**Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, From the People's Republic of China: Initiation of Antidumping Duty New Shipper Reviews**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Department) has received requests from Shandong Bolong Bearing Co., Ltd. (Bolong) and Zhejiang Changxing CTL Auto Parts Manufacturing Co., Ltd. (Changxing) for new shipper reviews (NSRs) of the antidumping duty order on tapered roller bearings and parts thereof, finished and unfinished (TRBs), from the People's Republic of China (PRC). We have determined that these requests meet the statutory and regulatory requirements for initiation. The period of review (POR) for these NSRs is June 1, 2014, through May 31, 2015.

**DATES:** *Effective date:* August 3, 2015.

**FOR FURTHER INFORMATION CONTACT:** Shannon Morrison or Blaine Wiltse, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-6274 or (202) 482-6345, respectively.

**SUPPLEMENTARY INFORMATION:****Background**

On June 15, 1987, the Department published in the *Federal Register* the antidumping duty order on TRBs from the PRC.<sup>1</sup> Pursuant to section 751(a)(2)(B)(i) of the Tariff Act of 1930, as amended (the Act), the Department received two properly-filed requests for NSRs from Bolong and Changxing<sup>2</sup> during the anniversary month of the antidumping duty order.

In their requests, Bolong and Changxing certified that they both are producers and exporters of TRBs from the PRC. Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i), these companies also certified that they did not export TRBs to the United States during the period

of investigation (POI).<sup>3</sup> In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Bolong and Changxing certified that, since the initiation of the investigation, they have never been affiliated with any PRC exporter or producer who exported TRBs to the United States during the POI, including those respondents not individually examined during the investigation.<sup>4</sup> As required by 19 CFR 351.214(b)(2)(iii)(B), Bolong and Changxing certified that their export activities were not controlled by the government of the PRC.<sup>5</sup>

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2)(iv), each company submitted documentation establishing the following: (1) The date on which it first shipped TRBs for export to the United States and the date on which the TRBs were first entered; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.<sup>6</sup>

The Department conducted U.S. Customs and Border Protection (CBP) database queries to confirm that Bolong's and Changxing's shipments of subject merchandise had entered the United States for consumption and that liquidation of these entries had been properly suspended for antidumping duties. The Department also examined whether the CBP data confirmed that these entries were made during the POR. The information the Department examined was consistent with that provided by Bolong and Changxing. After the initiation of the NSRs, the Department intends to place additional CBP data on the record and, if necessary, request additional information from Bolong and/or Changxing.

**Period of Review**

In accordance with 19 CFR 351.214(g)(1)(i)(A), the POR for an NSR initiated in the month immediately following the anniversary month will be the twelve-month period immediately preceding the anniversary month. Therefore, the POR is June 1, 2014, through May 31, 2015. Based on the information provided by Bolong and Changxing, the sales and entries into the United States of subject merchandise produced and exported by these companies occurred during this twelve-month POR.
