71.1. The Class D and Class E airspace designations listed in this document will be published subsequently in the Order.

The FAA has determined this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. Therefore, this proposed regulation; (1) is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified this proposed rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1E. “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

DEPARTMENT OF STATE

22 CFR Part 171

RIN 1400–AD44

[Public Notice: 9198]

Public Access to Information

AGENCY: Department of State.

ACTION: Proposed rule.

SUMMARY: The Department of State proposes to revise its regulations of November 3, 2004 and October 11, 2007 governing the availability to the public of information that is under the control of the Department. There have been several changes in the law and regulations governing disclosure of such information, including the OPEN Government Act of 2007 and the OPEN FOIA Act of 2009. This proposed rule reflects changes in the FOIA and other statutes and consequent changes in the Department’s procedures since the last revision of the Department’s regulations on this subject.

DATES: The Department will consider comments from the public that are received within September 28, 2015.

ADDRESSES: You may make comments by any of the following methods, and you must include the RIN in the subject line of your message.

• Fax: (202) 261–8579.

• Hand Delivery or Courier: State Annex 2 (SA–2), 515 22nd Street NW., Washington, DC.

• Persons with access to the Internet may view this rule and submit comments by going to www.regulations.gov.

Inspection of public comments: All comments received before the close of the comment period will be available for public inspection, including any personally identifiable or confidential business or financial information that is included in a comment. The Department of State will post all comments received before the close of the comment period at www.regulations.gov.

SUPPLEMENTARY INFORMATION: This proposed rule updates 22 CFR part 171. Notably, the former subpart C pertaining to declassification of national security information and access to classified information by historical researchers and certain former government personnel has been removed from Part 171 and incorporated into 22 CFR part 9 on National Security Information (See final rule at 79 FR 35935). The former subpart F pertaining to appeals no longer exists, and the information formerly contained within that subpart was added to subparts B and C of Part 171 and 22 CFR part 9. Additionally, the responsibility for responding to requests for public financial disclosure reports has been transferred to the Department of State’s Office of the Legal Adviser. Accordingly, any such requests are processed by the Office of the Legal Adviser rather than the Office of Information Programs and Services (see subpart D).

Regulatory Findings

Administrative Procedure Act. The Department of State is publishing this proposed rule consistent with the provisions of 5 U.S.C. 553, with a 60-day public comment period.

Regulatory Flexibility Act. The Department of State, in accordance with the Regulatory Flexibility Act, 5 U.S.C. 605(b), has reviewed this regulation and, by approving it, certifies that this rule will not have a significant economic impact on a substantial number of small entities.

Unfunded Mandates Act of 1995. This rule will not result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of $100 million or more in any year, and it will not significantly or uniquely affect small governments. Therefore, no actions were deemed necessary under the provisions of the Unfunded Mandates Reform Act of 1995.

Small Business Regulatory Enforcement Fairness Act of 1996. This rule is not a major rule as defined by section 804 of the Small Business Regulatory Enforcement Fairness Act of 1996. This rule will not result in an annual effect on the economy of $100 million or more; a major increase in costs or prices; or significant adverse effects on competition, employment, investment, productivity, innovation, or on the ability of United States-based companies to compete with foreign-based companies in domestic and import markets.

Executive Order 12988—Civil Justice Reform. The Department has reviewed this regulation in light of Executive Order 12988 to eliminate ambiguity, minimize litigation, establish clear legal standards, and reduce burden.

Executive Orders 12372 and 13132—Federalism. This regulation will not have substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, in accordance with Executive Order 13132, it is determined that this rule does not have sufficient federalism implications to require consultations or warrant the preparation of a federalism summary impact statement. The regulations implementing Executive Order 12372 regarding intergovernmental consultation on Federal programs and activities do not apply to this regulation.

Executive Order 13175—Consultation and Coordination With Indian Tribal Governments. The Department has determined that this rulemaking will not have tribal implications, will not impose substantial direct compliance costs on Indian tribal governments, and will not pre-empt tribal law. Accordingly, the requirements of Executive Order 13175 do not apply to this rulemaking.

Executive Orders 12866 and 13563—Improving Regulation and Regulatory Review. The Department has considered this proposed rule in light of these Executive Orders and affirms that this regulation is consistent with the guidance therein. The benefits of this rulemaking for the public include, but are not limited to, providing an up-to-date procedure for requesting information from the Department. The Department is aware of no cost to the public from this rulemaking.

Paperwork Reduction Act. This rule does not impose or revise any reporting or record-keeping requirements subject to the Paperwork Reduction Act, 44 U.S.C. Chapter 35.

171.30 Purpose and scope.
171.31 Requests.

Subpart A—General Policy and Procedures

§ 171.1 General provisions.

(a) This subpart contains the rules that the Department of State and the Foreign Service Grievance Board (FSGB), an independent body, follow in processing requests for records under the Freedom of Information Act (FOIA), 5 U.S.C. 552, as amended, and the Privacy Act of 1974 (PA), 5 U.S.C. 552a, as amended. Records of the Department shall be made available to the public upon request made in compliance with the access procedures established in this Part, except for any records exempt by law from disclosure. Regulations at 22 CFR 172.1–9 govern, inter alia, the service of subpoenas, court orders, and other demands or requests for official Department information or action, as well as the Department’s response to demands or requests for official Department information or action in
and the Department’s records disposition schedules. Also available on the FOIA Web site are certain records released by the Department pursuant to requests under the FOIA and compilations of records reviewed and released in certain special projects. In addition, see 22 CFR part 173 regarding materials disseminated abroad by the Department.

§ 171.4 Requests for information—types and how made.

