Foreign-Trade Zones Board

[B-46-2015]

Foreign-Trade Zone 147—Berks County, Pennsylvania; Application for Reorganization (Expansion of Service Area); Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the FTZ Corporation of Southern Pennsylvania, grantee of Foreign-Trade Zone 147, requesting authority to reorganize the zone to expand its service area under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the FTZ Board (15 CFR part 400). It was formally docketed on July 20, 2015.

FTZ 147 was approved by the FTZ Board on June 28, 1988 (Board Order 378, 53 FR 26094, July 11, 1988) and reorganized under the ASF on April 30, 2013 (Board Order 1897, 78 FR 27953-27954, May 13, 2013). The zone currently has a service area that includes Berks, Cumberland, Dauphin, Franklin, Lancaster and York Counties, Pennsylvania.

The applicant is now requesting authority to expand the service area of

the zone to include Adams, Fulton, Juniata, Lebanon and Perry Counties, Pennsylvania, as described in the application. If approved, the grantee would be able to serve sites throughout the expanded service area based on companies’ needs for FTZ designation. The proposed expanded service area is adjacent to the Harrisburg Customs and Border Protection Port of Entry.

In accordance with the FTZ Board’s regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is September 25, 2015. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to October 13, 2015.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the “Reading Room” section of the FTZ Board’s Web site, which is accessible via www.trade.gov/ftz. For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482-0473.

Dated: July 20, 2015.

Andrew McGilvray,
Executive Secretary.

Background

On October 1, 2012, the Department issued its *Final Determination* in which it determined that Deacero’s shipments of wire rod with an actual diameter of 4.75 mm to 5.00 mm constitute a circumventing minor alteration of the *Order*.⁴ Deacero challenged the Department’s determination.
