TFR Temporary Final Rule

A. Regulatory History and Information

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable. The final details for this event were not known to the Coast Guard until there was insufficient time remaining before the event to publish an NPRM. Thus,

delaying the effective date of this rule to wait for a comment period to run would be impracticable and contrary to the public interest because it would inhibit the Coast Guard's ability to protect race participants and spectators from the hazards associated with a paddleboard race.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this temporary rule effective less than 30 days after publication in the **Federal Register**. For the same reasons discussed in the preceding paragraph, waiting for a 30 day notice period to run would be impracticable and contrary to the public interest.

B. Basis and Purpose

The legal basis and authorities for this rule are found in 33 U.S.C. 1231, 46 U.S.C. Chapter 701, 3306, 3703; 50 U.S.C. 191, 195; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Pub. L. 107-295, 116 Stat. 2064; and Department of Homeland Security Delegation No. 0170.1, which collectively authorize the Coast Guard to establish and define regulatory safety zones.

Between 7:45 a.m. and 12:15 p.m. on July 11, 2015, a paddleboard race will be held along the shoreline of Lake Erie, Fairport Harbor, OH, directly north of Fairport Harbor Lakefront Park. It is anticipated that numerous spectator vessels will be in the immediate vicinity of the race. The Captain of the Port Buffalo has determined that such an event proximate to a gathering of watercraft pose a significant risk to public safety and property. Such hazards include hazardous navigation situations with less maneuverable watercraft and people falling into the water.

C. Discussion of the Final Rule

With the aforementioned hazards in mind, the Captain of the Port Buffalo has determined that this temporary safety zone is necessary to ensure the safety of participants and safety vessels during the Lake Metroparks Stand-Up Paddleboard Race. The safety zone will encompass all waters of Lake Erie, Fairport Harbor, OH directly north of Fairport Harbor Lakefront Park from 41° 45.5' N. and 081° 16.5' W. to 41° 45.8' N. and 081° 16.5' W. to 41° 45.9' N. and 081° 15.6' W. to 41° 45.6' N. and 081° 15.6' W. (NAD 83).

Entry into, transiting, or anchoring within the safety zone is prohibited unless authorized by the Captain of the Port Buffalo or his designated on-scene representative. The Captain of the Port or his designated on-scene representative may be contacted via VHF Channel 16.
