

080225, (incorporated by reference, see § 15.38) to the qualified test facility.

* * * * *

■ 58. Section 15.201 is amended by revising paragraphs (a) through (c) to read as follows:

§ 15.201 Equipment authorization requirement.

(a) Intentional radiators operated as carrier current systems, devices operated under the provisions of §§ 15.211, 15.213, and 15.221, and devices operating below 490 kHz in which all emissions are at least 40 dB below the limits in § 15.209 shall comply with the Suppliers Declaration of Conformity procedures in subpart J of part 2 of this chapter prior to marketing.

(b) Except as otherwise exempted in paragraph (c) of this section and in § 15.23, all intentional radiators operating under the provisions of this part shall be certified by the Commission pursuant to the procedures in subpart J of part 2 of this chapter prior to marketing.

(c) For devices such as perimeter protection systems which, in accordance with § 15.31(d), are required to be measured at the installation site, each application for certification must be accompanied by a statement indicating that the system has been tested at three installations and found to comply at each installation. Until such time as certification is granted, a given installation of a system that was measured for the submission for certification will be considered to be in compliance with the provisions of this chapter, including the marketing regulations in subpart I of part 2 of this chapter, if tests at that installation show the system to be in compliance with the relevant technical requirements. Similarly, where measurements must be performed on site for equipment subject to Supplier's Declaration of Conformity, a given installation that has been found compliant with the applicable standards will be considered to be in compliance with the provisions of this chapter, including the marketing regulations in subpart I of part 2 of this chapter.

§ 15.212 [Removed]

■ 59. Remove § 15.212.

§ 15.239 [Amended]

■ 60. In § 15.239, remove paragraph (d).

■ 61. Section 15.615 is amended by revising paragraph (a)(4) to read as follows:

§ 15.615 General administrative requirements.

(a) * * *

(4) The manufacturer and type of Access BPL equipment and its associated FCC ID number, or, in the case of Access BPL equipment that has been subject to Supplier's Declaration of Conformity, the Trade Name and Model Number, as specified on the equipment label.

* * * * *

PART 18—INDUSTRIAL, SCIENTIFIC, AND MEDICAL EQUIPMENT

■ 62. The authority citation for part 18 continues to read as follows:

Authority: 47 U.S.C. 4, 301, 302, 303, 304, 307.

■ 63. Section 18.203 is revised to read as follows:

§ 18.203 Equipment authorization.

(a) Consumer ISM equipment, unless otherwise specified, must be authorized under either the Supplier's Declaration of Conformity or certification procedure prior to use or marketing. An application for certification shall be filed with a TCB, pursuant to the relevant sections in part 2, subpart J of this chapter.

(b) Consumer ultrasonic equipment generating less than 500 watts and operating below 90 kHz, and non-consumer ISM equipment shall be subject to Supplier's Declaration of Conformity, in accordance with the relevant sections of part 2, subpart J of this chapter.

(c) Grants of equipment authorization issued, as well as on-site certifications performed, before March 1, 1986, remain in effect and no further action is required.

■ 64. Section 18.209 is revised to read as follows:

§ 18.209 Identification of authorized equipment.

Each device for which a grant of equipment authorization is issued under this part shall be identified pursuant to the applicable provisions of subpart J of part 2 of this chapter. Changes in the identification of authorized equipment may be made pursuant to § 2.1033 of this chapter. FCC Identifiers as described in §§ 2.925 and 2.926 of this chapter shall not be used on equipment subject to Supplier's Declaration of Conformity.

■ 65. Section 18.212 is revised to read as follows:

§ 18.212 Compliance information.

(a) Equipment authorized under the Supplier's Declaration of Conformity procedure shall include the following compliance information in lieu of the information required by § 2.1077 of this chapter.

(1) Identification of the product, e.g., name and model number.

(2) A statement similar to the following:

This device complies with part 18 of the FCC Rules.

(3) The name and address of the responsible party as defined in § 2.909 of this chapter. This party must be located within the United States.

(b) The compliance information may be placed in the instruction manual, on a separate sheet, or on the packaging. There is no specific format for this information.

■ 66. Section 18.311 is revised to read as follows:

§ 18.311 Methods of measurement.

