative and parents and/or unmarried children under 21 will be required as a condition of access to P–3 processing and that the costs will be borne by the anchor relative or his/her family members who may apply for access to refugee processing, or their derivative beneficiaries, as the case may be. Successful applicants may be eligible for reimbursement of DNA test costs.

Methodology

This information collection currently involves the limited use of electronic techniques. Anchors in the United States may visit any resettlement agency with the other categories of cases that have access to USRAP, is outlined in the annual Proposed Refugee Admissions—Report to Congress, which is submitted on behalf of the President in fulfillment of the requirements of section 207(d) of the Immigration and Nationality Act (8 U.S.C. 1157), and authorized by the annual Presidential Determination for Refugee Admissions. The AOR also informs the anchor relative that DNA evidence of all claimed parent-child relationships between the anchor relative and parents and/or unmarried children under 21 will be required as a condition of access to P–3 processing and that the costs will be borne by the anchor relative or his/her family members who may apply for access to refugee processing, or their derivative beneficiaries, as the case may be. Successful applicants may be eligible for reimbursement of DNA test costs.
