

Power Act, 16 U.S.C. 824e and Rule 206 of the Federal Energy Regulatory Commission's Rules of Practice and Procedure, 18 CFR 385.206 (2015), Boston Energy Trading and Marketing (Complainant or BETM), filed a formal complaint against Midcontinent Independent System Operator, Inc. (Respondent or MISO) alleging that MISO forced BETM to enter into a partnership for its market participant funded transmission project with a competitor even though BETM submitted its request for a market participant funded upgrade prior to its competitor J Aron & Company. BETM asserts that MISO's actions constitute an unjust and unreasonable practice that significantly affects rates under section 206.

BETM certifies that copies of the complaint were served on the contacts for MISO as listed on the Commission's list of Corporate Officials.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. The Respondent's answer and all interventions, or protests must be filed on or before the comment date. The Respondent's answer, motions to intervene, and protests must be served on the Complainants.