(a) Requests for records made in accordance with subparts A, B, and C must be made in writing and may be made by mail addressed to the Office of Information Programs and Services (IPS), U.S. Department of State, State Annex 2 (SA–2), 515 22nd Street NW., Washington, DC 20522–8100, or by fax to (202) 261–8579, or through the Department’s FOIA Web site (www.foia.state.gov). PA requests may be made by mail or fax only. IPS does not accept requests submitted by email. (1) Requests for passport records that are covered under PA System of Records Notice 26, including passport records issued from 1925 to present, should be mailed to U.S. Department of State, Law Enforcement Liaison Division, CA/PPT/S/L/L, 44132 Mercure Cir, P.O. Box 1227, Sterling, VA 20166. Further guidance on obtaining passport records is available on the Department’s Web site: travel.state.gov/content/passports/english/passports/services/obtain-copies-of-passport-records.html. (2) Requests for records of the Office of Inspector General (OIG) may be submitted to U.S. Department of State, Office of Inspector General, Office of General Counsel, Washington, DC 20520–0308, ATTN: FOIA officer. In addition, FOIA requests seeking OIG records may be submitted via email to oigfoia@state.gov, which is preferred. PA requests are accepted by mail only. Guidance is available on the OIG’s Web site: oig.state.gov/foia/index.htm. (3) All other requests for other Department records must be submitted to the Office of Information Programs and Services by one of the means noted above. The Office of Information Programs and Services, the Law Enforcement Liaison Division of the Office of Passport Services, and the OIG are the only Department components authorized to accept FOIA requests submitted to the Department. (4) Providing the specific citation to the statute under which a requester is seeking information will facilitate the processing of the request by the Department. The Department automatically processes requests for information maintained in a PA system of records under both the FOIA and the PA to provide the requester with the greatest degree of access to the requester. Such information may be withheld only if it is exempt from access under both laws; if the information is exempt under only one of the laws, it must be released. (b) Although no particular format is required, a request must reasonably describe the Department records that are sought. To the extent that requests are specific and include all pertinent details about the requested information, it will be easier for the Department to locate responsive records. For FOIA requests, such details include the subject, timeframe, names of any individuals involved, a contract number (if applicable), and reasons why the requester believes the Department may have records on the subject of the request. (c) While every effort is made to guarantee the greatest possible access to all requesters regardless of the statute(s) under which the information is requested, the following guidance is provided for the benefit of requesters: (1) The Freedom of Information Act applies to requests for records concerning the general activities of the Department in particular (see subpart B of this Part). (2) The Privacy Act applies to requests from U.S. citizens or legal permanent resident aliens for records that pertain to them that are maintained by the Department in a system of records retrievable by the individual’s name or personal identifier (see subpart C of this Part). (d) As a general matter, information access requests are processed in the order in which they are received. However, if the request is specific and the search can be narrowed, it may be processed more quickly. Additionally, FOIA requests granted expedited processing will be placed in the expedited processing queue (see section 171.11(f) of this Part for more information). Multi-tracking of FOIA requests is also used to manage requests (see section 171.11(h)).

§ 171.5 Archival records.

The Department ordinarily transfers records designated as historically significant to the National Archives when they are 25 years old. Accordingly, requests for some Department records 25 years old or older should be submitted to the National Archives by mail addressed to Special Access and FOIA Staff (NWCFTF), 8601 Adelphi Road, Room 5500, College Park, MD 20740; by fax to (301) 837–1864; or by email to
specialaccess: foia@nara.gov. The Department’s Web site, www.foia.state.gov, has additional information regarding archival records.

§ 171.10 Purpose and scope.

This subpart contains the rules that the Department follows under the Freedom of Information Act (FOIA), 5 U.S.C. 552, as amended. The rules should be read together with the FOIA, which provides additional information about access to records and contains the specific exemptions that are applicable to withholding information, the Uniform Freedom of Information Fee Schedule and Guidelines published by the Office of Management and Budget (OMB Guidelines), and information located at www.foia.state.gov. The Department processes records located at www.foia.state.gov maintained in a Privacy Act (PA) system of records that are determined to be exempt from disclosure under the PA as well. As a result, requests that seek such records are also subject to this subpart.

§ 171.11 Processing requests.

(a) In general. The Director of the Office of Information Programs and Services (IPS) is responsible for initial action on all FOIA requests for Department records with two exceptions: Requests submitted directly to the Office of Inspector General (OIG), which receives and processes requests for OIG records; and the Office of Passport Services in the Bureau of Consular Affairs (PPT), which receives and processes requests for passport records (see section 171.4(a)). Once received by IPS, all requests for records coming under the jurisdiction of the following bureaus or offices are processed by those bureaus, although IPS may provide review and coordination support to these bureaus/offices in some situations: The Bureau of Consular Affairs’ Office of Visa Services, Office of Passport Services (except for information identified in 171.4(a)), and Office of Overseas Citizens Services; the Bureau of Diplomatic Security; the Bureau of Human Resources; the Office of Medical Services; and the Foreign Service Grievance Board (FSGB). Additionally, the FSGB, as an independent body, processes all FOIA requests seeking access to its records and responds directly to requesters.

(b) Definitions. The following definitions apply for purposes of this section:

(1) Control means the Department’s legal authority over a record, taking into account the ability of the Department to use and dispose of the record, the intent of the record’s creator to retain or relinquish control over the record, the extent to which Department personnel have read or relied upon the record, and the degree to which the record has been integrated into the Department’s record-keeping systems or files.

(2) Urgently needed information. The information has a particular value that will be lost if not disseminated quickly. Ordinarily this means a breaking news story of general public interest. Information of historical interest only or information sought for litigation or commercial activities would not generally qualify, nor would a news media publication or broadcast deadline unrelated to the breaking nature of the story.

(3) Actual or alleged Federal government activity. The information concerns actual or alleged actions taken or contemplated by the government of the United States, or by one of its components or agencies, including the Congress.

