

policy administration is correct. If errors are made in policy administration, the Company shall be responsible for reimbursing any incorrect allocations, assessments, or other moneys compensated to that company by the Federal Government.

The Company is responsible for ensuring that all activities meet the requirements of this Arrangement and of the NFIP Financial Control Plan, 44 CFR part 62, Appendix B. The NFIP WYO Standards Committee may take remedial action in the event any such conduct is not corrected.

FEMA encourages all private insurance companies wishing to participate in the WYO Program for FY 2016 to contact the NFIP at Kevin.Brown4@fema.dhs.gov by September 4, 2015. Prior participation in the WYO Program does not guarantee that FEMA will approve continued participation. FEMA will evaluate requests to participate in light of publicly-available information, industry performance data, and other criteria listed in 44 CFR 62.24 and the Arrangement, 44 CFR part 62, Appendix A. Private insurance companies are encouraged to supplement this information with customer satisfaction surveys, industry awards or recognition, or other objective performance data. In addition, private insurance companies should work with their vendors and subcontractor involved in servicing and delivering their insurance lines to ensure FEMA receives the information necessary to effectively evaluate the criteria set forth in its regulations.

FEMA will send a copy of the offer for the FY 2016 Arrangement, together with related materials and submission instructions, to all private insurance companies successfully evaluated by the NFIP. If FEMA, after conducting its evaluation, chooses not to renew a Company's participation, FEMA, at its option, may require the continued performance of all or selected elements of the FY 2015 Arrangement for a period required for orderly transfer or cessation of the business and settlement of accounts, not to exceed 18 months, 44 CFR part 62, Appendix A, Article V.C. All evaluations, whether successful or unsuccessful, will inform both an overall assessment of the WYO Program and any potential changes FEMA may consider regarding the Arrangement in future fiscal years.

Any private insurance company with questions may contact FEMA in writing: DHS/FEMA, Federal Insurance and Mitigation Administration, Attn: Lloyd A. Hake, Division Director, Risk Insurance, Federal Insurance and Mitigation Administration, 1800 South
