D. Application and Submission Information

1. Address To Request Application Package

Applications must be submitted in paper format. Applications submitted to a Rural Development State Office must be received by the closing date and local time deadline.

All applicants must have a Dun and Bradstreet Data Universal Numbering System (DUNS) number which can be obtained at no cost via a toll-free request line at (866) 705-5711 or at <http://fedgov.dnb.com/webform>. 2. Content and Form of Application Submission

An application must contain all of the required elements. Each application received in a USDA Rural Development State Office will be reviewed to determine if it is consistent with the eligible purposes contained in section 310B(c) of the Consolidated Farm and Rural Development Act (7 U.S.C. 1932(c)). Each selection priority criterion outlined in 7 CFR 4280.435 must be addressed in the application. Failure to address any of the criteria will result in a zero-point score for that

criterion and will impact the overall evaluation of the application. Copies of 7 CFR part 4280, subpart E, will be provided to any interested applicant making a request to a USDA Rural Development State Office.

All projects to receive technical assistance through these passenger transportation grant funds are to be identified when the applications are submitted to the USDA Rural Development State Office. Multiple project applications must identify each individual project, indicate the amount of funding requested for each individual project, and address the criteria as stated above for each individual project.

For multiple-project applications, the average of the individual project scores will be the score for that application.

The applicant documentation and forms needed for a complete application are located in the PROGRAM DESCRIPTION section of this notice, and 7 CFR part 4280, subpart E. There are no specific formats required per this notice, and applicants may request forms and addresses from the ADDRESSES section of this notice.

(e) This notice is for rural transportation technical assistance grants only and therefore, intergovernmental reviews are not required.

(f) These grants are for rural transportation technical assistance grants only, no construction or equipment purchases are permitted. If the grantee has a previously approved indirect cost rate, it is permissible, otherwise, the applicant may elect to charge the 10 percent indirect cost permitted under 2 CFR 200.414(f) or request a determination of its Indirect Cost Rate. Due to the time required to evaluate Indirect Cost Rates, it is likely that all funds will be awarded by the time the Indirect Cost Rate is determined. No foreign travel is permitted. Pre-Federal award costs will only be permitted with prior written approval by the Agency.

E. Application Review Information

1. Criteria

All eligible and complete applications will be evaluated and scored based on the selection criteria and weights contained in 7 CFR 4280.435 and will select grantees subject to the grantees' satisfactory submission of the additional items required by 7 CFR part 4280, subpart E and the USDA Rural Development Letter of Conditions. Failure to address any one of the criteria by the application deadline will result in the application being determined ineligible, and the application will not be considered for funding. The amount of an RT grant may be adjusted, at RBS's discretion, to enable RBS to award RT grants to the applications with the highest priority scores in each category.

2. Review and Selection Process

The State Offices will review applications to determine if they are

eligible for assistance based on requirements contained in 7 CFR 4280.416 and 4280.417. If determined eligible, your application will be submitted to the National Office. Funding of projects is subject to the applicant's satisfactory submission of the additional items required by that subpart and the USDA Rural Development Letter of Conditions. The Agency reserves the right to award additional discretionary points under 7 CFR 4280.435(k).

In awarding discretionary points, the Agency scoring criteria regularly assigns points to applications that direct loans or grants to projects based in or serving census tracts with poverty rates greater than or equal to 20 percent. This emphasis will support Rural Development's mission of improving the quality of life for Rural Americans and commitment to directing resources to those who most need them.

F. Federal Award Administration Information

1. Federal Award Notices

Successful applicants will receive notification for funding from the USDA Rural Development State Office. Applicants must comply with all applicable statutes and regulations before the grant award will be approved. Unsuccessful applications will receive notification by mail.

2. Administrative and National Policy Requirements

Additional requirements that apply to grantees selected for this program can be found in 7 CFR 4280.408, 4280.410 and 4280.439. Awards are subject to USDA grant regulations at 2 CFR Chapter IV which incorporates the new Office of Management and Budget (OMB) regulations 2 CFR part 200.

All successful applicants will be notified by letter which will include a letter of conditions, and a letter of intent to meet the conditions. This letter is not an authorization to begin performance. If the applicant wishes to consider beginning performance prior to the grant being officially closed, all pre-award costs must be approved in writing and in advance by the Agency. The grant will be considered officially awarded when all conditions in the letter of conditions have been met and the Agency obligates the funding for the project.

Additional requirements that apply to grantees selected for this program can be found in 7 CFR part 4280, subpart E; the Grants and Agreements regulations of the U.S. Department of Agriculture

codified in 2 CFR parts 400.1 to 400.18, and successor regulations to these parts.

In addition, all recipients of Federal financial assistance are required to report information about first-tier sub-awards and executive compensation (see 2 CFR part 170). You will be required to have the necessary processes and systems in place to comply with the Federal Funding Accountability and Transparency Act of 2006 (Pub.L. 109–282) reporting requirements (see 2 CFR 170.200(b), unless you are exempt under 2 CFR 170.110(b)). Grantees must continuously monitor performance to ensure that time schedules are being met, projected work by time periods is being accomplished, and other performance objectives are being achieved. (5) Within 90 days after the conclusion of the project, the grantee will provide a final project evaluation report. The last quarterly payment will be withheld until the final report is received and approved by the Agency.