(4) Unusual circumstances means:

(i) The need to search for and collect the requested records from Foreign Service posts or Department offices other than IPS; (ii) the need to search for, collect, and appropriately examine a voluminous amount of distinct records; or

(iii) The need to consult with another agency or other agencies that have/have a substantial interest in the records, or among two or more Department components that have a substantial subject-matter interest therein. In the majority of requests received by the Department unusual circumstances exist due to the need to search in multiple bureaus/offices/posts located around the globe.

(c) Form of request and response. A requester may ask for any information he or she believes the Department has in its possession or control. The requester must describe the records sought in sufficient detail to enable Department personnel to locate them with a reasonable amount of effort. The more specific the information the requester furnishes, the more likely that Department personnel will be able to locate responsive records if they exist. Any records provided in response to a request shall be provided in the form or format requested if the records are readily reproducible in that form or format.

(d) Agreement to pay fees. By making a FOIA request, the requester shall be considered to have agreed to pay all applicable fees up to $25, unless a fee waiver is granted. IPS will confirm this agreement in an acknowledgement letter. When making a request, the requester may specify a willingness to pay a greater or lesser amount. If the Department determines that costs and fees will exceed the amount agreed to by the requester, the Department shall inform the requester of estimated fees and process up to the amount of the original agreement, unless a new agreement is made.

(e) Receipt of request. The Department is in receipt of a request when it reaches IPS, OIG, or PPT, depending on which office is the intended recipient. At that time, the Department (IPS, OIG, or PPT) has 20 working days in which to determine whether to comply with a perfected request. Regardless of which of the three offices authorized to receive FOIA requests receives the request (whether IPS, OIG, or PPT), the Department shall have no more than 10 working days to direct a request to the appropriate office (whether IPS, OIG, or PPT), at which time the 20-day limit for responding to the request will commence. The 20-day period shall not be tolled by the Department except:

(1) The Department may make one request to the requester for clarifying information and toll the 20-day period while waiting for the requester’s response; or

(2) If necessary to clarify with the requester issues regarding fees. In either case, the Department’s receipt of the information from the requester ends the tolling period.

(f) Expedited processing. Requests shall receive expedited processing when a requester demonstrates that a “compelling need” for the information exists. A “compelling need” is deemed to exist where the requester can demonstrate one of the following:

(1) Failure to obtain requested information on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual.

(2) The information is urgently needed by an individual primarily engaged in disseminating information in order to inform the public concerning actual or alleged Federal government activity. Requesters must demonstrate that their primary activity involves publishing or otherwise disseminating information to the public in general, not just to a particular segment or group.

(3) Failure to release the information would impair substantial due process rights or harm substantial humanitarian interests.

(4) A request for expedited processing may be made at the time of the initial
The request for expedited processing shall be provided to the requester within 10 calendar days of the date of the receipt of the request in the appropriate office (whether IPS, OIG, or PPT). A denial of a request for expedited processing may be appealed to the Director of IPS within 30 calendar days of the date of the Department’s letter denying the request. A decision in writing on the appeal will be issued within 10 calendar days of the receipt of the appeal. See section 171.4 of this subpart for contact information.

(g) Time limits. The statutory time limit for responding to a FOIA request or to an appeal from a denial of a FOIA request is 20 working days. Whenever the statutory time limit for processing a request cannot be met because of “unusual circumstances” as defined in the FOIA, and the Department extends the time limit on that basis, the Department shall, before expiration of the 20-day period to respond, notify the requester in writing of the unusual circumstances involved and of the date by which processing of the request can be expected to be completed. See 22 CFR 171.11(b)(4). Where the extension exceeds 10 working days, the Department shall, as described by the FOIA, provide the requester with an opportunity to modify the request or arrange an alternative time period for processing. The Department shall make available the designated FOIA contact and its FOIA Public Liaison for this purpose.

(h) Multi-track processing. The Department uses three processing tracks by distinguishing between simple and more complex requests based on the amount of work and/or time needed to process the request. The Department also uses a processing track for requests in which the Department has granted expedited processing. The Department may provide requesters in a slower track an opportunity to limit the scope of their request in order to qualify for faster processing.

(i) Tracking requests. Requesters may contact IPS using the individualized tracking number provided to the requester in the acknowledgment letter, and the Department will provide, at a minimum, information indicating the date on which the agency received the request and an estimated date for completion.

(j) Cut-off date. In determining which records responsive to a request, the Department ordinarily will include only records in its possession as of the date of initiation of the search for responsive records, unless the requester has specified an earlier cut-off date.

(k) Electronic records. Information maintained in electronic form shall be searched and compiled in response to a request unless such search and compilation would significantly interfere with the operation of the Department’s automated information systems.

(l) Segregation of records. The Department will release any reasonably segregable portion of a record after redaction of the exempt portions. The amount of information redacted and the exemption under which the redaction is made shall be indicated on the released portion of the record unless including that indication would harm an interest protected by the exemption. If technically feasible, the amount of information redacted and the exemption under which the redaction is made shall be indicated at the place in the record where the redaction was made.

(m) Referral and consultations. (1) If the Department determines that records retrieved as responsive to the request were created by another agency, it ordinarily will refer the records to the originating agency for direct response to the requester. If the Department determines that Department records retrieved as responsive to the request are of interest to another agency, it may consult with the other agency before responding to the request.

(2) Whenever the Department refers any part of the responsibility for responding to a request to another agency, it shall document the referral, maintain a copy of the record that it refers, and notify the requester of the referral.

(3) Agreements regarding consultations and referrals. The Department may make agreements with other agencies to eliminate the need for consultations or referrals for particular types of records.

(4) The Department will make efforts to handle referrals and consultations according to the date that the referring agency initially received the FOIA request.

(5) The standard referral procedure is not appropriate where disclosure of the identity of the agency to which the referral would be made could harm an interest protected by an applicable exemption, such as the exemptions that protect personal privacy or national security interests. In such instances, the Department will coordinate with the originating agency to seek its views on the disclosability of the record(s).

(n) Requests for information about individuals to be processed under the FOIA—(1) First-party requests. A first-party request is one that seeks access to information pertaining to the person making the request.

(2) Verification of personal identity. To protect the personal information found in its files, the Department recommends that first-party requesters provide the following information so that the Department can ensure that records are disclosed only to the proper persons: The requester’s full name, current address, citizenship or legal permanent resident alien status, and date and place of birth (city, state, and country). A first-party request should be signed, and the requester’s signature should be either notarized or made under penalty of perjury pursuant to 28 U.S.C. 1746 as a substitute for notarization.

(3) Third-party requests. A third-party request is one that seeks access to information pertaining to a third party (i.e., an individual other than the person submitting the request). A third-party requester who is the legal representative of another person covered under the PA, and submits all requirements under subpart C, will be treated as a first-party requester.

(i) A third-party requester may receive greater access to requested information by submitting information about the subject of the request that is set forth in subsection 171.11(n)(1), and providing proof that that third party is deceased or the third party’s authorization to the Department to release information about him- or herself to the requester. The third-party authorization: Should take one of the following forms:

(ii) A signed and notarized authorization by the third party; or

(iii) A declaration by the third party made in compliance with the requirements set forth in 28 U.S.C. 1746 authorizing disclosure pertaining to the third party to the requester. The third-party authorization or declaration should be dated within six months of the date of the request. In addition, the Department’s Certification of Identity form, DS–4240, can be used to provide authorization from a third party.

(iv) Please note that if a requester is seeking information about a third party and the information is located in a PA system of records, the requester should review subpart C of this section. By providing verification of identity and authorization under that subpart, the third party is treated as a first party for processing purposes. Without providing the required information listed in that subpart, the request will still be processed under the FOIA procedures in subpart B.
(4) Requests for visa information. According to the Immigration and Nationality Act, 222(f) (8 U.S.C. 1202(f)), the records of the Department of State and of diplomatic and consular officers of the United States pertaining to the issuance or refusal of visas or permits to enter the United States shall be considered confidential and shall be used only for the formulation, amendment, administration, or enforcement of the immigration, nationality, and other laws of the United States. Other information found in the visa file, such as information submitted as part of the application and information not falling within section 222(f) or another FOIA exemption may be provided. In order to provide more information to requesters seeking visa records, the following information should be provided with the FOIA request for both the petitioner and the beneficiary: Full name, as well as any aliases used; current address; date and place of birth (including city, state, and country); the type of visa (immigrant or non-immigrant); the country and Foreign Service post where the visa application was made; when the visa application was made; whether the visa application was granted or denied; and if denied, on what grounds. Providing additional information regarding the records sought will assist the Department in properly identifying the responsive records and in processing the request. In order to gain maximum access to any visa records that exist, attorneys or other legal representatives requesting visa information on behalf of a represented individual should submit a statement signed by both the petitioner and the beneficiary authorizing release of the requested visa information to the representative. Alternatively, the Department’s form, DS–4240, may be used to certify the identity of the requester and to provide authorization from the petitioner and the beneficiary to release the requested information to the legal representative. Forms created by other Federal agencies will not be accepted.

(5) Requests for passport records: All passport records requests must meet the requirements found in subpart C, section 171.22(d). If the PA requirements are not met, the requests will be processed under this subpart and access may be limited.

§ 171.12 Business information.

(a) Definitions. The following definitions apply for purposes of this section:

(1) Business information means commercial or financial or proprietary intellectual information obtained by the Department from a submitter that may be exempt from disclosure as privileged or confidential under Exemption 4 of the FOIA.

(2) Submitter means any person or entity from which the Department obtains business information, directly or indirectly. The term includes corporations, partnerships, and sole proprietorships; state, local, and tribal governments; foreign governments, NGOs and educational institutions.

(b) Designation of business information. A submitter of information must use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portions of its submission that it considers exempt from disclosure under FOIA Exemption 4. These designations will expire ten years after the date of the submission unless the submitter requests, and provides justification for, a longer designation period.

(c) Notice to submitters. The Department shall provide a submitter with prompt written notice of a FOIA request that seeks its business information, or of an administrative appeal of a denial of such a request, whenever required under paragraph (d) of this section, except as provided in paragraph (e) of this section, in order to give the submitter an opportunity to object to disclosure of any specified portion of that information under paragraph (f) of this section. The notice shall either describe the information requested or include copies of the requested records or record portions containing the business information.

(d) When notice is required. Notice shall be given to a submitter whenever:

(1) The information has been designated in good faith by the submitter as information considered exempt from disclosure under Exemption 4; or

(2) The Department has reason to believe that the information may be exempt from disclosure under Exemption 4, but has not yet determined whether the information is protected from disclosure under that exemption or any other applicable exemption.

(e) When notice is not required. The notice requirements of paragraphs (c) and (d) of this section shall not apply if:

(1) The Department determines that the information is exempt from disclosure;

(2) The information lawfully has been published or has been officially made available to the public;

(3) Disclosure of the information is required by statute (other than the FOIA) or by a regulation issued in accordance with the requirements of Executive Order 12600; or

(4) The designation made by the submitter under paragraph (b) of this section appears obviously frivolous, except that, in such a case, the Department shall, within a reasonable time prior to a specified disclosure date, give the submitter written notice of any final decision to disclose the information.

(f) Opportunity to object to disclosure. The Department will allow a submitter a reasonable time to respond to the notice described in paragraph (c) of this section and will specify that time period in the notice. If a submitter has any objections to disclosure, it should provide the component a detailed written statement that specifies all grounds for withholding the particular information under any exemption of the FOIA. In order to rely on Exemption 4 as basis for nondisclosure, the submitter must explain why the information constitutes a trade secret or commercial or financial information that is privileged or confidential. In the event that a submitter fails to respond to the notice within the time specified in it, the submitter will be considered to have no objection to disclosure of the information. Information provided by a submitter under this paragraph may itself be subject to disclosure under the FOIA.

(g) Notice of intent to disclose. The Department shall consider a submitter’s objections and specific grounds for nondisclosure in deciding whether to disclose business information. Whenever the Department decides to disclose business information over the objection of a submitter, it shall give the submitter written notice, which shall include:

(1) A statement of the reason(s) why each of the submitter’s disclosure objections was not sustained;

(2) A description of the business information to be disclosed; and

(3) A specified disclosure date, which shall be a reasonable time subsequent to the notice.

(h) Notice of lawsuit. Whenever a requester files a lawsuit seeking to compel the disclosure of business information, the Department shall promptly notify the submitter.

(i) Notice to requester. Whenever the Department provides a submitter with notice and an opportunity to object to disclosure under paragraph (f) of this section, the Department shall also notify the requester. Whenever the Department notifies a submitter of its intent to disclose requested business information under paragraph (g) of this section, the
§ 171.13 Appeal of denial of request for records.

(a) Any denial, in whole or in part, of a request for Department records under the FOIA may be administratively appealed to the Appeals Review Panel of the Department. This appeal right includes the right to appeal the determination that no records responsive to the request exist in Department files. Appeals must be postmarked within 60 calendar days of the date of the Department’s denial letter and sent to: Appeals Officer, Appeals Review Panel, Office of Information Programs and Services, at the address set forth in section 171.4 of this part, or faxed to (202) 261–8571. The time limit for a response to an appeal is 20 working days, which may be extended in unusual circumstances, as defined in 171.11(b). The time limit begins to run on the day the appeal is received by IPS.

(b) Requesters may decide to litigate a request that is in the appeal stage. Once a summons and complaint is received by the Department in connection with a particular request, the Department will administratively close any open appeal regarding such request.

(c) Requesters should submit an administrative appeal, to IPS at the above address, of any denial, in whole or in part, of a request for access to FSGB records under the FOIA. IPS will assign a tracking number to the appeal and forward it(695,358),(880,369) to the FSGB, which is an independent body, for adjudication.

(d) Decisions on appeals. A decision on an appeal must be made in writing. A decision that upholds the Department’s determination will contain a statement that identifies the reasons for the affirmance, including any FOIA and Privacy Act exemptions applied. The decision will provide the requester with notification of the statutory right to file a lawsuit and will inform the requester of the mediation services offered by the Office of Government Information Services of the National Archives and Records Administration as a non-exclusive alternative to litigation. If the Department’s decision is remanded or modified on appeal, the requester will be notified of that determination in writing. The Department will thereafter further process the request in accordance with that appeal determination and respond directly to the requester.

§ 171.14 Fees to be charged.

(a) In general. The Department shall charge fees that recoup the full allowable direct costs it incurs in processing a FOIA request in accordance with the provisions of this part and with the OMB Guidelines. It shall use the most efficient and least costly methods to comply with requests for records made under the FOIA. The Department will not charge fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself.

(b) Definitions. The following definitions apply for purposes of this section:

(1) Direct costs are those costs the Department incurs in searching for, duplicating, and, in the case of commercial use requests, reviewing records in response to a FOIA request. The term does not include overhead expenses.

(2) Search costs are those costs the Department incurs in looking for, identifying, and retrieving material, in paper or electronic form, that is potentially responsive to a request. The Department shall attempt to ensure that searching for material is done in the most efficient and least expensive manner so as to minimize costs for both the Department and the requester. The Department may charge for time spent searching even if it does not locate any responsive record, or if it withholds the record(s) located as entirely exempt from disclosure. Further information on current search fees is available by visiting the FOIA home page at www.foia.state.gov and reviewing the Information Access Guide.

(3) Duplication costs are those costs the Department incurs in reproducing a requested record in a form appropriate for release in response to a FOIA request.

(4) Review costs are those costs the Department incurs in examining a record to determine whether and to what extent the record is responsive to a FOIA request and the extent to which it may be disclosed to the requester, including the page-by-page or line-by-line review of material within records. It does not include the costs of resolving general legal or policy issues that may be raised by a request.

(5) Categories of requesters.

Requestor fee category “means one of the categories in which a requester must show that the records are sought for a commercial use and are not intended to promote any particular product or industry, but rather are sought to further scholarly research of a non-commercial, trade, or profit interest of a person or entity who seeks information for general legal or policy issues that may be granted if the requester can demonstrate that certain statutory standards are satisfied. There are three categories of requesters: Commercial use requesters, distinct subcategories of non-commercial requesters (educational and non-commercial scientific institutions, representatives of the news media), and all other requesters.

(i) A commercial use requester is a person or entity who seeks information for a use or purpose that furthers the commercial, trade, or profit interest of the requester or the person on whose behalf the request is made. In determining whether a requester belongs within this category, the Department will look at the way in which the requester intends to use the information requested. Commercial use requesters will be charged for search time, review time, and duplication in connection with processing their requests.

(ii) Distinct subcategories of non-commercial requesters:

(A) An educational institution requester is a person or entity who submits a request under the authority of a school that operates a program of scholarly research. A requester in this category must show that the records are not sought for a commercial use and are not intended to promote any particular product or industry, but rather are sought to further scholarly research of the institution. A signed letter from the chairperson on an institution’s letterhead is presumed to be from an educational institution. A student seeking inclusion in this subcategory who makes a request in furtherance of the completion of a course of instruction is carrying out an individual research goal and does not qualify as an educational institution requester. See OMB Fee Guidelines, 52 FR at 10014. Educational institution requesters will not be charged for search and review time, and the first 100 pages of duplication will be provided free of charge.

(1) Example 1. A request from a professor of geology at a university for records relating to soil erosion, written on letterhead of the Department of Geology, would be presumed to be from an educational institution.

(2) Example 2. A request from the same professor of geology seeking drug information from the Food and Drug Administration in furtherance of a murder mystery he is writing would not be presumed to be an institutional request, regardless of whether he was written on institutional stationery.