The measurement techniques which will be used by the FCC to determine compliance with the technical requirements of this part are set out in FCC Measurement Procedure MP-5, "Methods of Measurements of Radio Noise Emissions from ISM equipment" or compliance measurements shall be made in accordance with the specific procedures published or other procedures otherwise authorized by the Commission.

BILLING CODE 6712-01-P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 90

[WP Docket No. 15-32; DA 15-844]

Creation of Interstitial 12.5 kHz Channels in the 800 MHz Band Between 809-817/854-862 MHz

AGENCY: Federal Communications Commission.

ACTION: Proposed rule.

SUMMARY: The Commission seeks comment on the Land Mobile Communication Counsel's (LMCC) proposed interference contours for interstitial channels, submitted on May 26, 2015, during the reply comments stage in the pending rule making proceeding. This action is necessary because the Commission desires the benefit of public comment on the proposed interference contours which were not advanced by LMCC until the reply stage of the Interstitial NPRM. The intended effect of this action is to give interested parties a sufficient opportunity to comment on LMCC's May 26, 2015 proposed interference contours.

DATES: Submit comments on or before September 8, 2015.

ADDRESSES: See **SUPPLEMENTARY INFORMATION** section for comment addresses.

FOR FURTHER INFORMATION CONTACT: For further information, contact: John A. Evanoff, Attorney-Advisor, Policy and Licensing Division, Public Safety and Homeland Security Bureau, (202) 418-0848 or john.evanoff@fcc.gov or Rodney P. Conway, Engineer, Mobility Division, Wireless Telecommunications Bureau, (202) 418-2904 or rodney.conway@fcc.gov.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission's document, DA 15-844, released on July 24, 2015. The document is available for download at <http://fjallfoss.fcc.gov/edocs-public/>. The complete text of this document is also available for inspection and copying during normal business hours in the FCC Reference Information Center, Portals II, 445 12th Street SW., Room CY-A257, Washington, DC 20554. To request materials in accessible formats for people with disabilities (Braille, large print, electronic files, audio format), send an email to FCC504@fcc.gov or call the Consumer & Governmental Affairs Bureau at 202-418-0530 (voice), 202-418-0432 (TTY).

In the Notice of Proposed Rulemaking (NPRM) in WP Docket No. 15-32, the Commission initiated a new proceeding to seek comment on proposals to amend the Commission's rules governing 800 MHz Mid-Band operations (809-817 MHz/854-862 MHz) 80 FR 15723 (Mar. 25, 2015). The Commission sought comment on appropriate interference protection criteria for interstitial channels, including a proposal from the Land Mobile Communications Council (LMCC) to amend the rules to adopt new "Interstitial 800 MHz Coordination Procedures." On May 26, 2015, the LMCC filed its reply comments in the pending rule making proceeding. Therein, LMCC advanced proposed interference contours to apply when stations of various modulation types are operated on interstitial channels (12.5 kHz spacing) adjacent to "standard" (25 kHz spacing) stations operating with various modulation types. In order to develop a full and complete record, the Wireless Telecommunications Bureau and the Public Safety and Homeland Security Bureau issue this public notice seeking comment on LMCC's proposed interference contours. The Commission will accept comments on the LMCC proposed interference contours on or before September 8, 2015.

Pursuant to §§ 1.415 and 1.419 of the Commission's rules, 47 CFR 1.415, 1.419, interested parties may file

comments and reply comments on or before the dates indicated on the first page of this document. Comments may be filed using the Commission's Electronic Comment Filing System (ECFS). See *Electronic Filing of Documents in Rulemaking Proceedings*, 63 FR 24121 (1998).

- **Electronic Filers:** Comments may be filed electronically using the Internet by accessing the ECFS: <http://fjallfoss.fcc.gov/ecfs2/>.

- **Paper Filers:** Parties who choose to file by paper must file an original and one copy of each filing. If more than one docket or rulemaking number appears in the caption of this proceeding, filers must submit two additional copies for each additional docket or rulemaking number.

- Filings can be sent by hand or messenger delivery, by commercial overnight courier, or by first-class or overnight U.S. Postal Service mail. All filings must be addressed to the Commission's Secretary, Office of the Secretary, Federal Communications Commission.

