

(3) For the investigation so instituted, the Chief Administrative Law Judge, U.S. International Trade Commission, shall designate the presiding Administrative Law Judge.

Responses to the complaint and the notice of investigation must be submitted by the named respondents in accordance with section 210.13 of the Commission's Rules of Practice and Procedure, 19 CFR 210.13. Pursuant to 19 CFR 201.16(e) and 210.13(a), such responses will be considered by the Commission if received not later than 20 days after the date of service by the Commission of the complaint and the notice of investigation. Extensions of time for submitting responses to the complaint and the notice of investigation will not be granted unless good cause therefor is shown.

Failure of a respondent to file a timely response to each allegation in the complaint and in this notice may be deemed to constitute a waiver of the right to appear and contest the allegations of the complaint and this notice, and to authorize the administrative law judge and the Commission, without further notice to the respondent, to find the facts to be as alleged in the complaint and this notice and to enter an initial determination and a final determination containing such findings, and may result in the issuance of an exclusion order or a cease and desist order or both directed against the respondent.

By order of the Commission.

Issued: July 15, 2015.

Jennifer Rohrbach,

Supervisory Attorney.

DEPARTMENT OF JUSTICE

Notice of Lodging of Proposed Consent Decree Under the Clean Air Act

On July 15, 2015, the Department of Justice lodged a proposed Consent Decree with the United States District Court for the Northern District of Iowa in the lawsuit entitled *United States, et al. v. Interstate Power and Light Company*, Civil Case No. 1:15-cv-00061 (N.D. Iowa). The State of Iowa, Linn County Iowa, and the Sierra Club are co-plaintiffs in the case.

In this civil enforcement action under the federal Clean Air Act ("Act"), the United States alleges that Interstate Power and Light Company ("Defendant"), failed to comply with certain requirements of the Act intended

to protect air quality at power plants in Iowa. The complaint seeks injunctive relief and civil penalties for violations of the Clean Air Act's Prevention of Significant Deterioration ("PSD") provisions, 42 U.S.C. 7470-92, and various Clean Air Act implementing regulations. Specifically, the complaint alleges that Defendant failed to obtain appropriate permits and failed to install and operate required pollution control devices to reduce emissions of sulfur dioxide ("SO₂") and/or nitrogen oxides ("NO_x") at the company's Ottumwa and Lansing plants.

The proposed Consent Decree would resolve violations for certain provisions of the Act at the Ottumwa and Lansing plants as well as Defendant's five other coal-fired power plants in Iowa: The Burlington, Dubuque, M.L. Kapp, Prairie Creek, and Sutherland plants. The proposed Consent Decree would require the Defendant to reduce harmful SO₂, NO_x, and particulate matter emissions from these seven plants through the installation and operation of pollution controls and conversions to natural gas or retirements. The Defendant will also spend \$6,000,000 to fund environmental mitigation projects that will further reduce emissions and benefit communities adversely affected by the pollution from the plants, and pay a civil penalty of \$1,100,000.

The publication of this notice opens a period for public comment on the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States, et al. v. Interstate Power and Light Company*, Civil Case No. 1:15-cv&00061 (N.D. Iowa), D.J. Ref. No. 90-5-2-1-10594. All comments must be submitted no later than thirty (30) days after the publication date of this notice. Comments may be submitted either by email or by mail:
