II. Summary of Permit Actions

A. Issuance of 2015 MSGP for Additional States and Tribes

On June 4, 2015, EPA issued the 2015 MSGP for most of the areas where EPA is the permitting authority. Because EPA had not yet received Clean Water Act Section 401 certifications from certain states and tribes, EPA was not able to issue the final MSGP in these areas. The following states and tribe were affected:

- The State of Idaho;
- Federal operators in Washington;
- The Spokane Tribe.

Now that EPA has received the required Clean Water Act 401 certifications, the Agency has issued the final 2015 MSGP for these areas. Pursuant to CWA section 401(d), the limitations and requirements contained in these certifications are now conditions of the 2015 MSGP and are included in Part 9.10.3, 9.10.6.7, and 9.10.7 of the permit.

The complete text of the updated 2015 MSGP as well as additional information on Webcasts, Guidance, and Other Implementation Assistance can be obtained through EPA's Web site at <http://water.epa.gov/polwaste/npdes/stormwater/EPA-Multi-Sector-General-Permit-MSGP.cfm>.

III. Compliance With Other Statutes

EPA summarized the Agency's compliance with the National Environmental Policy Act (NEPA), Executive Orders 12866 and 13563, Executive Order 12898, and Executive Order 13175 in the 80 FR 304403, June 16, 2015 **Federal Register** notice. See 77 FR 12292-12293, February 29, 2012, for more information.