- All hand-delivered or messenger-delivered paper filings for the Commission's Secretary must be delivered to FCC Headquarters at 445 12th St. SW., Room TW-A325, Washington, DC 20554. The filing hours are 8:00 a.m. to 7:00 p.m. All hand deliveries must be held together with rubber bands or fasteners. Any envelopes and boxes must be disposed of *before* entering the building.

- Commercial overnight mail (other than U.S. Postal Service Express Mail and Priority Mail) must be sent to 9300 East Hampton Drive, Capitol Heights, MD 20743.

- U.S. Postal Service first-class, Express, and Priority mail must be addressed to 445 12th Street SW., Washington, DC 20554.

People with Disabilities: To request materials in accessible formats for people with disabilities (braille, large print, electronic files, audio format), send an email to fcc504@fcc.gov or call the Consumer & Governmental Affairs Bureau at 202-418-0530 (voice), 202-418-0432 (tty). Commenters who file information that they believe should be withheld from public inspection may request confidential treatment pursuant to § 0.459 of the Commission's rules. Commenters should file both their original comments for which they request confidentiality and redacted comments, along with their request for confidential treatment. Commenters should not file proprietary information electronically. See Examination of Current Policy Concerning the Treatment of Confidential Information

Submitted to the Commission, Report and Order, 13 FCC Rcd 24816 (1998), Order on Reconsideration, 14 FCC Rcd 20128 (1999). Even if the Commission grants confidential treatment, information that does not fall within a specific exemption pursuant to the Freedom of Information Act (FOIA) must be publicly disclosed pursuant to an appropriate request. See 47 CFR 0.461; 5 U.S.C. 552. We note that the Commission may grant requests for confidential treatment either conditionally or unconditionally. As such, we note that the Commission has the discretion to release information on public interest grounds that does fall within the scope of a FOIA exemption.

This proceeding shall be treated as a "permit-but-disclose" proceeding in accordance with the Commission's *ex parte* rules. Persons making *ex parte* presentations must file a copy of any written presentation or a memorandum summarizing any oral presentation within two business days after the presentation (unless a different deadline applicable to the Sunshine period applies). Persons making oral *ex parte* presentations are reminded that memoranda summarizing the presentation must (1) list all persons attending or otherwise participating in the meeting at which the *ex parte* presentation was made, and (2) summarize all data presented and arguments made during the presentation. If the presentation consisted in whole or in part of the presentation of data or arguments already reflected in the presenter's written comments, memoranda or other filings in the proceeding, the presenter may provide citations to such data or arguments in his or her prior comments, memoranda, or other filings (specifying the relevant page and/or paragraph numbers where such data or arguments can be found) in lieu of summarizing them in the memorandum. Documents shown or given to Commission staff during *ex parte* meetings are deemed to be written *ex parte* presentations and must be filed consistent with section 1.1206(b). In proceedings governed by section 1.49(f) or for which the Commission has made available a method of electronic filing, written *ex parte* presentations and memoranda summarizing oral *ex parte* presentations, and all attachments thereto, must be filed through the electronic comment filing system available for that proceeding, and must be filed in their native format (e.g., doc, .xml, .ppt, searchable .pdf). Participants in this proceeding should familiarize

themselves with the Commission's *ex parte* rules.

Federal Communications Commission.

Michael J. Wilhelm,

*Deputy Chief, Policy and Licensing Division,
Public Safety and Homeland Security Bureau.*

BILLING CODE 6712-01-P

DEPARTMENT OF TRANSPORTATION

Pipeline and Hazardous Materials Safety Administration

49 CFR Parts 191, 192, and 195

[Docket No. PHMSA-2010-0026]

RIN 2137-AE59

Pipeline Safety: Miscellaneous Changes to Pipeline Safety Regulations; Administrative Significance: Petitions for Reconsideration

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), Department of Transportation (DOT).

ACTION: Petitions for reconsideration.