(B) A non-commercial public interest requester is a person or entity that submits a request on behalf of an...
institution that is not operated on a “commercial” basis and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry. Non-commercial scientific institution requesters will not be charged for search and review time, and the first 100 pages of duplication will be provided free of charge.

(C) A representative of the news media is any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. The term news media includes television or radio stations broadcasting to the public at large and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news”) who make their products available to the general public.

"Freelance" journalists shall be regarded as working for a news media entity if they can demonstrate a solid basis for expecting publication through that entity, such as by a contract or past publication record. These examples are not all-inclusive. A representative of the news media will not be charged for search and review time, and the first 100 pages of duplication will be provided free of charge.

(ii) All other requesters are persons or entities that do not fall into the requester categories defined above. All other requesters will be provided the first two hours of search time and the first 100 pages of duplication free of charge, and will not be charged for review time.

(c) Searches for responsive records.

The Department charges the estimated direct cost of each search based on the average current salary rates of the categories of personnel doing the searches. Updated search and review fees are available at www.foia.state.gov

(d) Manual (paper) and computer searches. For both manual and computer searches, the Department shall charge the estimated direct cost of each search based on the average current salary rates of the categories of personnel doing the searches.

(e) Review of records. Only requesters who are seeking records for commercial use may be charged for time spent reviewing records to determine whether they are responsive, and if so, releasable. Charges may be assessed for the initial review only, i.e., the review undertaken the first time the Department analyzes the applicability of a specific exemption to a particular record or portion of a record.

(f) Duplication of records. Paper copies of records shall be duplicated at a rate of $0.15 per page. Other charges may apply depending on the type of production required. Where paper documents must be scanned in order to comply with a requester’s preference to receive the records in an electronic format, the requester shall pay the direct costs associated with scanning those materials. For other forms of duplication, the Department shall charge the direct costs.

(g) Other charges. The Department shall recover the full costs of providing services such as those below:

1. Sending records by special methods such as express mail, overnight courier, etc.
2. Providing records to a requester in a special format.
3. Providing duplicate copies of records already produced to the same requester in response to the same request.

(h) Payment. Fees shall be paid by either personal check or bank draft drawn on a bank in the United States, or a postal money order. Remittances shall be made payable to the order of the Office of Information Programs and Services, U.S. Department of State, State Annex 2 (SA–2), 515 22nd Street NW., Washington, DC, 20522–8100. A receipt for fees paid will be given upon request.

(i) When certain fees are not charged. The Department shall not charge search fees (or in the case of educational and non-commercial scientific institutions or representatives of the news media, duplication fees) when the Department fails to comply with any time limit under 5 U.S.C. 552(a)(6), unless unusual circumstances (see section 171.11(b) of this subpart) or exceptional circumstances exist. Exceptional circumstances cannot include a delay that results from a predictable agency workload of requests unless the agency demonstrates reasonable progress in reducing its backlog of pending requests. See 5 U.S.C. 552(a)(6)(C). Apart from the stated provisions regarding waiver or reduction of fees, see 22 CFR 171.16, the Department retains the administrative discretion to not assess fees if it is in the best interests of the government to do so.

§ 171.15 Miscellaneous fee provisions.

(a) Charging interest. The Department shall begin assessing interest charges on an unpaid bill starting on the 31st day following the day on which the bill was sent. The fact that a fee has been received by the Department within the thirty-day grace period, even if not processed, shall stay the accrual of interest. Interest will be at the rate prescribed in 31 U.S.C. 3717 and shall accrue from the date of the billing.

(b) Charges for unsuccessful search or if records are withheld. The Department may assess charges for time spent searching, even if it fails to locate the records or if the records located are determined to be exempt from disclosure.

(c) Advance payment. The Department may not require a requester to make an advance payment, i.e., payment before work is commenced or continued on a request, unless:

1. It estimates or determines that allowable charges that a requester may be required to pay are likely to exceed $250. In such a case, the Department shall notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees, or shall, in its discretion, require an advance payment of an amount up to the full estimated charges in the case of requesters with no history of payment; or

2. A requester has previously failed to pay an assessed fee within 30 days of the date of its billing. In such a case, the Department shall require the requester to pay the full amount previously owed plus any applicable interest and to make an advance payment of the full amount of the estimated fee before the Department begins to process a new or pending request from that requester.

3. If a requester has failed to pay a fee properly charged by another U.S. government agency in a FOIA case, the Department may require proof that such fee has been paid before processing a new or pending request from that requester.

4. When the Department acts under paragraph (c)(1) or (2) of this section, the administrative time limits prescribed in the FOIA, 5 U.S.C. 552(a)(6) (i.e., 20 working days from receipt of initial requests and 20 working days from receipt of appeals, plus permissible extensions of these time limits), will begin only after the Department has received fee payments described in paragraphs (c)(1) and (c)(2) of this section.

(d) Aggregating requests. When the Department reasonably believes that a requester, or a group of requesters acting in concert, has submitted multiple requests involving related matters solely to avoid payment of fees, the Department may aggregate those requests for purposes of assessing processing fees.
(e) Effect of the Debt Collection Act of 1982, as amended. The Department shall comply with provisions of the Debt Collection Act, including disclosure to consumer reporting agencies and use of collection agencies, where appropriate, to effect repayment.

(f) Itemization of charges. The Department shall, where possible, provide the requester with a breakdown of fees charged indicating how much of the total charge is for search, review, and/or duplication for each specific request.

§ 171.16 Waiver or reduction of fees.

(a) Fees otherwise chargeable in connection with a request for disclosure of a record shall be waived or reduced where the requester seeks a waiver or reduction of fees and the Department determines, in its discretion, that disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

(b) The Department may refuse to consider the request for a waiver or reduction of fees where the requester’s expertise in the subject area is not meaningful.

