SUPPLEMENTARY INFORMATION:

Information Collection Request Title: Rural Outreach Benefits Counseling Program Measures OMB No. 0915-XXXX-NEW.

Abstract: The Rural Outreach Benefits Counseling Program (Benefits Counseling Program) is authorized by Section 330A(e) of the Public Health Service (PHS) Act (42 U.S.C. 254c(e)), Public Law 113-76 as amended to “promote rural health care services outreach by expanding the delivery of health care services to include new and enhanced services in rural areas.” The purpose of the 3-year Benefits Counseling Program is to expand outreach, education and enrollment efforts to eligible uninsured individuals and families, and newly insured individuals and families in rural communities.

The overarching goal of this grant program is to coordinate and conduct innovative outreach activities through a strong consortium in order to: (1) Identify and enroll uninsured individuals and families who are eligible for public health insurance such as Medicare, Medicaid, and Children’s Health Insurance Program; qualified health plans offered through Health Insurance Marketplaces; and/or private health insurance plans in rural communities; and (2) educate the newly insured individuals in rural communities about their health insurance benefits, help connect them to primary care and preventive services to which they now have access, and help them retain their health insurance coverage.

Need and Proposed Use of the Information: For this program, performance measures were drafted to provide data to the program and to

enable HRSA to provide aggregate program data required by Congress under the Government Performance and Results Act (GPRA) of 1993. These measures cover the principal topic areas of interest to the Federal Office of Rural Health Policy (FORHP), including: (a) Access to care; (b) population demographics; (c) staffing; (d) consortium/network; (e) sustainability; and (f) benefits counseling process and outcomes. Several measures will be used for the Benefits Counseling Program. All measures will speak to

FORHP's progress toward meeting the goals set.

A 60-day **Federal Register** Notice was published in the **Federal Register** on June 1, 2015 (80 FR 31051). There were no comments.

Likely Respondents: The respondents would be recipients of the Rural Outreach Benefits Counseling grant funding.