SUMMARY: On March 11, 2015, PHMSA published a final rule amending the pipeline safety regulations to make miscellaneous changes that updated and clarified certain regulatory requirements. These amendments address several subject matter areas including the performance of post-construction inspections, leak surveys of Type B onshore gas gathering lines, qualifying plastic pipe joiners, regulation of ethanol, transportation of pipe, filing of offshore pipeline condition reports, and calculation of pressure reductions for hazardous liquid pipeline anomalies. PHMSA has since received three petitions for reconsideration submitted by persons affected by the final rule.

DATES: PHMSA received these petitions on April 10, 2015.

FOR FURTHER INFORMATION CONTACT: Kay McIver, Transportation Specialist, by telephone at 202-366-0113, or by electronic mail at kay.mciver@dot.gov.

SUPPLEMENTARY INFORMATION:

I. Background

On March 11, 2015, PHMSA published a final rule amending the pipeline safety regulations to make miscellaneous changes that updated and clarified certain regulatory requirements (80 FR 12762). These amendments addressed several subject matter areas including the performance of post-

construction inspections, leak surveys of Type B onshore gas gathering lines, qualifying plastic pipe joiners, regulation of ethanol, transportation of pipe, filing of offshore pipeline condition reports, and calculation of pressure reductions for hazardous liquid pipeline anomalies. PHMSA has since received three petitions for reconsideration submitted by persons affected by the final rule.

Dates: On April 10, 2015, the American Gas Association (AGA), the American Public Gas Association, (APGA) and the Interstate Natural Gas Association of America (INGAA) petitioned PHMSA for re-consideration to certain parts of the Miscellaneous Rule.

II. Petitions for Reconsideration

In accordance with 49 CFR 190.335, PHMSA received three petitions from the APGA, the AGA and the INGAA asking for reconsideration to some portions of the Final Rule. APGA and AGA expressed concerns about the provisions of the Final Rule applicable to construction inspections. INGAA and AGA expressed concerns regarding provisions in the Final Rule applicable to components fabricated by welding.

Section 190.337(b) states that it is the policy of the Associate Administrator for Pipeline Safety to issue notice of the action on a petition for reconsideration within 90 days after the date on which the regulation in question is published in the **Federal Register**, unless it is found impracticable to take action within that time. Section 190.337(b) goes on to state that when it is impractical to take action within that time, that PHMSA will give notice of that fact and the date by which action is expected to be taken. Due to the complexities of the petitions, PHMSA is unable to complete the analyses and render a decision within the 90-day time frame. Therefore, in accordance with § 190.337(b), PHMSA anticipates acting on these three petitions by October 1, 2015.

Issued in Washington, DC, on July 31, 2015, under authority delegated in 49 CFR 1.97.

Jeffrey D. Wiese,

Associate Administrator for Pipeline Safety.

BILLING CODE 4910-60-P

DEPARTMENT OF TRANSPORTATION

National Highway Traffic Safety Administration

49 CFR Part 541

[Docket No. NHTSA-2015-0067]

Preliminary Theft Data; Motor Vehicle Theft Prevention Standard

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation.

ACTION: Publication of preliminary theft data; request for comments.

SUMMARY: This document requests comments on data about passenger motor vehicle thefts that occurred in calendar year (CY) 2013, including theft rates for existing passenger motor vehicle lines manufactured in model year (MY) 2013.

DATES: Comments must be submitted on or before October 5, 2015.

ADDRESSES: You may submit comments identified by Docket No. NHTSA-2015-0067 by any of the following methods:

- *Federal eRulemaking Portal:* Go to <http://www.regulations.gov>. Follow the online instructions for submitting comments.
- *Mail:* Docket Management Facility: U.S. Department of Transportation, 1200 New Jersey Avenue SE., West Building Ground Floor, Room W12-140, Washington, DC 20590-0001.
- *Hand Delivery or Courier:* West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue SE., between 9 a.m. and 5 p.m. ET, Monday through Friday, except Federal holidays.
- *Fax:* 202-493-2251

Instructions: For detailed instructions on submitting comments and additional information on the rulemaking process, see the Public Participation heading of the Supplementary Information section of this document. Note that all comments received will be posted without change to <http://www.regulations.gov>, including any personal information provided. Please see the Privacy Act heading below.

Privacy Act: Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477-78) or you may visit <http://DocketsInfo.dot.gov>.

Docket: For access to the docket to read background documents or
