Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2015-0197]

Hours of Service of Drivers: R&R Transportation Group; Application for Exemption

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of application for exemption; request for comments.

SUMMARY: FMCSA announces that it has received an application from the R&R Transportation Group (R&R) for an exemption from the minimum 30-minute rest break requirement of the Agency's hours-of-service (HOS) regulations for commercial motor vehicle (CMV) drivers. The exemption would be available to R&R's drivers engaged in the transportation of materials that by their nature must be attended, such as radioactive materials, pharmaceuticals, and ammunition. The exemption would provide qualified drivers the same regulatory flexibility that the HOS regulations allow drivers transporting explosives, *i.e.* to use 30 minutes or more of attendance time to meet the HOS rest break requirements, provided they do not perform any other work during the break. FMCSA requests