(c) Disclosure of the requested record shall be waived or reduced for only those records.

(d) Requests for a waiver or reduction of fees should be made when the request is first submitted to the Department and should address the criteria referenced above. A requester may submit a fee waiver request at a later time so long as the underlying record request is pending or on administrative appeal. When a requester who has committed to pay fees subsequently asks for a waiver of those fees and that waiver is denied, the requester shall be required to pay any costs incurred up to the date the fee waiver request was received.

(e) A decision to refuse to waive or reduce fees may be appealed to the Director of the Department, within 30 calendar days of the date of the Department’s refusal letter. See section 171.4 of this part for address information. A decision in writing on the appeal shall be issued within 30 working days of the receipt of the appeal.

§ 171.17 Resolving disputes.

The Office of Government Information Services (OGIS) in the National Archives and Records Administration is charged with offering mediation services to resolve disputes between persons making FOIA requests and the Department as a non-exclusive alternative to litigation. Additionally, OGIS will assist in the resolution of disputes. The Department will inform requesters in its agency appeal response letter of services offered by OGIS and the FOIA Public Liaison. Requesters may contact OGIS or the FOIA Public Liaison at Office of Government Information Programs and Services, A/GIS/IPS/PP/OGIS, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740–6001; at ogis@nara.gov; and at (202) 741–5770, or toll-free at (877) 684–6448.

§ 171.18 Preservation of records

The Department shall preserve all correspondence pertaining to the requests that it receives under this subpart, as well as copies of all requested records, until disposition or destruction is authorized pursuant to title 44 of the United States Code or the General Records Schedule 14 of the National Archives and Records Administration. Records shall not be disposed of or destroyed while they are the subject of a pending request, appeal, or lawsuit under the FOIA.

Subpart C—Privacy Act Provisions

§ 171.20 Purpose and scope.

This subpart contains the rules that the Department follows under the Privacy Act of 1974 (PA), 5 U.S.C. 552a, as amended. These rules should be read together with the text of the statute, which provides additional information about records maintained on individuals. The rules in this subpart apply to all records in systems of records maintained by the Department that are retrieved by an individual’s name or personal identifier. They describe the procedures by which individuals may request access to records about themselves, request amendment or correction of those records, and request an accounting of disclosures of those records by the Department. If any records retrieved pursuant to an access request under the PA are found to be exempt from access under that Act, they will be processed for possible disclosure under the Freedom of Information Act (FOIA), 5 U.S.C. 552, as amended. No fees shall be charged for access to or amendment of PA records.

§ 171.21 Definitions.

As used in this subpart, the following definitions shall apply:

(a) Individual means a citizen or a legal permanent resident alien (LPR) of the United States.

(b) Maintain includes maintain, collect, use, or disseminate.

(c) Record means any item, collection, or grouping of information about an individual that is maintained by the Department and that contains the individual’s name or the identifying...
number, symbol, or other identifying particular assigned to the individual, such as a finger or voice print or photograph. (d) System of records means a group of any records under the control of the Department from which information is retrieved by the name of an individual or by some identifying number, symbol, or other identifying particular assigned to an individual.

§171.22 Request for access to records. (a) In general. Requests for access to records under the PA must be made in writing and mailed to the Office of Information Programs and Service, the Office of Passport Services, or the Office of Inspector General at the addresses given in section 171.4 of this Part. The Director of the Office of Information Programs and Services (IPS) is responsible for acting on all PA requests for Department records except for requests received directly by the Office of Inspector General, which processes its own requests for information, and the Office of Passport Services within the Bureau of Consular Affairs which receives directly and processes its own PA requests for information as described in PA System of Record Notice 26. Once received by IPS, all processing of PA requests coming under the jurisdiction of the Bureau of Consular Affairs/Visa Services Office and Overseas Citizens Services, the Bureau of Diplomatic Security, the Bureau of Human Resources, the Office of Medical Services, and the Foreign Service Grievance Board (FSGB) are handled by those bureaus or offices instead of IPS. (b) Description of records sought. Requests for access should describe the requested record(s) in sufficient detail to permit identification of the record(s). At a minimum, requests should include the individual’s full name (including maiden name, if appropriate) and any other names used, current complete mailing address, and date and place of birth (city, state, and country). Helpful data includes the approximate time period of the record and the circumstances that give the individual reason to believe that the Department maintains a record under the individual’s name or personal identifier, and, if known, the system of records in which the record is maintained. In certain instances, it may be necessary for the Department to request additional information from the requester, either to ensure a full search, or to ensure that a record retrieved does in fact pertain to the individual. (c) Verification of personal identity. The Department will require reasonable identification of individuals requesting records about themselves under the PA’s access provisions to ensure that records are only accessed by the proper persons. Requesters must state their full name, current address, citizenship or legal permanent resident alien status, and date and place of birth (city, state, and country). The request must be signed, and the requester’s signature must be either notarized or made under penalty of perjury pursuant to 28 U.S.C. 1746. If the requester seeks records under another name the requester has used, a statement, under penalty of perjury, that the requester has also used the other name must be included. Requesters seeking access to copies of the Passport Office’s passport records must meet the requirements in 171.22(d). (d) Special requirements for passport records. Given the sensitive nature of passport records and their use, requesters seeking access to copies of the Passport Office’s passport records under the PA must submit a letter that is either notarized or made under penalty of perjury pursuant to 28 U.S.C. 1746, which includes the full name at birth and any subsequent name changes of the individual whose records are being requested (if submitting the request on behalf of a minor, provide the representative’s full name as well); the date and place of birth of the individual whose records are being requested; the requester’s current mailing address; and, if available, daytime telephone number and email address; the date or estimated date the passport(s) was issued; the passport number of the person whose records are being sought, if known; and any other information that will help to locate the records. The requester must also include a clear copy of both sides of the requester’s valid Government-issued photo identification, e.g., a driver’s license. (e) Authorized third party access. The Department shall process all properly authorized third party requests, as described in this section, under the PA. In the absence of proper authorization from the individual to whom the records pertain, the Department will process third party requests under the FOIA. The Department’s form, DS–4240, may be used to certify identity and provide third party authorization. (f) Records relating to civil actions. Nothing in this subpart entitles an individual to access to any information compiled in reasonable anticipation of a civil action or proceeding. (g) Time limits. The Department will acknowledge the request promptly and furnish the requested information as soon as possible thereafter.

