Therefore, the Commission hereby waives the 30-day operative delay and designates the proposed rule change to be operative upon filing with the Commission.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) Necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Designation of Longer Period for Commission Action on Proposed Rule Change Relating to Rule 6.53C and Complex Orders on the Hybrid System

July 6, 2015.

On May 12, 2015, Chicago Board Options Exchange, Incorporated (the "Exchange" or "CBOE") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to modify Rule 6.53C, Complex Orders on the Hybrid System, to give the Exchange the flexibility to distinguish between Professional and non-Professional orders for the purposes of determining eligibility for COA. The proposed rule change was published for comment in the **Federal Register** on May 27, 2015.³ On June 3, 2015, CBOE filed Amendment No.1 to the proposed rule change.⁴ The Commission received no comment letters regarding the proposed rule change.

Section 19(b)(2) of the Act⁵ provides that within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be

The Commission is extending the 45-day time period for Commission action on the proposed rule change. Accordingly, pursuant to Section 19(b)(2) of the Act⁶ and for the reasons stated above, the Commission designates August 25, 2015, as the date by which the Commission should either approve or disapprove, or institute proceedings to determine whether to disapprove, the proposed rule change.
