

change, Clearstream Banking would be permitted to act as a triparty collateral service provider for initial or original margin in respect of any product category, including the CDS product category. (The other currently authorized triparty collateral service provider, Euroclear Bank, is similarly eligible to act as such for any product category.) A correction would also be made in paragraph 3.20 to provide that the specified instruction deadlines apply to triparty collateral arrangements with both Euroclear Bank and Clearstream Banking.

III. Discussion and Commission Findings

Section 19(b)(2)(C) of the Act⁵ directs the Commission to approve a proposed rule change of a self-regulatory organization if the Commission finds that such proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to such self-regulatory organization. Section 17A(b)(3)(F) of the Act⁶ requires, among other things, that the rules of a clearing agency are designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions and assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible.

The Commission finds that the proposed rule change is consistent with section 17A of the Act⁷ and the rules thereunder applicable to ICE Clear Europe. The proposed rule change will provide Clearing Members with the option to use Clearstream Banking as a triparty collateral service provider with respect to initial and original margin for the CDS (and FX) product categories. According to ICE Clear Europe, the proposed rule change does not otherwise change the substantive terms of the service. Based on ICE Clear Europe's representation regarding its experience with Clearstream Banking as triparty collateral service provider with respect to original margin for the F&O product category, the use of Clearstream Banking can be appropriately extended to other product categories. As such, the Commission believes that the proposed rule change would allow ICE Clear Europe's Clearing Members to use an additional triparty collateral service provider that offers appropriate safeguarding of securities and funds

while maintaining ICE Clear Europe's ability to access initial margin when appropriate. The Commission therefore finds that the proposed rule change is designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions and to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible, in accordance with section 17A(b)(3)(F) of the Act.⁸

IV. Conclusion

On the basis of the foregoing, the Commission finds that the proposal is consistent with the requirements of the Act and in particular with the requirements of section 17A of the Act⁹ and the rules and regulations thereunder.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,¹⁰ that the proposed rule change (File No. SR-ICEEU-2015-009) be, and hereby is, approved.¹¹

Applicants

1. The Trust will be registered as an open-end management investment company under the Act and is a business trust organized under the laws of the state of Delaware. Applicants seek relief with respect to one Fund (as defined below, the “Initial Fund”). The portfolio positions of each Fund will consist of securities and other assets selected and managed by its Adviser or Subadviser (as defined below) to pursue the Fund’s investment objective.

2. The Adviser, a Colorado corporation, will be the investment adviser to the Initial Fund. An Adviser (as defined below) will serve as investment adviser to each Fund. The Adviser is, and any other Adviser will be, registered as an investment adviser under the Investment Advisers Act of 1940 (“Advisers Act”). The Adviser and the Trust may retain one or more subadvisers (each a “Subadviser”) to manage the portfolios of the Fund. Any Subadviser will be registered, or not subject to registration, under the Advisers Act.

3. Each Distributor is a Colorado corporation and a broker-dealer registered under the Securities Exchange Act of 1934 and will act as the principal underwriter of Shares of the Fund. Applicants request that the requested relief apply to any distributor of Shares, whether affiliated or unaffiliated with the Adviser (included in the term “Distributor”). Any Distributor will comply with the terms and conditions of the Order.

Applicants’ Requested Exemptive Relief

4. Applicants seek the requested Order under section 6(c) of the Act for an exemption from sections 2(a)(32), 5(a)(1), 22(d) and 22(e) of the Act and rule 22c–1 under the Act, under sections 6(c) and 17(b) of the Act for an exemption from sections 17(a)(1) and

17(a)(2) of the Act, and under section 12(d)(1)(J) of the Act for an exemption from sections 12(d)(1)(A) and (B) of the Act. The requested Order would permit applicants to offer exchange-traded managed funds. Because the relief requested is the same as the relief granted by the Commission under the Reference Order and because the Adviser has entered into, or anticipates entering into, a licensing agreement with Eaton Vance Management, or an affiliate thereof in order to offer exchange-traded managed funds,² the Order would incorporate by reference the terms and conditions of the Reference Order.

5. Applicants request that the Order apply to the Initial Fund and to any other existing or future open-end management investment company or series thereof that: (a) Is advised by the Adviser or any entity controlling, controlled by, or under common control with the Adviser (any such entity included in the term “Adviser”); and (b) operates as an exchange-traded managed fund as described in the Reference Order; and (c) complies with the terms and conditions of the Order and of the Reference Order, which is incorporated by reference herein (each such company or series and Initial Fund, a “Fund”).³

6. Section 6(c) of the Act provides that the Commission may exempt any person, security or transaction, or any class of persons, securities or transactions, from any provisions of the Act, if and to the extent that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act. Section 17(b) of the Act authorizes the Commission to exempt a proposed transaction from section 17(a) of the Act if evidence establishes that the terms of the transaction, including the consideration to be paid or received, are reasonable and fair and do not involve overreaching on the part of any person concerned, and the proposed transaction is consistent with the policies of the registered investment company and the general purposes of the Act. Section 12(d)(1)(J) of the Act provides that the Commission may exempt any person, security, or transaction, or any class or classes of

persons, securities or transactions, from any provision of section 12(d)(1) if the exemption is consistent with the public interest and the protection of investors.

7. Applicants submit that for the reasons stated in the Reference Order: (1) With respect to the relief requested pursuant to section 6(c) of the Act, the relief is appropriate, in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the Act; (2) with respect to the relief request pursuant to section 17(b) of the Act, the proposed transactions are reasonable and fair and do not involve overreaching on the part of any person concerned, are consistent with the policies of each registered investment company concerned and consistent with the general purposes of the Act; and (3) with respect to the relief requested pursuant to section 12(d)(1)(J) of the Act, the relief is consistent with the public interest and the protection of investors.