§171.23 Request to amend or correct records. (a) An individual has the right to request that the Department amend a record pertaining to the individual that the individual believes is not accurate, relevant, timely, or complete. (b) Requests to amend or correct records must be in writing and mailed or delivered to...
the Office of Information Programs and Services at the address given in section
171.4, with ATTENTION: PRIVACY
ACT AMENDMENT REQUEST written
on the envelope. IPS will coordinate the
review of the request with the
appropriate offices of the Department.
The Department will require verification
of personal identity as provided in
section 171.22(c) before it will initiate
action to amend a record. Amendment
requests should contain, at a minimum,
identifying information needed to locate
the record in question, a description of
the specific correction requested, and an
explanation of why the existing record is
not accurate, relevant, timely, or
complete. The request must be signed,
and the requester’s signature must be
either notarized or made under penalty
of perjury pursuant to 28 U.S.C. 1746.
The requester should submit as much
pertinent documentation, other
information, and explanation as
possible to support the request for
amendment.
(c) All requests for amendments to
records shall be acknowledged within
10 working days.
(d) In reviewing a record in response
to a request to amend, the Department
shall review the record to determine if
it is accurate, relevant, timely, and
complete.
(e) If the Department agrees with an
individual’s request to amend a record,
it shall:
(1) Advise the individual in writing of
its decision;
(2) Amend the record accordingly;
and
(3) If an accounting of disclosure has
been made, advise all previous
recipients of the record of the
amendment and its substance.
(f) If the Department denies an
individual’s request to amend a record,
it shall advise the individual in writing of
its decision and the reason for the
refusal, and the procedures for the
individual to request further review. See
§ 171.25.
§ 171.24 Request for an accounting
of record disclosures.
(a) How made. Except where
accountings of disclosures are not
required to be kept, as set forth in
paragraph (b) of this section, an
individual has a right to request an
accounting of any disclosure that the
Department has made to another person,
organization, or agency of any record
about an individual. This accounting
shall contain the date, nature, and
purpose of each disclosure as well as
the name and address of the recipient of
the disclosure. Any request for
accounting should identify each
particular record in question and may
be made by writing directly to the Office
of Information Programs and Services at
the address given in § 171.4.
(b) Where accounting not required.
The Department is not required to keep
an accounting of disclosures in the case
of:
(1) Disclosures made to employees
within the Department who have a need
for the record in the performance of
their duties;
(2) Disclosures required under the
FOIA.
§ 171.25 Appeals of denials of PA requests
and PA amendment requests.
(a) If the Department denies a request
for access to PA records, for amendment
of such records, or for an accounting of
disclosure of such records, the requester
shall be informed of the reason for the
denial and of the right to appeal the
denial to the Appeals Review Panel.
Any such appeal must be postmarked
within 60 working days of the date of
the Department’s denial letter and sent
to: Appeals Officer, Appeals Review
Panel, Office of Information Programs
and Services, at the address set forth in
section 171.4.
(b) Appellants should submit an
administrative appeal of any denial, in
whole or in part, of a request for access
to FSGB records under the PA to IPS at
the above address. IPS will assign a
tracking number to the appeal and
forward it to the FSGB, which is an
independent body, for adjudication.
(c) The Panel will decide appeals
from denials of PA amendment requests
within 30 business days, unless the
Panel extends that period for good cause
shown, from the date when it is
received by the Panel.
(d) Decisions on appeals will be made
in writing, and appellants will receive
notification of the decision. A reversal
will result in reprocessing of the request
in accordance with that decision. An
affirmance will include a brief statement
of the reason for the affirmation and will
inform the appellant that the decision of
the Panel represents the final decision
of the Department and of the right to
seek judicial review of the Panel’s
decision, when applicable.
(e) If the Panel’s decision is that a
record shall be amended in accordance
with the appellant’s request, the
Chairman shall direct the office
responsible for the record to amend the
record, advise all previous recipients of
the record of the amendment and its
substance (if an accounting of previous
disclosures has been made), and so
advise the individual in writing.
(f) If the Panel’s decision is that the
amendment request is denied on appeal,
in addition to the notification required
by paragraph (d) of this section, the
Chairman shall advise the appellant:
(1) Of the right to file a concise
Statement of Disagreement stating the
reasons for disagreement with the
decision of the Department;
(2) Of the procedures for filing the
Statement of Disagreement;
(3) That any Statement of
Disagreement that is filed will be made
available to anyone to whom the record
is subsequently disclosed, together with,
at the discretion of the Department, a
brief statement by the Department
summarizing its reasons for refusing to
amend the record;
(4) That prior recipients of the
disputed record will be provided a copy
of any statement of disagreement, to the
extent that an accounting of disclosures
was maintained.
(g) If the appellant files a Statement of
Disagreement under paragraph (f) of this
section, the Department will clearly
annotate the record so that the fact that
the record is disputed is apparent to
anyone who may subsequently access
the record. When the disputed record is
subsequently disclosed, the Department
will note the dispute and provide a copy
of the Statement of Disagreement. The
Department may also include a brief
summary of the reasons for not
amending the record. Copies of the
Department’s statement shall be treated
as part of the individual’s record for
granting access; however, it will not be
subject to amendment by an individual
under these regulations.
§ 171.26 Exemptions.
Systems of records maintained by the
Department are authorized to be exempt
from certain provisions of the PA under
