8. Taking of Private Property
This rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform
This rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children From Environmental Health Risks
We have analyzed this rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments
This rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects
This rule is not a “significant energy action” under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards
This rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment
We have analyzed this rule under Department of Homeland Security Management Directive 023–01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321–4370f), and have concluded this action is one of a category of actions which do not individually or cumulatively have a significant effect on the human environment. This rule is categorically excluded, under figure 2–1, paragraph (34)(g), of the Instruction. This rule involves the establishment of a safety zone. A final categorical exclusion document and environmental checklist are located in the docket for this rule.

List of Subjects in 33 CFR Part 165
Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

§ 165.930 The regulations in 33 CFR part 165 will be enforced intermittently from 8 a.m. to 6 p.m. on Monday.
through Friday, from August 3, 2015, through August 14, 2015. In the event of a postponement of the trial tests due to inclement weather or other unforeseen circumstances, this zone will be enforced intermittently from 8 a.m. to 6 p.m. on Monday through Friday from August 24, 2015, through September 18, 2015, excluding September 7, 2015.

FOR FURTHER INFORMATION CONTACT: If you have questions on this document, call or email LT Lindsay Cook, Waterways Department, Coast Guard Marine Safety Unit Chicago, telephone 630–986–2155, email address D09-DG-MSUChicago-Waterways@uscg.mil.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce a segment of the Safety Zone; Brandon Road Lock and Dam to Lake Michigan including Des Plaines River, Chicago Sanitary and Ship Canal, Chicago River, Calumet-Saganashkee Channel, Chicago, IL, listed in 33 CFR 165.930. Specifically, the Coast Guard will enforce this safety zone on all waters of the Chicago Sanitary and Ship Canal between Mile Marker 286.1 to Mile Marker 296.7. Enforcement will occur intermittently from 8 a.m. to 6 p.m. on Monday through Friday, from August 3, 2015, through August 14, 2015. In the event of a postponement of the trial tests due to inclement weather or other unforeseen circumstances, this zone will be enforced intermittently from 8 a.m. to 6 p.m. on August 17, 2015, through September 18, 2015, excluding September 7, 2015.

This enforcement action is necessary because the Captain of the Port Lake Michigan has determined that the U.S. Fish and Wildlife Service’s trial tests on the water for Asian Carp studies pose risks to life and property. Because of these risks, it is necessary to control vessel movement during the operations to prevent injury and property loss.

In accordance with the general regulations in § 165.23 of this part, entry into, transiting, mooring, laying up, or anchoring within the enforced area of this safety zone by any person or vessel is prohibited unless authorized by the Captain of the Port Lake Michigan or her designated representative.

Vessels that wish to transit through the safety zone may request permission from the Captain of the Port Lake Michigan. Requests must be made in advance and approved by the Captain of the Port before transits will be authorized. Approvals will be granted on a case by case basis. The Captain of the Port representative may be contacted via U.S. Coast Guard Sector Lake Michigan on VHF channel 16.

This document is issued under authority of 33 CFR 165.930 and 5 U.S.C. 552(a). In addition to this publication in the Federal Register, the Captain of the Port Lake Michigan will also provide notice through other means, which may include Broadcast Notice to Mariners, Local Notice to Mariners, local news media, distribution in leaflet form, and on-scene oral notice. Additionally, the Captain of the Port Lake Michigan may notify representatives from the maritime industry through telephonic and email notifications.

Dated: June 30, 2015.
A.B. Cocanour,
Captain, U.S. Coast Guard, Captain of the Port, Lake Michigan.

SUPPLEMENTARY INFORMATION: The Coast Guard will enforce a segment of the Safety Zone; Brandon Road Lock and Dam to Lake Michigan including Des Plaines River, Chicago Sanitary and Ship Canal, Chicago River, Calumet-Saganashkee Channel, Chicago, IL, listed in 33 CFR 165.930. Specifically, the Coast Guard will enforce this safety zone in the vicinity of the Brandon Road Lock and Dam between Mile Marker 286 and Mile Marker 286.5. Enforcement will occur intermittently from 8 a.m. to 6 p.m. on Monday through Friday, from August 17, 2015, through August 21, 2015. In the event of a postponement of the trial tests due to inclement weather or other unforeseen circumstances, this zone will be enforced intermittently from 8 a.m. to 6 p.m. on Monday through Friday from August 24, 2015, through September 18, 2015, excluding September 7, 2015.

This enforcement action is necessary because the Captain of the Port Lake Michigan has determined that U.S. Fish and Wildlife Service’s trial tests on the water for Asian Carp studies pose risks to life and property. Because of these risks, it is necessary to control vessel movement during the operations to prevent injury and property loss.

In accordance with the general regulations in § 165.23 of this part, entry into, transiting, mooring, laying up, or anchoring within the enforced area of this safety zone by any person or vessel is prohibited unless authorized by the Captain of the Port Lake Michigan or her designated representative.

Vessels that wish to transit through the safety zone may request permission from the Captain of the Port Lake Michigan. Requests must be made in advance and approved by the Captain of the Port before transits will be authorized. Approvals will be granted on a case by case basis. The Captain of the Port representative may be contacted

DATES: The regulations in 33 CFR 165.930 will be enforced intermittently from 8 a.m. to 6 p.m. on Monday through Friday, from August 17, 2015, through August 21, 2015. In the event of a postponement of the trial tests due to inclement weather or other unforeseen circumstances, this zone will be enforced intermittently from 8 a.m. to 6 p.m. on Monday through Friday from August 24, 2015, through September 18, 2015, excluding September 7, 2015.
