

liquidation of entries pending a “conclusive” court decision.

The CIT’s July 6, 2015 final judgment affirming the Department’s redetermination constitutes a final decision of the Court that is not in harmony with the original *Amended Final Determination*. This notice is published in fulfillment of the publication requirements of *Timken*.

Amended Final Determination

There is now a final court decision with respect to the *Amended Final Determination* as it concerns the eight separate rate respondents and the PRC-wide entity in this matter. For the eight separate rate respondents, as of the date of this notice, all eight companies have received updated cash deposit rates, and their rates will not change as a result of this litigation. However, for the PRC-wide entity, the Department is amending the *Amended Final Determination* and the revised cash deposit rate for this entity is as follows:

Exporter	Cash deposit rate (percent)
PRC-wide entity	25.62
